Histoire De La Sexualita:

The Cambridge World History of Sexualities: Volume 1, General Overviews Merry E. Wiesner-Hanks, Mathew Kuefler, 2024-04-30 Volume I offers historiographical surveys and general overviews of central topics in the history of world sexualities Split across twenty two chapters this volume places the history of sexuality in dialogue with anthropology women s history LGBTQ history queer theory and public history as well as examining the impact Freud and Foucault have had on the history of sexuality The volume continues by providing overviews on the sexual body family and marriage the intersections of sexuality with race and class male and female homoerotic relations trans and gender variant sexuality the sale of sex sexual violence sexual science sexuality and emotion erotic art and literature and the material culture of sexuality

Convergences Maria del Guadalupe Davidson, Kathryn T. Gines, Donna-Dale L. Marciano, 2010-10-01 Black Feminism and Continental Philosophy in dialogue **Histoire de la sexualité** Michel Foucault, 1978 *Manuel de sexologie* Patrice Lopès, François-Xavier Poudat, 2022-01-11 D sormais consid r e comme fondamentale la sant sexuelle et la prise en charge de ses dysfonctionnements constituent une discipline m dicale associant de nombreux professionnels de sant Analysant les bases neurophysiologiques et neuropsychologiques de la sexualit humaine avant de d crire la chimie des troubles sexuels chez l homme et la femme cet ouvrage qui est devenu une r f rence apporte tous les l ments pour comprendre la sexualit et prendre en charge ses troubles la suite de donn es anatomie cliniques les auteurs issus d horizons divers mais compl mentaires AIUS association interdisciplinaire post universitaire de sexologie abordent successivement l adolescence la sexualit au f minin et au masculin les probl mes sexuels du couple les perversions et agressions sexuelles et pr cisent tous les aspects juridiques et thiques de la sexualit Apr s le succ s des pr c dentes cette 4e dition a fait l objet d une enti re r vision et mise jour notamment sur les aspects g n tiques l influence de la m nopause du vieillissement et les traitements Les r seaux sociaux et la protection des femmes sont galement abord s Cet ouvrage est destin tous les tudiant des DIU de sexologie aux internes m decins g n ralistes gyn cologues psychiatres psychoth rapeutes sages femmes et sexologues ainsi qu toutes les sp cialit s concern es de pr s ou de loin par les pathologies li es ou engendrant des troubles sexuels **Foucault, Sexuality, Antiquity** Sandra Boehringer, Daniele Lorenzini, 2022-06-23 Foucault Sexuality Antiquity published for the first time in English takes an interdisciplinary approach to exploring how the work of Michel Foucault has influenced studies of ancient Greece and Rome Foucault s The History of Sexuality has had a profound and lasting impact across the humanities and social sciences In the two volumes dedicated to pagan antiquity Foucault provided scholars with new questions for addressing ancient Greek and Roman societies and an original epistemological framework for thinking about eroticism and about the processes by which individuals are led to recognize themselves as the subjects of their desires Now decades later the scholars in this volume explore Foucault s role in shaping and reorienting discussions of antiquity in the fields of philosophy gender studies and psychoanalysis among others A multidisciplinary exploration of Foucault s work and its relationship to our understanding of

ancient Greco Roman societies Foucault Sexuality Antiquity will be of interest to students and scholars in classical studies philosophy gender studies and ancient history *Femininity, Masculinity, and Sexuality in Morocco and Hollywood* Osire Glacier,2017-05-19 This book is the first to formulate an ideology of emancipation for women in Morocco Beginning with constructs of the body femininity and masculinity it analyzes the central role played by the sociopolitical writing of sexuality in creating gender hierarchy The author focuses on Morocco while drawing parallels with Hollywood cinema one of the great producers of femininity and masculinity and conducts an exhaustive examination of constructs of femininity and masculinity in language social practices cultural productions and legal texts The objectives of this project are tripartite it exposes the dynamics that devalue women s humanity it charts the schemas of their sexual economic and sociopolitical exploitation and it advances concrete solutions for re establishing women s human dignity Michel Foucault and Theology James Bernauer,2017-03-02 Whilst Foucault s work has become a major strand of postmodern theology the wider relevance of his work for theology still remains largely unexamined Foucault both engages the Christian tradition and critically challenges its disciplinary regime Michel Foucault and Theology brings together a selection of essays by leading Foucault scholars on a variety of themes within the history thought and practice of theology Revealing the diverse ways that the work of Michel Foucault 1926 1984 has been employed to rethink theology in terms of power discourse sexuality and the politics of knowledge the authors examine power and sexuality in the church in late antiquity Castelli Clark Schuld raise questions about the relationship between theology and politics Bernauer Leezenberg Caputo consider new challenges to the nature of theological knowledge in terms of Foucault s critical project Flynn Cutrofello Beadoin Pinto and rethink theology in terms of Foucault s work on the history of sexuality Carrette Jordan Mahon This book demonstrates for the first time the influence and growing importance of Foucault s work for contemporary theology Histories of Sexology Alain Giami,Sharman Levinson,2021-07-12 Histories of Sexology Between Science and Politics takes an interdisciplinary and reflexive approach to the historiography of sexology Drawing on an intellectual history perspective informed by recent developments in science and technology studies and political history of science this book examines specific social cultural intellectual scientific and political contexts that have given shape to theories of sexuality but also to practices in medicine psychology education and sexology Furthermore it explores various ways that theories of sexuality have both informed and been produced by sexologies as scientific and clinical discourses about sex in Western countries since the 19th century **La sexualité** Félix Le Dantec,1899 A History of Homosexuality in Europe Vol. II Florence Tamagne,2004 Just crawling out from under the Victorian blanket Europe was devastated by a gruesome war that consumed the flower of its youth Tamagne dissects the strands of euphoria rebellion exploration nostalgia and yearning and the bonds forged at school and on the battlefield in a scholarly treatise charting the early days of the homosexual and lesbian scene The period between the two world wars was crucial in the history of homosexuality in Europe It was then that homosexuality first came out into the light of day Berlin

became the capital of the new culture and the center of a political movement seeking rights and protections for what we now call gays and lesbians In England the confrontation was brisk to undermine the structures and strictures of Victorianism whereas in France which was more tolerant over all homosexuality remained more subtle and nonmilitant Tamagne s 2 volume work outlines the long and arduous journey from the shadows toward acceptability as the homosexual and lesbian community sets out to find a new legitimacy at various levels of society She weaves together cultural references from literature songs and theater news stories and private correspondence police reports and government documents to give a rounded picture of the evolving scene

Convulsing Bodies Mark D. Jordan, 2014-11-05 By using religion to get at the core concepts of Michel Foucault s thinking this book offers a strong alternative to the way that the philosopher s work is read across the humanities Foucault was famously interested in Christianity as both the rival to ancient ethics and the parent of modern discipline and was always alert to the hypocrisy and the violence in churches Yet many readers have ignored how central religion is to his thought particularly with regard to human bodies and how they are shaped The point is not to turn Foucault into some sort of believer or to extract from him a fixed thesis about religion as such Rather it is to see how Foucault engages religious rhetoric page after page even when religion is not his main topic When readers follow his allusions they can see why he finds in religion not only an object of critique but a perennial provocation to think about how speech works on bodies and how bodies resist Arguing that Foucault conducts experiments in writing to frustrate academic expectations about history and theory Mark Jordan gives equal weight to the performative and theatrical aspects of Foucault s writing or lecturing How does Foucault stage possibilities of self transformation How are his books or lectures akin to the rituals and liturgies that he dissects in them *Convulsing Bodies* follows its own game of hide and seek with the agents of totalizing systems not least in the academy and gives us a Foucault who plays with his audiences as he plays for them or teaches them

Michel Foucault Dan Beer, 2017-12-02 This is a study of the French philosopher and historian Michel Foucault s 1976 work *La Volonte de Savoir* Dan Beer aims to uncover a network of ideas and linguistic patterns beneath the surface of the text Through close textual analysis he addresses the issue of language and its effects on the world we inhabit The book covers a range of references from the forgotten narratives of 19th century European psychiatry examining the scope of confessional literature to the heated debates that surround Foucault s language and ideas

La sexualité Marie-Noëlle Fabre, Luc Crepy, 2002 La sexualité tient une place importante dans la réflexion des chrétiens Présentation des découvertes et apports des sciences humaines de la sociologie et de l histoire dans l étude de la sexualité humaine notamment concernant les notions de plaisir et de désir Montre comment ces recherches clarifient les débats théologiques actuels

The Tyranny of Pleasure Jean Claude Guillebaud, 1999 This provocative book stands over sixties liberation on its head taking an inventory of its unintended side effects *Le Nouvel Quotidien* Philosophy

[Gay Studies from the French Cultures](#) Rommel Mendès-Leite, Pierre-Olivier de Busscher, 1993 Now English speaking readers can gain new access to valuable information on

homosexuality and homosociality written by French speaking scholars and researchers *Gay Studies From the French Cultures* contains work taken from symposia held by the Research and Study Group on Homosociality and Homosexualities GREH in France over the past several years GREH founded by Mend s Leite in 1986 is a forum and university network designed to open and enrich debate and interdisciplinary research on homosociality homosexuality and lesbianism The chapters all translated from their original French represent a mosaic of scholars from Brazil The Netherlands Belgium and Canada as well as France giving readers a broad perspective on the subject Although authors share cultural roots and connections through GREH the book contains a deliberate disparity of topics and points of view from French speaking persons in the western hemisphere seeking to heighten understanding through diversity The book is divided into three parts Theoretical Background Lesbian History and Commentary and Gay Male History and Commentary Some of the various topics discussed include theoretical background on sexualities and gender studies gay and lesbian history homosexuality and AIDS nineteenth century s French gay and lesbian history sociology of Brazilian homosexualities French spoken Canadian history on sexualities historiographies An enlightening volume *Gay Studies From the French Cultures* provides a bridge between English language and Francophone research on homosexuality increasing the knowledge awareness and understanding of a whole new group of readers

The Lives of Michel Foucault David Macey, 2019-01-22 The classic biography of the radical French philosopher with a new afterword by acclaimed Foucault scholar Stuart Elden When he died of an AIDS related condition in 1984 Michel Foucault had become the most influential French philosopher since the end of World War II His powerful studies of the creation of modern medicine prisons psychiatry and other methods of classification have had a lasting impact on philosophers historians critics and novelists the world over But as public as he was in his militant campaigns on behalf of prisoners dissidents and homosexuals he shrouded his personal life in mystery In *The Lives of Michel Foucault* written with the full cooperation of Daniel Defert Foucault s former lover David Macey gives the richest account to date of Foucault s life and work informed as it is by the complex issues arising from his writings In this new edition Foucault scholar Stuart Elden has contributed a new afterword assessing the contribution of the biography in the light of more recent literature

Pasolini, Chaucer and Boccaccio Agnès Blandeau, 2006-07-19 Pier Pasolini s trilogy of life is a series of film adaptations of major texts of the past *The Decameron* *The Canterbury Tales* and *One Thousand and One Nights* The movies demonstrate a film author s acute aesthetic sensibility through a highly original cinematic rendering of the sources The first two films closely examined in this book offer a personal purposefully stylized vision of the Middle Ages as though Pasolini were dreaming Boccaccio s and Chaucer s texts through the filter of his heretic consciousness The unusual poetic visualization of the source works which could be described as irreverent cinematic homage has the potential to renew the traditional reading of such literature This book shows how cinema becomes an alternative form of storytelling It first studies the two films in detail putting them in perspective within the trilogy Next it interprets them recounting misinterpretations

and expounding upon Pasolini's ideological perception and defends the oft criticized adaptations Finally it discusses how the films represent innovation over strict adaptation Appendices offer charts with information on the narrative structures of the films and the correspondences between them

Sexuality Michel Foucault, 2021-07-13 Michel Foucault's *The History of Sexuality* the first volume of which was published in 1976 exerts a vast influence across the humanities and social sciences However Foucault's interest in the history of sexuality began as early as the 1960s when he taught two courses on the subject These lectures offer crucial insight into the development of Foucault's thought yet have remained unpublished until recently This book presents Foucault's lectures on sexuality for the first time in English In the first series held at the University of Clermont Ferrand in 1964 Foucault asks how sexuality comes to be constituted as a scientific body of knowledge within Western culture and why it derived from the analysis of perversions morbidity homosexuality fetishism The subsequent course held at the experimental university at Vincennes in 1969 shows how Foucault's theories were reoriented by the events of May 1968 he refocuses on the regulatory nature of the discourse of sexuality and how it serves economic social and political ends Examining creators of political and literary utopias in the nineteenth and twentieth centuries from Sade to Fourier to Marcuse who attempted to integrate natural sexualities including transgressive forms into social and economic life Foucault elaborates a double critique of the naturalization and the liberation of sexuality Together the lectures span a range of interests from abnormality to heterotopias to ideology and they offer an unprecedented glimpse into the evolution of Foucault's transformative thinking on sexuality

Sleights of Reason Mary Beth Mader, 2012-01-02 A brilliant and original reimagining of sexuality this book examines how concepts lend themselves to power knowledge formations and offers a robust synthesis of insights from Foucault and Deleuze to extend those into a proposal for a conceptual next step for imagining the structures of sexuality as eros Many contemporary French philosophers make incidental use of the notion of a ruse Its names are legion duplicity concealment forgetting and subterfuge among others This book employs Gilles Deleuze's philosophy of the concept to describe three specifically conceptual ruses or sleights that make up part of the conceptual support for the concept of sex These are the sleights associated with the concepts of norm bisexuality and development Mary Beth Mader argues that concepts can trick us and shows how they can effect conceptual sleights or what she calls sleights of reason

Discours, sexualité et pouvoir Alan Sheridan, 1985
