**Hippocrates Now** Helen King, 2019-11-14 This book is available as open access through the Knowledge Unlatched programme and is available on [www.bloomsburycollections.com](http://www.bloomsburycollections.com) We need to talk about Hippocrates Current scholarship attributes none of the works of the Hippocratic corpus to him and the ancient biographical traditions of his life are not only late but also written for their own promotional purposes Yet Hippocrates features powerfully in our assumptions about ancient medicine and our beliefs about what medicine and the physician himself should be In both orthodox and alternative medicine he continues to be a model to be emulated This book will challenge widespread assumptions about Hippocrates and in the process about the history of medicine in ancient Greece and beyond and will also explore the creation of modern myths about the ancient world Why do we continue to use Hippocrates and how are new myths constructed around his name How do news stories and the internet contribute to our picture of him And what can this tell us about wider popular engagements with the classical world today in memes quotes and online

**The Cambridge Companion to Hippocrates** Peter E. Pormann, 2018-11-08 Hippocrates is a towering figure in Greek medicine Dubbed the father of medicine he has inspired generations of physicians over millennia in both the East and West Despite this little is known about him and scholars have long debated his relationship to the works attributed to him in the so called Hippocratic Corpus although it is undisputed that many of the works within it represent milestones in the development of Western medicine In this Companion an international team of authors introduces major themes in Hippocratic studies ranging from textual criticism and the Hippocratic question to problems such as aetiology physiology and nosology Emphasis is given to the afterlife of Hippocrates from Late Antiquity to the modern period Hippocrates had as much relevance in the fifth century BC Greek world as in the medieval Islamic world and he remains with us today in both medical and non medical contexts

**Hippocratic Oaf** Warren Hayes, 2003-01  
Hippocratic Oaf Warren S. Hayes, 2003-04 *Let's Be Frank* Brea Brown, Nate Bingham's career as a pediatric nurse provides plenty of personal satisfaction but at the end of the day he comes home to an empty house When his obnoxiously perfect older brother Nick announces his engagement Nate decides he's ready to do whatever it takes to secure his own happily ever after But he has no idea how wacky whatever it takes can get Before he knows it his next blind date has helped herself to his photo his gender and details of his life to fuel a wild scheme and he finds himself falling into it After all if his own life is a bust why not try on someone else's What could possibly go wrong An irresistible tale about finding love where you least expect it

Pilgrimage Alan Byron, 2006 While Max Benjamin is a respected family doctor he is frustrated by the limits imposed on him by general practice and worried about the questionable behaviour of the practice's senior partner Doctor Lew Forbes Serena Benjamin is a loving wife and devoted mother but increasingly she is unhappy with domesticity and troubled by persistent headaches Max hoping to find answers feels drawn to Hindu spirituality and after a meeting with Guru Sri Bhajananda at a Hindu festival is invited to his ashram in India While there with Guruji's guidance Max's

understanding of life expands as he is taught new ways of thinking and shown new ways of being Back in England however Serena s attempts to add some excitement to her weary suburban life have serious consequences which will eventually lead her and Max to realise the truth about themselves and discover just what the enlightened mind can achieve **A Murder of Crows** Ian Skewis,2017-03-16 The most violent thunderstorm in living memory occurs above a sleepy village on the West Coast of Scotland A young couple take shelter in the woods never to be seen again \_\_\_\_\_ DCI Jack Russell is brought in to investigate Nearing retirement he agrees to undertake one last case which he believes can be solved as a matter of routine But what Jack discovers in the forest leads him to the conclusion that he is following in the footsteps of a psychopath who is just getting started Jack is flung headlong into a race against time to prevent the evolution of a serial killer Core Clinical Competencies in Anesthesiology Christopher J. Gallagher,Michael C. Lewis,Deborah A. Schwengel,2010-04-12 Explains anesthesiology core clinical competencies in an engaging case study format making them clinically relevant for medical students **The Accidental Highwayman** Ben Tripp,2014-10-14 The Accidental Highwayman is the first swashbuckling adventure for young adults by talented author and illustrator Ben Tripp In eighteenth century England young Christopher Kit Bristol is the unwitting servant of notorious highwayman Whistling Jack One dark night Kit finds his master bleeding from a mortal wound dons the man s riding cloak to seek help and changes the course of his life forever Mistaken for Whistling Jack and on the run from redcoats Kit is catapulted into a world of magic and wonders he thought the stuff of fairy tales Bound by magical law Kit takes up his master s quest to rescue a rebellious fairy princess from an arranged marriage to King George III of England But his task is not an easy one for Kit must contend with the feisty Princess Morgana goblin attacks and a magical map that portends his destiny as a hanged man upon the gallows Fans of classic fairy tale fantasies will find much to love in this irresistible YA debut by Ben Tripp the son of one of America s most beloved illustrators Wallace Tripp Amelia Bedelia Following in his father s footsteps Ben has woven illustrations throughout the story Delightful and charming A swashbuckling adventure in the vein of Robert Louis Stevenson 1 New York Times bestselling author Brandon Sanderson At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Snowcub** Graham Fulbright,2021-07-06 If you relish writing which pushes the envelope with the unconventional Snowcub is for you Graham Fulbright has struck gold with his quintet of soft animal toys and their shared dreamstate metamorphoses into sharp minded flesh and blood creatures Whereas Moby Dick s creator thought domesticated dogs and horses Man s cleverest mind readers Graham looks to the wild side for nature s shrewdest judges of human nature But he also rings the changes putting words into the mouths and beaks of creatures unable to think straight because of unwittingly parodying humankind And as is often the case with Graham language comes under the microscope There s no shying away from the fact that the main thrust of this novel will sit uneasily on some readers consciences An intrepid teenager has thrown down the gauntlet face up to the inconvenient truth that most of us think animals exist to do with as we

see fit Last but not least let s not forget the creature after whom this novel is named You will be hard put not to warm to the furry protagonist and his quest for self realisation as he grapples with doubts fears and aspirations mirroring your own Under this heroic creature s leadership and armed with lessons learnt from their encounters with animal life across the globe the novel s five goodwill ambassadors become a young girl s mental support agents in defence of the planet s threatened fauna

**The Complete Fables of La Fontaine** Jean de la Fontaine,2011-09-15 In this wonderful vigorously contemporary translation Craig Hill has captured the liveliness satiric wit and poetic beauty that made Jean de la Fontaine famous during his lifetime and his Fables celebrated as a masterwork of world literature ever since Despite la Fontaine s deceptively modest claim that all he intended was to put the moral tales of Aesop and other ancient fabulists into poetry for the pleasure of Louis XIV s young son his real accomplishment as later generations have understood was holding a mirror up to the society of his day and in the process fashioning a work that has become a classic Borrowing from a variety of sources la Fontaine gave the hitherto mute animals in ancient fables the power of speech Backstabbing politicians brainless nincompoops charlatans clueless heads of state egomaniacs empty headed celebrities foolish investors gluttons liars penny pinchers self important blowhards and wastrels these are the targets of la Fontaine s pen In this beautifully bound collector s edition Craig Hill has given us a rare treat both the irreverent spirit and the vivid poetry that have made la Fontaine s fables beloved through the ages continuing to amuse and inspire centuries after they rst appeared in print
