His Promised Land:

His Promised Land John P. Parker, 1996 Risking his own life on many occasions John P Parker former slave and conductor on the Underground Railroad helped fugitive slaves to cross the Ohio River from Kentucky and go north to freedom In his autobiography Parker tells his compelling story as a slave seeking escape and then as a free man aiding others fighting his own personal war on slavery Jonathan Yardley Washington Post Optioned for film by TriStar for Jonathan Demme Photos Copyright Libri GmbH All rights reserved His Promised Land Stuart Seely Sprague, 1998-01-06 Surpasses all previous slave narratives Usually we need to invent our American heroes With the publication of Parker s extraordinary memoir we seem to have discovered the genuine article Joseph J Ellis Civilization In the words of an African American conductor on the Underground Railroad His Promised Land is the unusual and stirring account of how the war against slavery was fought and sometimes won John P Parker 1827 1900 told this dramatic story to a newspaperman after the Civil War He recounts his years of slavery his harrowing runaway attempt and how he finally bought his freedom Eventually moving to Ripley Ohio a stronghold of the abolitionist movement Parker became an integral part of the Underground Railroad helping fugitive slaves cross the Ohio River from Kentucky and go north to freedom Parker risked his life hiding in coffins diving off a steamboat into the river with bounty hunters on his trail and his own freedom to fight for the freedom of his people *His Story* Stuart Hacking, 2014-08-18 We all love stories whether printed passed down orally from generation to generation or made into films We love stories whether they are fictional true mythical or legendary Stories are part of our human history and they help us understand being human But there is one story that underpins all other stories the story of why we exist All great human stories must interact with this story His Story explores this fundamental story by retelling the story of the Bible His Story tells the Biblical story of how God has opened up a doorway into our universe and how this impacts the metanarrative of all of our lives If you want to read the overarching story of the Bible in one short book then His Story is for you If you want to know the backstory of your life His Story is for you His Story is simply written but doesn t oversimplify It is a book for people who might call themselves Christians but also for all those who are curious about the ultimate story His Story the story of why we are here *Created to Rule* Grace Johnson, 2006-06 In this book Johnson diligently shows how subduing the three realms of the earth will bring readers into wealth Wealth creation for God s Kingdom is the main focus of this book *Just Wait 'Til Your Daddy Gets Home* Stephen Samuel Lomax, 2013 This book reaches the soul Reading it will impact your life in such a positive way Minister Isaiah D Thomas Baltimore Maryland 2007 Stellar award winner song I will bless the Lord A. E. Housman NA NA, 2016-04-30 This collection of essays was conceived as part of the centenary celebrations of the first publication in 1896 of one of the most popular collections of poetry ever written A Shropshire Lad a collection never out of print in a hundred years Yet Housman was a recluse an austere classicist of great renown who devoted his academic life to the correction of ancient texts He filled his poems with the lives loves and

deaths of simple country people whose emotions are intense and often violent but lived his own life in stoic acceptance of his loveless arid existence Why his life should have been so intentionally empty of emotion raises questions about Housman's own sexuality and the relationship he had with his friend Moses Jackson and Jackson's brother Alfrederick Housman's poetry like his life is deceptively simple this volume shows some of the complex currents below the surface **In Every**

every painstakingly crafted album serves as an impassioned and literate pulse taking of a generation's fortunes. He is the foremost live performer in the history of rock and roll, a self-described prisoner of the music he loves for whom every show is played as if it might be his last. In recent decades, Puterbaugh adds, Springsteen's music developed a conscience that didn't ignore the darkening of the runaway American Dream as the country greedily blundered its way through the 1980s and into the sociocultural detritus of a new century paralysed by isolation and uncertainty. Bruce Springsteen: Cultural Studies and the Runaway American Dream reflects the significant critical interest in understanding Springsteen's resounding impact upon the ways in which we think and feel about politics, religion, gender, and the pursuit of the American Dream. By assembling a host of essays that engage in interdisciplinary commentary regarding one of Western culture's most enduring artistic and socially radicalizing phenomena, this book offers a cohesive intellectual and often entertaining introduction to the many ways in which Springsteen continues to impact our lives by challenging our minds through his lyrics and music.

The Healing Power of Self Love Oscar Bamwebaze Bamuhigire, 2009-02-06. In the field of alcoholism and drug addiction, treatment there have always been questions for which there were no satisfactory answers. Is substance abuse a problem of discipline or a disease? Why is it that most alcoholics/drug addicts do not seek for or receive treatment? Why is it that only 5-10% of alcoholics/drug addicts respond to treatment? Why do untreated addicts have a better chance at breaking the bond of addiction than addicts who get treated? Why has the incidence of recovery without the help of formal treatment continued to rise? Are the successes of Alcoholics Anonymous A.A. nothing more than spontaneous remission? Why are some people able to quit their addiction without treatment while others only get worse after treatment? Why does treatment have a negative effect? Why are some treatment programs more effective than others? Why has the world continued to experience a steady increase in the rate of addiction and self-destruction? Why is it that 1 in 2 Americans has a diagnosable mental disorder each year and 81 Americans commit suicide every day? Why do non-Hispanic blacks bear a disproportionate burden of disease, injury, death, and disability? Why do the most successful treatment programs for addicts have a spiritual component? Why do non-white people suffer from a high rate of substance abuse and self-destruction? Why does Africa have the highest rate of suicide, poverty, and disease in the world? Why are some treatment programs more effective than others? Etc. In a unique blend of psychology, psychiatry, metaphysics, medicine, orient, and western religions, The Healing Power of Self Love provides answers to these and many more questions. In making its revolutionary contribution to the scientific world, it also explains how addicts can enhance their chances of recovery from addiction through the treatment programs of their choice by utilizing the ancient tools of discipline, lateral thinking, and insight from the life experiences of the world's greatest leaders. Even though this book

was initially designed to meet the needs of alcoholics and drug addicts in treatment it may be of great value to people who are struggling with other types of addiction and to those who are faced with major obstacles to their self realization or self actualization **Behold the King** Lora Mae Miller,2021-10-05 While at a conference at O R U Oral Roberts gave a sermon where he named Jesus in every book of the Bible Lora was fascinated at the concept At the prompting of the Holy Spirit she painted a portrait of Jesus for every book of the Bible Friends encouraged her to share some of the wonderful experiences with the Holy Spirit thus Behold the King became a reality **Everybody's Magazine** ,1913 **The New Dimension of International Terrorism** Stefan M.
