Historic Clarksville 17842004:

Axis Prisoners of War in Kentucky Antonio S. Thompson, 2024-01-01 During World War II Kentuckians rushed from farms to factories and battlefields leaving agriculture throughout the state particularly the lucrative tobacco industry without sufficient labor An influx of Axis prisoners of war made up the shortfall Nearly 10 000 German and Italian POWs were housed in camps at Campbell Breckinridge Knox and other locations across the state Under the Geneva Convention they worked for their captors and helped save Kentucky s crops while enjoying relative comfort as prisoners playing sports performing musicals and taking college classes Yet friction between Nazi and anti Nazi inmates threatened the success of the program This book chronicles the POW program in Kentucky and the vital contributions the Bluegrass State made to Allied victory

The Occupation of Eliza Goode Shelley Mickle, 2013-10-01 Eliza Goode is born into a New Orleans parlor house in the mid 1800s Sold as a courtesan on her seventeenth birthday she flees her arranged future at the outbreak of the Civil War She is passed up through Mississippi s plantations from one slave quarters to another until she emerges at the Confederates Camp Corinth and is swept along to the battle of Manassas Along the way she meets Bennett McFerrin and his wife Rissa who follows her husband to war Using guile and her extraordinary beauty Eliza transforms herself from camp follower prostitute to laundress nurse and caregiver to Rissa when Bennett is taken prisoner by Ulysses S Grant at the Battle of Fort Donelson in Clarksville Tennessee Her final transformation frees her from her past Eliza s story is more than a tale of war transcendence and hardship It is a story told in modern times by Susan Masters a novelist in Boston whose cousin Hadley finds Eliza s letters in an attic and implores Susan to write Eliza s story to answer questions she seeks for her own life Hadley has a shameful secret of her own a past about which she cannot even bring herself to speak Set in the second summer of the Iraq war and three years after 9 11 this is not your usual Civil War novel This story says much about how we became who we are and who we might have become had the Civil War not saved us as a nation

The Diary of Nannie Haskins Williams Nannie Haskins Williams, 2014-04-09 In 1863 while living in Clarksville Tennessee Martha Ann Haskins known to friends and family as Nannie began a diary This document provides valuable insights into the conditions in occupied Middle Tennessee A young elite Confederate sympathizer Nannie was on the cusp of adulthood with the expectation of becoming a mistress in a slaveholding society The war ended this prospect and her life was forever changed Though this is the first time the diaries have been published in full they are well known among Civil War scholars and voice overs from them were used in Ken Burns s PBS program The Civil War Sixteen year old Nannie had to come to terms with Union occupation very early in the war Amid school assignments young friendship social events worries about her marital prospects and tension with her mother Nannie s entries also mixed information about battles neighbors wounded in combat U S Colored troops and lawlessness in the surrounding countryside Providing rare detail about daily life in an occupied city Nannie s diary poignantly recounts how she and those around her continued to fight long after the war was over to maintain their lives in a war torn community Though

numerous women s Civil War diaries exist Nannie s is unique in that she also recounts her postwar life and the unexpected financial struggles she and her family experienced in the post Reconstruction South Nannie represents a generation of young women born into a society based on slavery but who faced mature adulthood in an entirely new world of decreasing farm values increasing industrialization and young women entering the workforce From publisher description **The Civil War Letters of Sarah Kennedy** Sarah Kennedy,Minoa Uffelman,2023-04-19 Sarah Kennedy 1823 1899 was the wife of a wealthy slaveowner D N Kennedy at the outbreak of the Civil War D N Kennedy was a major supporter of secession in Tennessee who was rewarded for his devotion to the new nation with a job though vaguely defined in the Confederate Treasury Department He shipped off for Mississippi leaving Sarah Kennedy to care for six young children including a son Newty with special needs and watch over numerous slaves on a large plantation in Clarksville She was burdened by ill health both her own and her children slaves that one by one disappear under federal occupation and by the lack of consistent contact with her beloved husband owing to the Confederate mail system which comes under surprising scrutiny here Her letters are mostly about personal matters but they offer significant insight into slavery and social relations in Clarksville under occupation
