Histoire Du Judaïsme:

Petite histoire du judaïsme Jean-Christophe Attias, Esther Benbassa, 2007 Cet ouvrage clair et accessible permet de comprendre la religion juive et l'universalité de son message Et bien au delà de connaître l'histoire d'un peuple et sa contribution originale à la civilisation humaine Religion culture identité en dialogue ininterrompu avec le monde le judaïsme est tout cela la fois Et en dépit des tragédies qui l'ont frappé c'est une vitalité et une créativité toujours renaissantes qui le caractérisent *Histoire du judaïsme* André Chouraqui, 1974 *Histoire du judaïsme* Sonia Fellous, 2008 Histoire critique et scientifique du judaïsme une analyse des ses évolutions dans le temps et l'espace **Le judaïsme biblique** Ludwig Dennefeld, 1925 *La collection Isaac Strauss* Dominique Jarrassé, 2018-09-01 Le chef d'orchestre Isaac Strauss 1806 1888 a rassemblé la première collection d'objets religieux juifs fondant un champ nouveau de l'histoire de l'art et du collectionnisme L'ouvrage reproduit le catalogue de la collection présentée en 1878 et de nombreux documents qui illustrent le rôle fondateur de cette collection jusqu'à son entrée au musée d'art et d'histoire du judaïsme en 1998 et offre une véritable initiation aux judaïques **La naissance du judaïsme** Olivier Artus, 1999 *Un judaïsme dans le siècle*, **Le Judaïsme** Quentin Ludwig, 2015-06-04 Le judaïsme est la plus ancienne des religions monothéistes De fait elle constitue l'origine de notre civilisation Comprendre le judaïsme c'est donc renouer avec le passé et éclairer le monde moderne En s'appuyant sur des mots-clés des mots *A History of Judaism* Martin Goodman, 2019-11-19 Judaism is one of the oldest religions in the world and it has preserved its distinctive identity despite the extraordinarily diverse forms and beliefs it has embodied over the course of more than three millennia A History of Judaism provides the first truly comprehensive look in one volume at how this great religion came to be how it has evolved from one age to the next and how its various strains sects and traditions have related to each other In this magisterial and elegantly written book Martin Goodman takes readers from Judaism's origins in the polytheistic world of the second and first millennia BCE to the temple cult at the time of Jesus He tells the stories of the rabbis mystics and messiahs of the medieval and early modern periods and guides us through the many varieties of Judaism today Goodman's compelling narrative spans the globe from the Middle East Europe and America to North Africa China and India He explains the institutions and ideas on which all forms of Judaism are based and masterfully weaves together the different threads of doctrinal and philosophical debate that run throughout its history *Alfred Loisy and the Making of History of Religions* Annelies Lannoy, 2020-08-10 This monograph studies the professionalization of History of religions as an academic discipline in late 19th and early 20th century France and Europe Its common thread is the work of the French Modernist priest and later Professor of History of religions at the Collège de France Alfred Loisy 1857 1940 who participated in many of the most topical debates among French and international historians of religions Unlike his well studied Modernist theology Loisy's writings on comparative religion and his rich interactions with famous scholars like F Cumont M Mauss or J G Frazer remain largely unknown This monograph is the first to paint a comprehensive picture of his career as a historian of

religions before and after his excommunication in 1908 Through a contextual analysis of publications by Loisy and contemporaries and a large corpus of private correspondence it illuminates the scientification of the discipline between 1890 1920 and its deep entanglement with religion politics and society Particular attention is also given to the role of national and transnational scholarly networks and the way they controlled the theoretical and institutional frameworks for studying the history of religions
