**A Guide to Bible Study** Harry E. Richards, 1914      *Easiest Guide to Bible Study* Manny Piedad Mullaneda, 2021-02-01. Of all the books ever written, none contains lessons so instructive, precepts so pure, or promises so great as the Bible. There is nothing that so convinces the mind of the inspiration of the Bible as does the reading of the Bible itself. As a guide, the Bible is without a rival. It gives a calm peace in believing and a firm hope of the future. It solves the great problems of life and destiny and inspires to a life of purity, patience, and well-doing. It fills the heart with love for God and a desire to do good to others and thus prepares one for usefulness here and for the home in heaven. It teaches the value of the soul by revealing the price that has been paid to redeem it. It makes known the only antidote for sin and presents the only perfect code of morals ever given. It tells of the future and the preparation necessary to meet it. It makes us bold for the right and sustains the soul in adversity and affliction. It lights up the dark valley of death and points to a life unending. The Bible was written by thirty-five or forty men over a period of some fifteen hundred years. The books are called word of God or the scriptures. Luke 8:21, Matthew 21:42. **Bible Study Made Easy** consists of questions asked concerning some subjects and answers to them from the Bible. It is a topical study of the Bible which will be found an excellent aid to private family and public study.
