Hispanic Americans A Statistical Sourcebook 2004:

Hispanic Americans Information Publications, 2005-07 *Hispanic Americans A Statistical Sourcebook* is a comprehensive annual statistical reference book. Drawing on the vast information resources of the federal government, it culls the most vital and current facts available on Hispanic Americans and presents them clearly and understandably. Each book is logically organized into chapters, and each chapter contains uniformly formatted tables. Explanatory material appears at the bottom of every table, identifying the parameters of the data and supplying a full bibliographic citation. Each book contains a complete introduction, a glossary defining all specialized terms, and a detailed table of contents and comprehensive index to ensure quick access to all material. The books are updated annually. Each provides detailed, easy-to-use tables on Social characteristics of family households, interracial couples, farm, metropolitan area, residence, living arrangements of children, Demographics, population of the fifty largest metropolitan areas, population by age and sex, population projections, population by state of residence, Education, school enrollment and teachers, SAT, high school completion, educational attainment, number of degrees conferred, Vital Statistics, health insurance coverage, births, deaths, life expectancy, usage of drugs, alcohol, and cigarettes, Crime, prison population, drug usage in prisons, prisoners under sentence of death, Labor, Employment, employment, unemployment by age and sex, employment by occupation and industry, union membership, Earnings, Income, Poverty, mean and median income, income by source and type of income, wages and salaries, housing, affordability. **Hispanics and the**

U.S. Political System Chris Garcia, 2015-12-22 As the Hispanic population in the U.S. grows, so too does its influence. The general election in 2000 marked an era of increased influence and awareness by Hispanics in politics, both as voters and politicians. While it is clear that Latinos are influencing and changing politics, the impact on politics in the U.S. is still not clear. Authored by leading scholar F. Chris Garcia and Gabriel Sanchez, *Hispanics and the U.S. Political System: Moving into the Mainstream* focuses on the historical, contemporary, and future role of Hispanics in the United States. **The Perennial**

Struggle Michael Lemay, 2016-12-05 *The Perennial Struggle* integrates the richness of insight the various social science perspectives offer to the study of ethnic and racial relations into a consistent viewpoint. *The Perennial Struggle* is about race, ethnic and minority group relations, and how they interact in group politics in the United States. Understanding these relationships is critical to understanding American society in general and American politics in particular. The United States is a nation of nations; it receives more immigrants to its shores by far than does any other nation of the world. The authors wrote this book to integrate the various perspectives of the social science disciplines into courses such as Race and Racism, Roots of American Racism, and Minority Group Politics in the United States. If American society is to avoid the woes of a Darfur, Bosnia, Kosovo, Northern Ireland, or Rwanda, or even to prevent the development of separatist movements as in French-speaking Canada, we need to better understand the perennial struggle of ethnic relations and its impact on politics and policy. We need to understand the history, contribution, and special problems of particular and often exemplary minority groups in American

society In short we need to understand the how and the why of their perennial struggle

Handbook of Research on Educational Leadership for Equity and Diversity Linda C. Tillman, James Joseph Scheurich, 2013-08-21 The rapid growth of diversity within U S schooling and the heightened attention to the lack of equity in student achievement school completion and postsecondary attendance has made equity and diversity two of the principle issues in education educational leadership and educational leadership research The Handbook of Research on Educational Leadership for Equity and Diversity is the first research based handbook that comprehensively addresses the broad diversity in U S schools by race ethnicity culture language gender disability sexual identity and class The Handbook both highly values the critically important strengths and assets that diversity brings to the United States and its schools yet at the same time candidly critiques the destructive deficit thinking biases and prejudices that undermine school success for many groups of students Well known chapter authors explore diversity and related inequities in schools and the achievement problems these issues present to school leaders Each chapter reviews theoretical and empirical evidence of these inequities and provides research based recommendations for practice and for future research Celebrating the broad diversity in U S schools the Handbook of Research on Educational Leadership for Equity and Diversity critiques the inequities connected to that diversity and provides evidence based practices to promote student success for all children

Latinos and American Law Carlos R. Soltero,2009-06-03 To achieve justice and equal protection under the law Latinos have turned to the U S court system to assert and defend their rights Some of these cases have reached the United States Supreme Court whose rulings over more than a century have both expanded and restricted the legal rights of Latinos creating a complex terrain of power relations between the U S government and the country s now largest ethnic minority To map this legal landscape *Latinos and American Law* examines fourteen landmark Supreme Court cases that have significantly affected Latino rights from *Botiller v Dominguez* in 1889 to *Alexander v Sandoval* in 2001 Carlos Soltero organizes his study

chronologically looking at one or more decisions handed down by the Fuller Court 1888 1910 the Taft Court 1921 1930 the Warren Court 1953 1969 the Burger Court 1969 1986 and the Rehnquist Court 1986 2005 For each case he opens with historical and legal background on the issues involved and then thoroughly discusses the opinion s rendered by the justices He also offers an analysis of each decision s significance as well as subsequent developments that have affected its impact Through these case studies Soltero demonstrates that in dealing with Latinos over issues such as education the administration of criminal justice voting rights employment and immigration the Supreme Court has more often mirrored rather than led the attitudes and politics of the larger U S society **Brown-Eyed Leaders of the Sun** Frank

Hernandez,Elizabeth T. Murakami,2016-04-01 This volume focuses on the important relationship between racial and ethnic identity and requirements for Latino a educational leaders today As the racial and ethnic diversity of communities continues to rise there is an increasing need for the diversification of school leaders who can improve student success retention engagement and successful academic achievement This entails a deeper understanding about the role definitions of leadership among communities of color leadership succession the importance of gender ethnic differences as well as methods for recruitment retention and development of school administrators and other school leaders of color in education Latina o school leaders their personal histories leadership challenges related to gender and race contributions roles responsibilities and career aspirations both personal and organizational are undocumented in the school leadership research A study of Latina o leaders that examines leadership experiences the relationship between leadership and identity and career aspiration offers important dimensions for the field of educational leadership For these reasons examining Latina os and school leadership is both timely and relevant to our K 12 schools educational leadership programs and changing demographics The secondary purpose of this publication is to enrich the preparation of school administrators of color as to the skills and knowledge necessary to serve the needs of students in contemporary times *Hispanic Americans* ,2008 **Black Stats**
