**Joseph Beaumont Wakeley**

## **John Wesley A Personal History:**

John Wesley Stephen Tomkins, 2003 Tomkins follows Wesley from his childhood at Epworth rectory through his schooling and university career at Oxford to his mission to Georgia his conversion in 1738 and finally his life as a religious leader in England Preaching in numerous villages towns and cities Wesley and his followers faced intense and savage persecution but their missions were also accompanied by extraordinary phenomena such as convulsions laughter and healings In the course of his compelling narrative Tomkins examines Wesley s relationships with key people in his life including his powerful and austere mother Susanna and his hymn writing brother Charles Tomkins also explores key issues in Wesley s life such as his renunciation of wealth and his attitude toward women concluding with an assessment of Wesley s ongoing influence both in his own country and abroad **BOOK JACKET** **The Life of John Wesley** Caleb Thomas Winchester, 1906 **Anecdotes of the Wesleys** Joseph Beaumont Wakeley, 1869 *John Wesley* Ralph Waller, 2003-05-08 May 2003 is the 300th anniversary of the birth of John Wesley This is a beautifully written biography intended for a general audience While not at all hagiographical the book leads one to admire Wesley immensely He traveled throughout the British Isles more than anyone in history Reviled early on during his plain air evangelical crusades he became deeply loved in old age by all sectors of the population While the book has a slightly British cast to it which is unavoidable given the extent of Wesley s travels throughout Britain it gives adequate coverage to his period in the American colonies **The Life of the Rev. Charles Wesley** Thomas Jackson, 1841 **The Life of John Wesley** Roy Hattersley, 2003 A synthesis of personal social and spiritual biography The Life of John Wesley sheds new light on the various influences that motivated one of the most interesting and significant figures in religious history Jacket *Life of John Wesley, 1793* John Wesley, 1992 John Wesley bequeathed his manuscripts to three trusted colleagues with the expectation that they would prepare write and publish a suitable biography after his death An ex Methodist preacher John Hampson beat them into print with an unflattering portrait of Methodism s founder The book was published in June of 1791 only three months after Wesley was buried To counter this publication Thomas Coke and Henry Moore rushed into print an authorized and more flattering account Their Life of John Wesley was first published in April 1792 and the authors had high hopes for their 542 page book By showing how faithfully zealously and prudently Wesley labored may thereby be more abundantly stimulated to be followers of him as he was of Christ A year later the first and only known American edition was published in Philadelphia by John Dickins who only three years earlier had begun the publishing house for the Methodist Episcopal Church Twenty three know editions printings kept the book available in England until 1864 We are pleased to reprint the first American printing by Philadelphia printer Parry Hall for John Dickins in 1793 A Real Christian Prof. Kenneth J. Collins, 2010-09-01 A Real Christian The Life of John Wesley fills a void in available books in Wesleyan studies by providing a brief solid biography that focuses on Wesley himself While exploring Wesley s ancestry birth death and every major biographical and theological event between Collins also explores the theme of

John Wesley's spiritual growth and maturation Wesley came to the conclusion that real Christians are those whose inward and outward lives have been transformed by the bountiful sanctifying grace of God what he termed real Christianity and this he strove to obtain for himself Real Christianity as Wesley understood it embraces both works of piety and mercy the person and the social

**John Wesley** John Henry Overton,1891 [The Life of the Rev. Charles Wesley: Comprising a Review of His Poetry; Sketches of the Rise and Progress of Methodism; with Notices of Contemporary Events and Characters](#) Thomas Jackson,1841

**Anecdotes of the Wesleys** Joseph Beaumont Wakeley,2017-10-16 Excerpt from Anecdotes of the Wesleys Illystrative of Their Character and Personal History Wesley Family John Wesley's Works particularly his Journals which contain his best biography the Arminian and Wesleyan Magazines and from hundreds of volumes and pamphlets Some of them were never published before It is singular we have books of anecdotes of poets and painters of heroes philosophers and statesmen and have hitherto had no volume of Anecdotes of the Wesleys About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**John Wesley and the Origins of Methodist Missions** Philip Wingeier-Rayo,2025-08-12 Learn how Methodism became a worldwide mission It is broadly understood that John Wesley was the founder of the Methodist movement that spread around the world in the eighteenth century He is known for being a missionary in Georgia his heart warming experience at Aldersgate field preaching and the famous quote the world is my parish It is also assumed that Wesley was a proponent of world missions and helped spread the Methodist movement around the world This study examines this assumption and after a closer look reveals John Wesley's reluctance to send missionaries overseas The book uncovers several examples of Wesley's rejection of world missions and occasions when he thwarted plans Wesley undermined the efforts of Thomas Coke the Father of Methodist Missions who wrote an appeal to send missionaries abroad John Wesley and the Origins of Methodist Missions reveals that it was unheralded lay people ordinary immigrants merchants planters soldiers enslaved persons and former slaves who carried Methodism with them to such far off places at Antigua Maryland New York Gibraltar Nova Scotia and Sierra Leone Persons such as Nathaniel Gilbert Sophia Campbell Mary Alley and Bessie started a multiracial Methodist Society in Antigua the first outside of Europe These lay people and several others were not officially commissioned or authorized by Wesley to plant Methodist societies Rather they traveled on their own motivated by the love of God and neighbor to share their faith with others It was only after these Methodist societies were established and after multiple appeals that John Wesley and the British Conference conceded to send missionaries to assist John Wesley was not anti

mission He was very missional in his context in England and his message of God's grace was at the heart of the Methodist movement Yet he was cautious and reluctant to send missionaries overseas This book offers some reasons for his hesitancy and highlights the stories challenges and successes of these pioneer men and women who spread Methodism around the world Foreword by Natalya Cherry *Studies in the Life of John Wesley (Classic Reprint)* E. B. Chappell, 2015-07-16 Excerpt from *Studies in the Life of John Wesley* WE know through the admirable labors of Mr Galton remarks Charles Darwin that genius which implies a wonderfully complex combination of high faculties tends to be inherited Perhaps scientific men to day would not be quite so confident in making this assertion as was Mr Darwin but whatever doubt there may be as to the immediate transmission from parent to child of that wonderfully complex combination of high qualities which he denominates genius it is quite certain that family traits and tendencies may be developed and handed down from generation to generation if the process be not counteracted by the introduction through intermarriage of unfavorable strains The Observation that a man's training ought to begin with his great grandmother should be so modified as to include both Of his great grandmothers and his great grandfathers too Being descended from long lines of cultured and pious ancestors on both the paternal and maternal sides is a matter of no Small import in one's life This is one of God's ways of bringing into being individuals possessed of those rare latent qualities which make it possible for them under the influence of the Holy Spirit and by wise nurture and training to develop into saints and spiritual leaders The idea that there was in some real sense a providential preparation for the coming of John Wesley does not therefore seem to me far fetched or unreasonable About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Genealogical and Personal History of Fayette County Pennsylvania** John Woolf Jordan, 1912

Robert Southey, The Life of Wesley; and the Rise and Progress of Methodism Tim Fulford, 2023-01-06 The Life of Wesley was one of Southey's most influential and bestselling works It was the first biography of John Wesley the major figure in the largest religious movement of the eighteenth century to be published by anyone beyond the Methodist community In addition it was a major history of the rise of a phenomenon that Southey and many others saw as a defining sign of contemporary history the rise of sectarianism and of religious cults This two volume edition will represent the full text of the 1820 edition It will include a comprehensive critical apparatus that will make sense of the major issues posed by the text and how it contributes to studies of both Southey and Romanticism The edition will feature a critical and contextual introduction which will set out the origins and composition of the text together with its publication history as well as offer a carefully considered

view of the interplay between the Life and other biographies of Wesley and accounts of Methodism bringing into view the wide array of sources and influences Southey drew from It will also examine the book s reception history incorporating material from reviews of the period and detailing the controversy it caused in the Methodist community

**Genealogical and Personal History of the Upper Monongahela Valley, West Virginia** Bernard Lee Butcher,2001 *The Life of the Rev. Charles Wesley ... Comprising a Review of His Poetry; Sketches of the Rise and Progress of Methodism; with Notices of Contemporary Events and Characters. (Index ... By Francis M. Jackson. 1899. [From the "Publications of the Wesley Historical Society." ]).* Thomas Jackson,1841 Genealogical and Personal History of Fayette and Greene Counties, Pennsylvania John Woolf Jordan,1912 Wesley on the Christian Life Fred Sanders,2013-08-31 It is hard to overstate the significance of John Wesley s legacy for the church today As the founder of Methodism Wesley s theology continues to fascinate historians and energize Christians across denominational lines From his revivalist enthusiasm to his teaching on Christian perfection Wesley s writings exude evangelistic zeal and a passion for faithfulness in all areas of life In addition to providing a brief biographical sketch of this leading revivalist Sanders spends equal time exploring Wesley s take on the central truths of the faith and those doctrines that uniquely characterize the Wesleyan approach to spirituality Combining history with theology this helpful introduction to Wesley s life and beliefs stands as an excellent addition to the growing Theologians on the Christian Life series *John Wesley, evangelist* Richard Green,1905
