Dessubré, 1928 **The Templars, the Hospitallers and the Crusades** Helen J. Nicholson, Jochen Burgdorf, 2020-05-18 This book pays homage to the work of a scholar who has substantially advanced knowledge and understanding of the medieval military religious orders Alan J Forey has published over seventy meticulously researched articles on every aspect of the military religious orders two books on the Templars in the Corona de Aragón and a wide ranging survey of the military religious orders from the twelfth to the early fourteenth centuries His archival research has been especially significant in opening up the history of the military orders in the Iberian Peninsula This volume comprises an appreciation of Forey's work and a range of research that has been inspired by his scholarship or develops themes that run through his work Articles reflect Forey's detailed research into and analysis of primary sources as well as his work on the military orders the crusades the eastern Mediterranean and the trial of the Templars Further papers move beyond the geographical and chronological bounds of Forey's research while still exploring his themes of the military religious orders relations with the Church and State *La vraie histoire des Templiers* Rocco Mela, Enfin le premier livre complet sur l'histoire des Templiers est disponible Dans ce livre nous avons couché sur papier la véritable histoire des Templiers sans nous perdre dans les légendes et les demi-vérités Les Templiers étaient un ordre monastique qui se consacrait à l'utilisation des armes pour assurer la sécurité et la liberté des peuplements chrétiens en Terre promise l'époque des croisades Non pas contre les musulmans en tant que non chrétiens mais en tant que bourreaux de la sécurité des peuplements Ils ont été les sauveurs de la chrétienté pendant plusieurs siècles jusqu'à ce que par jalousie et ressentiment leur ordre soit dissous Depuis lors des rumeurs d'encre ont coulé pour salir l'ordre des Templiers ou même s'ils sont de bonne foi pour les encenser avec des théories absconces visant les dépeindre comme une sorte de caste régissant sur le monde Y a-t-il une vérité au milieu Pas tout fait Les Templiers ont une grande histoire mais dès la fin du Moyen Âge l'ordre a été dissous En d'autres termes les Templiers font partie du passé un passé glorieux et mythique mais aucune ditte ne permet de penser qu'ils existent aujourd'hui Dans ce livre vous ne trouverez donc que la vérité pas de ramifications ni d'hypothèses fondées sur rien Entre autres sujets le livre abordera galement l'idéal chevaleresque la naissance de la chevalerie les mystères des Templiers et le procès infamé De plus il y aura une section bonus consacrant un autre ordre de chevalerie Achetez le livre maintenant Qu'est-ce que vous attendez Ne voulez-vous pas enfin profiter de l'histoire et du mythe des Templiers Obtenez une copie du manuel et apprenez tout ce que vous avez besoin de savoir sur les TEMPLIERS *Templaria Bibliotheca Carsoniana* E. influential military order Yet unlike other medieval institutions the Templars are subject to speculative fiction and popular myth which threaten to swamp the fruits of scholarly endeavour Fortunately recent years have produced a thriving academic scholarship which is challenging these myths More and more sources are currently being edited particularly those for the trial of the Templars 1307 1312 Others are still awaiting indepth study among them surprisingly the greater part of the charters that cover more than 150 years of the Order s history The papers in this volume step into this gap and critically evaluate new directions in Templar studies on the basis of as yet unedited source material Open issues and desiderata regarding the sources are discussed and from a range of inspiring results a new status quaestionis is proposed that will not only provide a better understanding of the Order s archaeological economical religious administrative and military history but also set new points of departure for the editing of charters and administrative documents The papers here are grouped into six sections focusing on the headquarters of the Order its charters manpower and finance religious life and finally the suppression and the Order s afterlife
