**Celebration of Maine Children's Books** Lynn Plourde,Paul Knowles,1998 *The Autobiography of Joshua Chamberlain* Joshua Chamberlain,2024-11-05 Joshua Chamberlain has become a pop culture icon and his regiment is now the most famous small military unit in American history A major focus of *The Killer Angels* the largest selling Civil War novel of all time save *Uncle Tom's Cabin* and two major motion pictures *Gettysburg* and *Gods and Generals* the story of the 20th Maine has become legendary particularly their effort to defend the Union Army's position on Little Round Top at the Battle of Gettysburg According to filmmaker Ken Burns it was the story of Chamberlain as told in the novel *The Killer Angels* that inspired him to create his masterpiece nine part documentary film *The Civil War In 1890s* at the encouragement of friends Chamberlain wrote an autobiography covering his life from childhood to just before he joined the army in 1862 He stopped there because by then he had written so many speeches and essays about his life in the army that there was no point in telling that part of his life story again Assembled here and annotated are that original 1890s manuscript along with essays he wrote about the three most significant battles of his military experience Fredericksburg Gettysburg and Petersburg as well as the story of the surrender ceremony for the Confederate Army at Appomattox which he commanded *The Brigade: A History, Its Organization and Employment in the US Army* ,2004 This work provides an organizational history of the maneuver brigade and case studies of its employment throughout the various wars Apart from the text the appendices at the end of the work provide a ready reference to all brigade organizations used in the Army since 1917 and the history of the brigade colors *Blue & Gray Magazine* ,1999 *Bulletin of Bibliography* ,2000 *Life and Services of Gen. John A. Logan* George Francis Dawson,1887 *Soul of the Lion* Willard Mosher Wallace,1960 *Soul of the Lion* fills the last big gap in Civil War biography It is extraordinary that no previous life of General Joshua Lawrence Chamberlain the hero of Little Round Top at Gettysburg has previously appeared for Chamberlain was a truly great fighting general There are many who hold that Chamberlain's defense of Little Round Top turned the tide at Gettysburg and thus saved the Union Chamberlain was born a soldier but he planned originally to be a missionary A graduate of Bangor Theological Seminary he was an instructor in religion at Bowdoin College when the Civil War broke out and he discovered his true vocation His career was one of exceptional gallantry He was an officer always in the thick of battle Fourteen horses were shot under him and finally he was terribly wounded yet recovered to fight in the closing campaigns of the War He was designated to receive the surrender of the Confederate infantry after the Appomattox meeting of Grant and Lee and he played the role with magnanimity Chamberlain's peacetime career was no less notable Four times he was elected Governor of the State of Maine and has made

a good governor Then he became president of Bowdoin College and instituted there a progressive educational policy declaring that we must also take hold of which we call science and which makes knowledge power In 1880 Chamberlain unarmed and alone faced down at Augusta the capital of Maine a mob that threatened to kill him With magnificent courage he said I am here to see that the laws of this state are put into effect I am here for that and I shall do it If anybody wants to kill me for it here I am Chamberlain was a State of Maine man to the marrow of his bones He was born on a farm at Brewer Maine where today a big bridge is named after him he was Maine educated he served with Maine regiments he was active in Maine politics and president of Bowdoin Maine s great college he closed his life of service by acting as Port Surveyor at Portland Book jacket *General Grant and the Verdict of History* Frank P Varney,2023-03-10 General Ulysses S Grant is best remembered today as a war winning general and he certainly deserves credit for his efforts on behalf of the Union But has he received too much credit at the expense of other men Have others who fought the war with him suffered unfairly at his hands General Grant and the Verdict of History Memoir Memory and the Civil War explores these issues Professor Frank P Varney examines Grant s relationship with three noted Civil War generals the brash and uncompromising Fighting Joe Hooker George H Thomas the stellar commander who earned the sobriquet Rock of Chickamauga and Gouverneur Kemble Warren who served honorably and well in every major action of the Army of the Potomac before being relieved less than two weeks before Appomattox and only after he had played a prominent part in the major Union victory at Five Forks In his earlier book General Grant and the Rewriting of History Dr Varney studied the tempestuous relationship between Grant and Union General William S Rosecrans During the war Rosecrans was considered by many of his contemporaries to be on par with Grant himself today he is largely forgotten Rosecrans s star dimmed argues Varney because Grant orchestrated the effort Unbeknownst to most students of the war Grant used his official reports interviews with the press and his memoirs to influence how future generations would remember the war and his part in it Aided greatly by his two terms as president by the clarity and eloquence of his memoirs and in particular by the dramatic backdrop against which those memoirs were written our historical memory has been influenced to a degree greater than many realize It is beyond time to return to the original sources the letters journals reports and memoirs of other witnesses and the transcripts of courts martial to examine Grant s story from a fresh perspective The results are enlightening and more than a little disturbing *Life and Public Services of Gen. John A. Logan as Soldier and Statesman* George Francis Dawson,1887 *Sprague's Journal of Maine History* ,1914 **A History and Description of New England, General and Local** Austin Jacobs Coolidge,John Brainard Mansfield,1859 *A Distant War Comes Home* Donald A. Beattie,Rodney Cole,Charles Waugh,1991-01-01 Drawing upon original sources and published material *A Distant War Comes Home* is a fascinating survey of the many individual stories that linked Maine with the war hundreds of miles away **The Cambridge Illustrated History of Warfare** Geoffrey Parker,2021-08-05 The new edition of *The Cambridge Illustrated History of Warfare* written and updated by a team of nine

distinguished military historians examines how war was waged by Western powers across a sweeping timeframe beginning with classical Greece and Rome moving through the Middle Ages and the early modern period down to the wars of the twenty first century in Afghanistan Iraq and Syria The book stresses five essential aspects of the Western way of war a combination of technology discipline and an aggressive military tradition with an extraordinary capacity to respond rapidly to challenges and to use capital rather than manpower to win Although the focus remains on the West and on the role of violence in its rise each chapter also examines the military effectiveness of its adversaries and the regions in which the West s military edge has been and continues to be challenged

Medical Histories of Union Generals Jack D. Welsh, 2005 During the Civil War the majority of the 583 Union generals studied here were afflicted by disease injured by accidents or suffered wounds This book includes a glossary of medical terms as well as a sequence of medical events during the Civil War listing wounds accidents and deaths
