**A Hilltop on the Marne**

Mildred Aldrich, 2017-05-12 The writing here is beautiful stylized descriptive and ultimately honest An amazing story is set in 1914 in Huiry France about 40 kilometres to the east of Paris Told through the author's letters to an unknown party Mildred Aldrich makes you feel both at home and displaced at the same time As such you really get a feel of where she is coming from as an American expat in a war zone Originally from America Aldrich spent 16 years in Paris before retiring to a beautiful little house in Huiry France From her letters you can tell she wasn't supported in this decision and many of her friends who wanted her to come back to America Three months after settling the battle of the Marne begins nearly on her doorstep Fear plays a big role in this book but not more so than what we do to move beyond that fear and live in the moment This is reflected in Aldrich's behavior as well as the soldiers who camp at her home
