Emigrant Dreams, Immigrant Borders Raquel Vega-Durán, 2016-09-30 Emigrant Dreams Immigrant Borders Migrants Transnational Encounters and Identity in Spain offers a new approach to the cultural history of contemporary Spain examining the ways in which Spain's own self conceptions are changing and multiplying in response to migrants from Latin America and Africa In the last twenty five years Spain has gone from being a country of net emigration to one in which immigrants make up nearly 12 percent of the population This rapid growth has made migrants increasingly visible in both mass media and in Spanish visual and literary culture This book examines the origins of media discourses on immigration and takes the analysis of contemporary Spanish culture as its primary framework while also drawing insights from sociology and history Emigrant Dreams Immigrant Borders introduces readers to a wide range of recent films journals novels photography paintings and music to reconsider contemporary Spain through its varied encounters with migrants It follows the stages of the migrant's own journey beginning outside Spanish territory continuing across the border either at the barbed wire fences of Ceuta and Melilla or the waters of the Atlantic or the Strait of Gibraltar and then considers what happens to migrants after they arrive and settle in Spain Each chapter analyzes one of these stages in order to illustrate the complexity of contemporary Spanish identity This examination of Spanish culture shows how Spain is evolving into a new space of imagination one that can no longer be defined without the migrant a space in which there is no unified identity but rather a new self understanding is being born Vega Dur n both places Spain in a larger European context and draws attention to some of the features that from a comparative perspective make the Spanish case interesting and often unique She argues that Spain cannot be understood today outside the Transatlantic and Mediterranean spaces both real and imaginary where Spaniards and migrants meet Emigrant Dreams Immigrant Borders offers a timely study of present day Spain and makes an original contribution to the vibrant debates about multiculturalism and nation formation that are taking

Levin,2022-08-02 BESTSELLER 1 DEL NEW YORK TIMES Mark R Levin autor seis veces bestseller 1 del New York Times estrella de Fox News y presentador de radio regresa para explicar c mo aquellos peligros sobre los que nos adverti hace una d cada finalmente han ocurrido y lo que se debe hacer ahora para hacerlos retroceder Mark R Levin moviliz a los conservadores en 2009 con Libertad y tiran a el cual brind un marco filos fico hist rico y pr ctico para detener el ataque liberal contra los valores basados en la Constituci n que hizo su aparici n durante los a os de Obama Ese libro hablaba de que est bamos parados frente al precipicio del ataque del progresismo a nuestras libertades desde la econom a hasta la atenci n m dica y desde el calentamiento global hasta la

inmigración. Ahora más de una década después hemos ido más allá de ese precipicio y estamos pagando el precio. En el Marxismo norteamericano Levin explica cómo hoy en día los elementos centrales de la ideología marxista se han generalizado en la sociedad y la cultura estadounidenses desde nuestras instituciones educativas, la prensa y las corporaciones hasta Hollywood, el partido Demócrata y la presidencia de Biden y cómo a menudo se la disfraza con rótulos engañosos como progresismo, socialismo democrático, activismo social y activismo comunitario. Con su característico análisis incisivo, Levin se sumerge en la psicología y las tácticas de estos movimientos de masas: el extendido lavado de cerebro de estudiantes, los propósitos antiestadounidenses de la Teoría Crítica de la Raza y del Green New Deal y la escalada de represión y censura para silenciar a voces opositoras e imponer la conformidad. Levin expone a un gran número de instituciones intelectuales académicas y activistas que lideran esta revolución y nos brinda algunas respuestas e ideas sobre cómo confrontarlos. Como escribe Levin: La contrarrevolución a la Revolución norteamericana está en pleno vigor. Y ya no puede ser desestimada ni ignorada porque está devorando a nuestra sociedad y a nuestra cultura rondando en nuestras vidas cotidianas y omnipresente en nuestra política, en nuestras escuelas, en los medios y en la industria del entretenimiento. Y tal como hizo antes, Levin busca unir al pueblo estadounidense para que defienda su libertad.

Connecting Children with Classics Meagan Lacy, Pauline Dewan, Shady radical, 2018-03-14. This guide identifies hundreds of books that can help children develop into engaged readers. Children's librarians, collection development specialists in public libraries as well as K-8 school librarians and teachers will choose from the best in children's titles. This unique readers advisory and collection development guide for librarians and others who work with children focuses on readers and their needs rather than simply categorizing books by their characteristics and features as traditional literature guides do. Taking this unusual perspective brings forth powerful new tools and curricular ideas on how to promote the classics and how to best engage with young readers and meet their personal and emotional needs to boost interest and engagement. The guide identifies seven reader-driven appeals or themes that are essential to successful readers advisory: awakening new perspectives, providing models for identity, offering reassurance, comfort, strength and confirmation of self-worth, connecting with others, giving courage to make a change, facilitating acceptance and building a disinterested understanding of the world. By becoming aware of and tapping into these seven themes, librarians and other educators can help children more deeply connect with books, thereby increasing the odds of becoming lifelong readers. The detailed descriptions of each book provide plot summaries as well as notes on themes, subjects, reading interest levels, adaptations and alternative formats, translations and read-alikes. This informative guide will also aid librarians in collection development and bibliotherapy services.
