His Mothers House:

In My Mother's House Blaque Diamond, 2010-04-23 There was this one time when I was going into the basement to finish my laundry when I saw Popcorn jump on the bed Quick turned his back and his friend the little weasel just sat there acting like he was watching TV I asked what was going on and of course they said nothing so I went outside only to learn that they were in the basement mixing up their drugs They told me that Popcorn was paid to hold the stuff and if anyone came down stairs she should get rid of it Why would she do this here why would Quick have it here at all He could have rented an apartment and had his shop set up there but instead he decided to do his business from the house we grew up in the house the neighborhood grew up in IN MY MOTHER S HOUSE *My Mother's House* Francesca Momplaisir, 2021-04-13 One of the Best Books of the Year Elle Harper s Bazaar Vulture This uncompromising look at the immigrant experience and the depravity of one man is an electrifying page turner rooted in a magical reality Impossible to stop reading Vulture When Lucien flees Haiti with his wife Marie Ange and their three children to New York City s South Ozone Park he does so hoping for reinvention wealth and comfort He buys a run down house in a quickly changing community and begins life anew Lucien and Marie Ange call their home La Kay my mother s house and it becomes a place where their fellow immigrants can find peace a good meal and necessary legal help But as a severely emotionally damaged man emigrating from a country whose evils he knows to one whose evils he doesn t Lucien soon falls into his worst habits and impulses with La Kay as the backdrop for his lasciviousness What he can t begin to fathom is that the house is watching passing judgment and deciding to put an end to all the sins it has been made to hold But only after it has set itself aflame will frightened whispers reveal Lucien s ultimate evil **My Mother's House** David Armand, 2016-03-30 Set in the bucolic yet brutal South of his youth *My Mother s House* is a memoir by novelist David Armand It recounts the young author s early memories of being born to a schizophrenic mother then given up for adoption only to be raised in a home with an alcoholic and abusive step father In this sharply remembered portrait of the people and places that shaped him Armand paints his seemingly negative experiences with a sympathetic and understanding brush As the reader follows Armand through his childhood and later into adult life when he is reunited with his mother after she makes a failed suicide attempt a surprisingly new world of hope and possibility is rendered despite the overwhelming challenges of this reunion Armand s writing is reminiscent of Hemingway straightforward descriptions of manly action punctuated by laconic dialogue New York Journal of Books Armand writes in a comfortingly familiar literary voice that blends Ernest Hemingway s laconic but rhythmically complicated explorations of the mysteries of masculinity with William Faulkner s more fabulist Southern Gothic twang It s a heady seductively intoxicating combination Richmond Times Dispatch *The House of the Mother* Cynthia R. Chapman, 2016-01-01 This work reevaluates the biblical house of the father in light of the anthropological critique of the patrilineal model It uncovers and defines the contours of an underappreciated yet socially significant kinship unit in the Bible the house of the mother *The Only Son; Or, the History*

of *J. Ross and His Mother ... Revised by the Committee of Publication* Jonah ROSS, 1833 **In Her Mother's House** Wendy Ho, 1999 Unwilling to see Asian American women silenced beneath the noisy discourses of feminists cultural nationalists and Eurocentric historians Wendy Ho turns to specific spoken stories of mothers and daughters Against reductive tendencies of scholarship she places her own conversations with her China born grandmother and her U S born mother and her own readings of other Asian American women writers She finds in the writings of Maxine Hong Kingston Amy Tan and Fae Myenne Ng not only complex mother daughter relationships but many faceted relationships to fathers family community and culture Always resisting the simplistic explanations *In Her Mother's House* brings Asian American women's experience as mothers and daughters to the forefront of gender and ethnicity *A Concordance to All the Bookes of the Old Testament, According to the Translation Allowed by His Late Matie of Great Brittain, Etc. [By Clement Cotton.]*, 1627 *In My Mother's House* Margaret McMullan, 2014-03-18 *In My Mother's House* is a beautiful haunting and elegantly crafted novel about a daughter's obsession to understand her mother's staunch commitment to silence about their family's experiences during World War II Vienna and how they were able to escape Told in alternating voices Elizabeth and her mother Jenny the story is remarkable for its fullness and rich details the pieces of family silver the grandmother mails to the family piece by piece over the years Jenny's war time memories of her uncle's viola d'amore lessons the fragrant smell of the wood floors at the Hofzeile the family's longstanding yellow home in Vienna As Elizabeth begins to fill the gaps of Jenny's troubled memory she stumbles upon a family secret that ultimately reveals how it is that we inherit the things we do from one generation to the next *In My Mother's House* is a poignant look at a family struggling to regain what took them generations to build and at what cost It's an emotional expertly told novel that proves that Margaret McMullan will soon join the ranks of writers such as Anita Shreve and Carol Shields *Silent Screams* John Frazier, 2006-02 This book is about a family consisting of a controlling abusive drug addictive father a neglectful mother and their children The children fear for their own futures as well as their health The children befriend caring and protective neighbors who have been witness to similar behaviors in the past The neighbors an elderly couple become very protective of the children They attempt to provide for the children the type of good examples that they hope will stir the children's imagination and create a pride in them so as to be better persons than the examples they have become accustomed to seeing at home It becomes a precipitous course as the father being wary of any kind of interference in his control of the family interjects his prejudices into the relationship Then the father befriends the neighbors in an attempt to use their financial means to improve his own financial position The children's friends become wary of the father's intentions because of their learning of previous acquaintances of the family who have had to resort to the law in order to have their properties returned The children's friends feel they have to make proper the decisions to protect themselves in the future from any financial losses These decisions result in further confrontations with the father **In My Mother's House** Kim Chernin, 2019-10-15 *In My Mother's House* depicts a profound intergenerational struggle between a

powerful politically engaged mother Rose and her spiritually inclined poet and writer daughter Kim Framing this collision are two other generations There is Rose s mother from the shtetl a broken woman regularly beaten by her husband but the source of the family s stories And Kim s daughter a second generation fully assimilated girl of eight at the time the book begins Four generations from the shtetl to an affluent intellectual household in Berkeley California the story is a historical record and reckoning between the old activist left and a beginning feminist movement The double narrative allows Kim to explore the evolving relationship between mother and daughter who through their storytelling are brought to a profound understanding and reconciliation *My Life: Cursed or Blessed?* Karla Johnson,2013-04-24 Graduated High School in 1971

three months pregnant I left my mothers house with my Fianc The only thing I took with me were the clothes on my back the things I read in books the things my Grandmother taught me which mainly involved cooking and cleaning the Bible quotes and old folks tales my Grandmother used to say over and over the few things my mother taught me during her brief and few periods of time into my life and also a very special gift from God which was the ability to play any musical instrument I chose to play I thought I was grown and knew everything What I didn t know was although I was very smart I was also very naive I got married in 1972 and had another baby in 1974 I worked for a police department from 1977 to 1985 I was in the Army National Guard from 1979 to 1985 So many unbelievable things happened to me during that time both good and bad So many more bad things happened than good that I started to think my life was cursed for some reason It started to happen so much that finally I did not want to live any longer *The Imperfect Spartan* D. E. Loxwood,2020-03-19 In Ancient Sparta where imperfect babies were thrown to their deaths from Mount Taygetus and naked Spartan youths cut the throats of Helot slaves as they slept a Spartan man about to graduate from history s most brutal military academy is caught in a triangle of lust love and jealousy from which death or rebellion can be the only escape This is book one of the series *Sunset on Sparta*

Fathering the ADHD Child Edward H. Jacobs,1998 Fathers and mothers do not experience or handle parenting the same way In the case of the ADHD child for whom consistency is so important differences in the way parents regard behavior discipline and ADHD itself often get in the way of their working effectively as a team Clinical psychologist Edward H Jacobs recognizes the needs and perspectives particular to fathers and he suggests how differences can be harnessed to strengthen and enrich the parenting team to benefit the ADHD child *Webs of Power* Evelyn Blackwood,2000-01-12 *Webs of Power*

offers a fresh perspective on women in Southeast Asia Focusing on one rural Minangkabau village the book provides vital insights into the gendered processes of post coloniality The Minangkabau living in West Sumatra are the largest matrilineal group in the world They have intrigued generations of scholars because they are matrilineal and Islamic By exploring the contestations and accommodations women and men make with state and Islamic ideologies *Webs of Power* discloses the processes at the heart of globalization as well as the complexities of kinship and power in a rural agricultural community The book challenges conventional thinking about matriliney showing the prominence of senior women in all aspects of village life

Representations of the Mother-in-Law in Literature, Film, Drama, and Television Jo Parnell, 2018-08-03 This book is a comprehensive study of some ways of treating the subject that demonstrate new and unusual perspectives and provides a different approach to the popularly held views of mothers in law and that further address these works as popular culture and as texts in their own right from within the framework of literary theory and as works that demonstrate the ability to reach and connect with and satisfy both the general reader the student and the scholar from all levels and walks of life

Woodrow Wilson William Bullitt, Sigmund Freud, This volume originated when William C Bullitt began working on a book of studies of the principle personalities surrounding the Treaty of Versailles In discussing this project with Sigmund Freud the idea arose of a collaborative work on Woodrow Wilson They worked on the book for ten years reading all of Wilson s published books and speeches as well as volumes written about Wilson After perusing this material Bullitt and Freud realized that they could not write an analysis of Wilson s character unless they deepened their understanding of his nature with private unpublished information from his intimates They then set out to collect diaries letters records and memoranda from various associates of Wilson Freud writes in his introduction that he did not begin this study with an objective view of Wilson but rather held an unsympathetic view of him But he goes on to say that while reading through materials about Wilson his strong emotions underwent a thorough subjugation He describes Wilson as a person for whom mere facts held no significance he esteemed highly nothing but human motives and opinions As a result writes Freud it was natural for him in his thinking to ignore the facts of the real outer world even to deny they existed if they conflicted with his hopes and wishes This habit of thought is visible in his contacts with others Freud also notes that there was an intimate connection between Wilson s alienation from the world of reality and his religious convictions The book opens with a thirty page biography of Wilson written by Bullitt The collaborative psychological study that makes up the bulk of the volume then follows Woodrow Wilson provides readers with a more intimate knowledge of the man which in turn leads to a more exact estimate of his achievements This intriguing

psychoanalytic study will be of continuing interest to historians political scientists psychologists and sociologists
