Goodrich, 2021-04-21 From the man shipped home in a rum barrel to the most dangerous woman in America Chicago history comes to life in these tantalizing tales Living Landmarks of Chicago goes beyond the what when and where to tell the how and why of fifty Chicago landmarks More than a book about architecture these are stories of the people who made Chicago and many of its most popular tourist attractions what they are today Each chapter is a vignette that introduces the landmark and brings it to life and the book is organized chronologically to illustrate the development of the city s distinct personality These fifty landmarks weave an interconnected tale of Chicago between 1836 and 1932 and beyond History lines Chicago s sidewalks Stroll down LaSalle or Dearborn or State and you ll see skyscrapers that have been there for a century or more It s easy to scurry by to dismiss the building itself but a hunt for placards turns up landmarks every few feet it seems Here s a Chicago landmark there s a

National Historic landmark They re everywhere Ironically these skyscrapers keep the city grounded they illustrate a past where visionaries took fanciful impossible ideas and made them reality Buildings sinking Raise them River polluting the lake and its precious drinking water Reverse it Overpopulation and urban sprawl making it challenging to get to work Build up From the bare to the ornate from exposed beams to ornamented facades the city s architecture is unrestrainedly various yet provides a cohesive beautiful skyline that illustrates the creativity of necessity and the necessity of creativity After a sound bite history of the city s origins you ll meet the oldest house in Chicago or is it Kinda Sorta Depends on who you ask That s Chicago Nothing s simple and nothing can be taken for granted The reason the city has a gorgeous skyline and a vibrant culture and a notorious reputation for graft is because of those who built it envisioned it manipulated it Add Living Landmarks of Chicago to your cart and see what made Chicago so very Chicago *The National Register of Historic Places*, 1976 ,1976 Hidden Chicago Landmarks John R.
