Hirohito An Intimate Portrait Of The Japanese Emperor:

Hirohito Osanaga Kanroji,1975 **Emperor Hirohito and Showa Japan** Stephen Large,2013-01-11 Emperor Hirohito reigned for more than sixty years yet we know little about him or the part he really played in the turbulent history of Showa Japan Stephen Large draws on a wide range of Japanese and Western sources in his study of Emperor Hirohito s political role in Showa Japan 1926-89 This analysis focuses on key events in his career such as the extent to which he bore responsibility for Japanese aggression in the Pacific in 1941 and explains why Hirohito remains such a contested symbol in Japanese post war politics The Emperors of Modern Japan Ben-Ami Shillony,2008-10-15 The Japanese emperors a peculiar and unique phenomenon in modern times are the subject of this important handbook edited by Ben Ami Shillony An international team of leading scholars looks at these emperors Meiji Mutsuhito Taisho Yoshihito Shōwa Hirohito and the present emperor Akihito both as personalities and as a constantly developing institution It becomes clear that both the personalities and the periods in which they reigned have shaped Japanese monarchy and our image of it The essays thoroughly deal with topics such as the ideology behind the institution the roles of the emperors and their wives their visual representation their links to Christianity the antagonism they called forth in right wing circles Hirohito s much debated war responsibility and the controversy over amending the succession rules **The Yamato Dynasty** Sterling Seagrave,Peggy Seagrave,2001-08-14 In *The Yamato Dynasty* Sterling Seagrave who divulged the secrets of Mao Tse tung and the ruthlessness of Chiang Kai shek in the New York Times bestseller *The Soong Dynasty* and his wife and longtime collaborator Peggy present the controversial never before told history of the world s longest reigning dynasty the Japanese imperial family from its nineteenth century origins through today In the first collective biography of both the men and women of the Yamato Dynasty the Seagraves take a controversial comprehensive look at a family history that crosses two world wars the bombing of Hiroshima and Nagasaki the American occupation of Japan and Japan s subsequent phoenix like rise from the ashes of the Second World War *The Yamato Dynasty* tells the story of the powerful men who have stood behind the screen the shoguns and financiers controlling the throne from the shadows taking readers behind the walls of privilege and tradition and revealing in uncompromising detail the true nature of a dynasty shrouded in myth and legend *Emperor Hirohito and the Pacific War* Noriko Kawamura,2015-11-02 This reexamination of the controversial role Emperor Hirohito played during the Pacific War gives particular attention to the question If the emperor could not stop Japan from going to war with the Allied Powers in 1941 why was he able to play a crucial role in ending the war in 1945 Drawing on previously unavailable primary sources Noriko Kawamura traces Hirohito s actions from the late 1920s to the end of the war analyzing the role Hirohito played in Japan s expansion Emperor Hirohito emerges as a conflicted man who struggled throughout the war to deal with the undefined powers bestowed upon him as a monarch often juggling the contradictory positions and irreconcilable differences advocated by his subordinates Kawamura shows that he was by no means a pacifist but neither did he favor the reckless wars advocated

by Japan's military leaders Japan at War 1931-45 David McCormack, 2017-01-20 **The 20th Century Go-N** Frank N. Magill, 2014-03-05 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography Historical Dictionary of World War II Anne Sharp Wells, 2023-12-15 World War II was the largest and most costly conflict in history the first true global war Fought on land on sea and in the air it involved numerous countries and killed maimed or displaced millions of people both civilian and military around the world In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and the Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic This book focuses on the lesser known war the war with Japan It begins with Japan's seizure of Manchuria from China in 1931 and covers Japan's ambitious attacks on Pearl Harbor and other territories ten years later the use of atomic bombs on Japan's cities and the end of the Allied occupation of Japan in 1952 Although Japan renounced war in its 1947 constitution conflict continued across Asia as former colonies fought for independence and civil war engulfed other areas Historical Dictionary of World War II The War Against Japan Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on the military diplomatic political social economic and scientific aspects of the war in addition to the lives of the people who participated in and directed the war This book is an excellent resource for students researchers and anyone wanting to know more about the war against Japan during World War II **Enigma of the Emperors** Ben-Ami Shillony, 2021-10-01 This important new and original study on the institution of the Japanese emperors from their mythological beginnings to the present day focuses on the enigma of the institution itself namely the extraordinary continuity of the Japanese dynasty which is unknown anywhere else in the world yet which is now at risk on account of more recent laws of succession The prisms through which this remarkable achievement is examined are the notions of divinity gender and subservience The volume is divided into nine sections Strange Survival The Feminine Beginnings of the Japanese Monarchy Empresses and Consorts Subservience as Power Rising Fortunes in an Era of Peace Meiji the National Father Figure The Elusive Divinity of the Modern Emperors Return to Sacred Subservience Continuity in Danger Based on earlier research first published in Japanese Haha Naru Tenno Enigma of the Emperors adds significantly to the existing corpus of work on this subject addressing many traditional preconceptions and misconceptions along the way Accordingly it will undoubtedly be welcomed within scholarly circles as well as being of particular interest to a wider

readership not least because of its relevance in the context of the major contemporary issues surrounding the future of the dynasty in the twenty first century **Concise Dictionary of Modern Japanese History** Janet Hunter,1984 This is a concise reliable guide to the people places events and ideas of significance from the Meiji Restoration to the present
