they can do no wrong Mothers want to protect their children usually more than they want to protect themselves Are there mothers so determined to protect their sons from the risks and dangers that the wide world presents that they would choose an astonishing solution Would such a mother be willing to take her son and regress him back to infancy back to a life of no cares no worries and no responsibilities Such a world would pose far fewer risks to a teenage boy on the cusp of adulthood than venturing out on his own Amanda is such a woman Her son is about to strike out on his own and he is woefully unprepared He is small for his age immature and ignorant of the dangers outside his home And so she takes on the challenge of turning Daniel back into a baby And she has one obvious entry point Daniel had wet his bed until only a few years prior It would be easy to start that process again and then the solution was obvious Nappies and Plastic pants The rest would follow on

BABY LOVE Victoria Pade, 2013-08-15 Surprise Cowboy You're a Daddy Rancher Ry McDermot was pretty tight lipped about the tot he'd brought home So the only thing Tallie Shanahan knew for sure was that he needed a temporary nanny And she was powerless to resist strong sexy Ry or his chubby faced little darlin Soon after
