**A History of Latin America to 1825** , 2009-12-21 The updated and enhanced third edition of A History of Latin America to 1825 presents a comprehensive narrative survey of Latin American history from the region s first human presence until the majority of Iberian colonies in America emerged as sovereign states c 1825 This edition features new content on the history of women gender Africans in the Iberian colonies and pre Columbian peoples Includes more illustrations to aid learning over 50 figures and photographs several accompanied by short essays Concentrates on the colonial period and earlier expanding coverage of the period and incorporating more social and cultural history with the political narrative Part of The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production

**The Cambridge Ancient History** , 1970 [The History of Anti-Semitism, Volume 2](#) Léon

Poliakov, 2003-10-05 A scholarly but eminently readable tracing of the sources and recurring themes of anti-Semitism *The Routledge Companion to the Hispanic Enlightenment* Elizabeth Franklin Lewis, Mónica Bolufer Peruga, Catherine M. Jaffe, 2019-09-30 The Routledge Companion to the Hispanic Enlightenment is an interdisciplinary volume that brings together an international team of contributors to provide a unique transnational overview of the Hispanic Enlightenment integrating

both Spain and Latin America Challenging the usual conceptions of the Enlightenment in Spain and Latin America as mere stepsisters to Enlightenments in other countries the Companion explores the existence of a distinctive Hispanic Enlightenment The interdisciplinary approach makes it an invaluable resource for students of Hispanic studies and researchers unfamiliar with the Hispanic Enlightenment introducing them to the varied aspects of this rich cultural period including the literature visual art and social and cultural history

Sailors, Statesmen and the Implementation of Naval Strategy Agustín Guimerá, Richard Harding, Agustín Guimerá Ravina, 2024 Explores the varied relationship between political leaders and naval experts from the 16th to 21st centuries The shaping of national defence strategies is particularly difficult in the case of navies Few political leaders have naval experience in contrast to the case of armies where political leaders and army commanders have often shared similar social and professional backgrounds Bringing together historical examples from Britain the United States Spain and France the book provides insights into this key relationship The authors highlight factors which have made for successful relationships between political leaders and naval experts showing how changing circumstances have affected the dialogue and underlines the importance of good exchange of knowledge expertise and understanding for successful policy making and strategic outcomes Sea power continues to be crucial in the present world s increasingly unstable geopolitical situation the mutual exchange of expertise between naval experts and political leaders is as important as ever and the risk of political sea blindness remains high This book s historical examples provide good guidance on how to manage the relationship between political leaders and naval experts well

**The Cambridge Ancient History (Fascicle)** G. Daniel, J. D. Evans, 1967-05-02 *Routledge Library Editions: Muslim Spain* Various, 2016-07-01 This three volume set of previously out of print titles closely examines three key aspects of Muslim Spain the Muslim conquest and settlement together with its political and economic administration spirituality in the region and El Cid and the Spanish reconquest Together they form an important overview of the period and the region

**"Lazy, Improvident People"** Ruth MacKay, 2018-07-05 Since the early modern era historians and observers of Spain both within the country and beyond it have identified a peculiarly Spanish disdain for work especially manual labor and have seen it as a primary explanation for that nation s alleged failure to develop like the rest of Europe In

Lazy Improvident People the historian Ruth MacKay examines the origins of this deeply ingrained historical prejudice and cultural stereotype MacKay finds these origins in the ilustrados the Enlightenment intellectuals and reformers who rose to prominence in the late eighteenth century To advance their own patriotic project of rationalization and progress they disparaged what had gone before Relying in part on late medieval and early modern political treatises about vile and mechanical labor they claimed that previous generations of Spaniards had been indolent and backward Through a close reading of the archival record MacKay shows that such treatises and dramatic literature in no way reflected the actual lives of early modern artisans who were neither particularly slothful nor untalented On the contrary they behaved as citizens and their work was seen as dignified and essential to the common good MacKay contends that the ilustrados profound misreading of their own past created a propagandistic myth that has been internalized by subsequent intellectuals MacKay's is thus a book about the notion of Spanish exceptionalism the ways in which this notion developed and the burden and skewed vision it has imposed on Spaniards and outsiders Lazy Improvident People will fascinate not only historians of early modern and modern Spain but all readers who are concerned with the process by which historical narratives are formed reproduced and given authority

*Mater dolorosa* José Álvarez Junco, 2010-07-15 José Álvarez Junco analiza en esta obra el proceso de construcción de la identidad española a lo largo del siglo XIX Álvarez Junco ha escrito un libro definitivo Javier Tusell La idea de España previamente formada alrededor de la monarquía y el catolicismo se vio afianzada a principios de la edad contemporánea con la llamada guerra de independencia contra los franceses y las elites intelectuales emprendieron a continuación su construcción cultural en términos que se adaptaban a la era de las naciones Sin embargo esta tarea se vio obstaculizada muy pronto a causa de la continua inestabilidad política el atraso económico la pérdida del imperio y la inexistencia de amenazas exteriores A estos factores se añadieron además la carencia de un sistema educativo y un servicio militar verdaderamente nacionales aparte de los interminables debates en que se enzarzaron liberales y conservadores sobre el sentido y la orientación política de la identidad española La derrota en la guerra cubana de 1898 que cerró el siglo provocó una última crisis de identidad de la que surgieron los proyectos nacionalistas alternativos Reseñas Álvarez Junco es un historiador que ha abordado y siempre con maestría algunos fenómenos esenciales de la historia española el anarquismo el populismo el nacionalismo y la relación entre visión del pasado y construcción de identidad José Andrés Rojo Babelia Este libro es un buen instrumento para conocer en profundidad los antecedentes históricos de muchos de los problemas actuales Rogelio López Blanco El Cultural de El Mundo Un espléndido libro sobre el nacimiento del nacionalismo español en el siglo XIX Luis Berenguer El País *Mater Dolorosa* se alía un antes y un después un momento de madurez necesaria por parte de un historiador con una larga trayectoria Una contribución ejemplar y generosa Josep Mar a Fradera Revista de Libros [A Comparative History of Literatures in the Iberian Peninsula](#) Fernando Cabo Aseguinolaza, Anxo Abuín González, César Domínguez, 2010-05-26 A Comparative History of Literatures in the Iberian Peninsula is the second comparative history of a new subseries with a

regional focus published by the Coordinating Committee of the International Comparative Literature Association As its predecessor for East Central Europe this two volume history distances itself from traditional histories built around periods and movements and explores from a comparative viewpoint a space considered to be a powerful symbol of inter literary relations Both the geographical pertinence and its symbolic condition are obviously discussed when not even contested Written by an international team of researchers who are specialists in the field this history is the first attempt at applying a comparative approach to the plurilingual and multicultural literatures in the Iberian Peninsula The aim of comprehensiveness is abandoned in favor of a diverse and extensive array of key issues for a comparative agenda A Comparative History of Literatures in the Iberian Peninsula undermines the primacy claimed for national and linguistic boundaries and provides a geo cultural account of literary inter systems which cannot otherwise be explained *Republicanism and Anticlerical Nationalism in Spain* E. Sanabria, 2009-03-30 This book analyzes attempts by radical Spanish republicans to construct an anticlerical nationalist vision of Spain focusing in particular on the mass production by the anticlerical industry of newspapers novels poems cartoons posters postcards and plays put out by republican muckrakers journalists and politicians
