Luneria T.K. Wayne,2012-03-29 Maguvark Academy starts out with two mysterious people walking around the streets at night and leaving their child and countrys heir at the doorstep of a family of strangers for their childs safety Then they meet up with a group of their friends at the Krests family home to sign a contract Years later the Sherwoods and the Krests go on a vacation to the beach for the summer Since the first day of the trip the children notice strange happenings around them First of all Alex and Ellen encounter a butterfly with a broken wing which appears to heal itself almost instantly That night on their way to a restaurant the children are carried out of the Krests family car and over a forest only to land in a lake which vanishes shortly after theyve crawled out of it If things couldnt get any weirder the childrens clothes dry up ridiculously fast after they noticed the lakes disappearance After being split up the children run into strangely dressed students who help them find their way back to each other They are then led out of the woods by a strange creature which Alyssa claims is a Selenkra At the restaurant Colin and Alex have a heated argument and Alex bursts into flames The flames die out as suddenly as theyd appeared and Alex remains unharmed The following day they meet a woman named Selena Maguvark who brings them to Luneria and gives them a mission to find Luna Maguvark in the human world Alex Ellen Jen Colin and Ron discover their true origins and their possible destiny as Lunerias heroes in a nearing battle Maguvark Academy is probably like Harry Potter with a twenty first century twist It has its own storyline but events such as a young child being left at the doorstep of a non magical family use of spells and attending a school for young wizards and witches might remind readers of Harry Potter The settings are also very different as Maguvark Academy takes place mostly in Cambodia rather than in the United Kingdom the two countries are very different **The Air Omen** Megan Linski,Alicia Rades,Hidden Legends,2019-10-08 Fire and Water fight back Sophia The battle for Orenda Academy has begun The Elders have spoken and the tribe is divided The only way to reverse what s happened is to take a stand We ve started a smuggling operation to help students escape the castle but it could cost us our lives The prophecy is about to come true and we re desperate to change the course of this war The Air piece of the prophecy is our last hope If we don t find it we won t know what s coming or how to prevent the end Liam The tribe s darkest hour has come Students labeled as weak have been subject to persecution Sophia and I are no exception The Elders consider us a threat but they don t know just how great of a threat we are An underground revolution is taking place My father has set out to undermine the Elders and he s asked for my help Information is needed and to get it I ll have to become a spy and risk execution In the middle of it all I m about to pop the question I just hope I survive long enough to ask Sophia to marry me The race to stop the prophecy becomes more crucial as Liam and Sophia s world falls under a dictatorship Forbidden love is put at risk as espionage secrets and murder threaten to bring the end to the Elementai forever
