HILLS AND STREAMS, 1982      **Hills and Streams** Henry A. Crosby Forbes, 1982      *China and the Writing of English Literary Modernity, 1690-1770* Eun Kyung Min, 2018-04-19 This book explores how a modern English literary identity was forged by its notions of other traditions and histories in particular those of China The theorizing and writing of English literary modernity took place in the midst of the famous quarrel between the Ancients and the Moderns Eun Kyung Min argues that this quarrel was in part a debate about the value of Chinese culture and that a complex cultural awareness of China shaped the development of a national literature in seventeenth and eighteenth century England by pushing to new limits questions of comparative cultural value and identity Writers including Defoe Addison Goldsmith and Percy wrote China into genres such as the novel the periodical paper the pseudo letter in the newspaper and anthologized collections of antique English poetry inventing new formal strategies to engage in this wide ranging debate about what defined modern English identity      **Liverpool China Traders** Christina Baird, 2007 Perhaps the most enduring image of the China Trade is the clipper ship carrying tea from China In 1869 the clippers were finally overshadowed by the introduction of steam vessels which could make passage through the Suez Canal significantly shortening the length of the voyage Letters journals and order books have survived which tell us about the traders their private trading activities motivation tastes and private lives This book examines the role played by the port of Liverpool in this time of great change The book examines Liverpool's early participation in the China Trade following the cessation of the British East India Company's monopoly of the trade in 1834 and maps the changes in artistic tastes that the commencement of free trade gave rise to These new tastes represented a true fusion of European and Chinese cultural influences and replaced the pastiche of The Orient that chinoiserie represented during the period of the monopoly Amazon.com      **Hills and Streams** H.A.
