## **John Wesley's Class Meeting A Model For Making Disciples:**

*John Wesley's Class Meeting* D. Michael Henderson, 1997 John Wesley and his Methodist preachers had weekly meetings where their parishioners could be encouraged and their spiritual growth monitored Dr Henderson shows how brilliant this idea was and how such groups would be beneficial to today's ministry

**A Model for Making Disciples** D. Michael Henderson, 2005 The evangelical revival that swept England in the mid 1700s rode on the tidal wave of small group discipleship John Wesley and his Methodist preachers expected their parishioners to attend weekly meetings where their spiritual growth could be monitored and encouraged Dr Henderson describes the genius of Wesley's class meetings and shows how similar small groups would strengthen Christian ministry today David L McKenna president emeritus of Asbury Theological Seminary calls Henderson's book a timely word for an urgent need

**Making Disciples in a World Parish** Paul W. Chilcote, 2011-04-01 In this collection of inspirational and challenging essays Methodists from around the globe reflect on the practice of disciple making in their own contexts From their own perspectives they address questions like What are the challenges you face What biblical images shape your missional practice What examples of Christian authenticity inspire your communities What gifts related to mission and evangelism do you offer the global community of faith Churches on every continent have their own stories of struggle and faithfulness Indeed each distinct community within any given region has a voice of its own that deserves to be heard The voices included in this volume belong to women and men alike Likewise they resound with the accents of Africa and Asia Latin and North America Europe and Oceania Each voice is distinct but all articulate a vision of faith made effective through love In a world characterized variously by poverty and violence as well as prosperity and peace the church must reclaim its central mission to make disciples of Jesus Christ In their effort to articulate a vision of mission and evangelism the contributors to this volume bear witness to the fact that we can no longer do this work in isolation from one another To be the ambassadors of the gospel we need each other and we need to pay attention to the voices that sound different from our own This volume takes a large step in that vital direction

*The Quest for Love Divine* Paul W Chilcote, 2024-04-25 John Wesley's impact on Methodist theology and practice is well established but there are many other early figures who shaped Methodism just as thoroughly Quest for Love Divine explores the contributions of Charles Wesley by exploring the impact of his lyrics on Methodist worship and the importance of lyrical theology in the founding of Methodism Chilcote also examines the contributions of early Methodist women such as Dorothy Fisher Mary Taft and Sarah Crosby exploring how the Wesley brothers and their community sought to inhabit faith working by love leading to holiness of heart and life In his collection of essays Chilcote explores the salient themes of Wesleyan theology and practice and reflects on its legacy in the Wesley's time and in ours By focussing on the nature of their discipleship and the centrality of love divine Chilcote brings Wesleyan theology into sharp and practical focus

**John Wesley** Kenneth J. Collins, 2003 John Wesley A Theological Journey has been nominated for a Wesleyan Theological Society Book Award Abingdon Press

would like to congratulate Kenneth Collins on this honor John Wesley remains a seminal figure not only for the people called Methodist but also within the larger Protestant tradition Understanding his theology is a requirement for understanding the development of the Western Christian tradition in the modern period In recent years much work has been done to grasp the intricacies of Wesley s theology However most of this work has been thematic in organization studying Wesley s thought according to a topical or systematic outline The weakness of this approach argues Kenneth J Collins is that it fails to demonstrate the evolution and changes of Wesley s theology What is called for is a historical presentation one that examines the development of Wesley s theology across the span of his long and eventful theological career Collins thus provides a chronological presentation of the development of Wesley s theology Drawing on an extensive examination of the primary sources and demonstrating an intimate knowledge of the different contexts and social locations in which Wesley s theology took place John Wesley A Theological Journey will be necessary reading for anyone wishing to understand the broad scope of the Methodist leader s theological development and contribution

**Wesley and Whitefield? Wesley versus Whitefield?**  
Ian J. Maddock,2018-02-28 John Wesley and George Whitefield were in many ways larger than life figures during their own lifetimes and continue to be so today Yet our ability to appreciate their abiding influence on contemporary Evangelical theology and practice is lacking if we consider them in isolation from one another Our understanding of Wesley and the legacy of his public ministry is impoverished apart from considering Whitefield and vice versa This collection of essays explores the complex dynamics at work in the Wesley Whitefield relationship spanning a variety of theological historical and pastoral facets of their full orb'd public ministries They serve as an invitation to grow in our awareness of their undoubted affinities and significant differences all the while resisting the potential allure of either uncritically ecumenical Wesley and or uncharitably partisan Whitefield versus narratives

*Change of Heart* James A. Hopwood,2023-12-13 As the United Methodist Church splinters Methodists of all stripes need to be reminded of their rich theological and cultural heritage In accessible non academic style this book introduces readers to John and Charles Wesley and the Methodist movement they founded It weaves historical and theological narrative with the personal testimony of a second career pastor who married into the United Methodist Church was led by God to seek ordination as pastor in it and remains loyal to it after thirty years of ministry The text is richly annotated with references to John Wesley s works in the hope that readers will be drawn deeper into Wesleyan spirituality Each chapter includes Six Good Questions to consider or discuss and a suggestion to read one of Six Great Sermons by Wesley

*Sanctifying Theology* Jacob Lett,Jonathan M. Platter,2023-10-30 Sanctification is not merely a practical and isolated doctrine but should permeate the whole horizon of theology dogmatics ethics practics as well as the sciences and the arts The essays are collected under the twin convictions that theology can be sanctified and sanctifying The whole of theology is inflected by holiness and so theology should aim to share in God s sanctifying work Sanctifying Theology contributes new possibilities in Wesleyan holiness theology and explores their contribution to various Christian doctrines and

contemporary issues Written in honor of the work of Thomas Arthur Noble the essays in this book are attentive to the streams of theology that have most influenced him the fathers the Wesleys and the Torrances Both constructive and exploratory the topic of the essays cover among other things 1 consideration of how Wesleyan holiness theologies contribute to ecumenical theological discussions 2 readings of Wesleyan holiness theology through the lens of the church fathers and the Torrances and 3 explorations of how these conversations and sources might shape contemporary practical and ethical concerns The essays work both for the Wesleyan tradition and from the Wesleyan tradition for the church catholic showing how recent trajectories in Wesleyan holiness theology might contribute to broader discussions **Handbuch Evangelische**

**Spiritualität** Peter Zimmerling, 2017-03-13 Das Handbuch Evangelische Spiritualität erarbeitet in drei Bänden die Vielfalt und den Reichtum evangelischer Spiritualität So werden die verschiedenen Facetten des wesentlich von Luthers Entdeckung der Rechtfertigung des Sünders allein aus Gnaden bestimmten Glaubens in das öffentliche Gespräch eingebracht und Wege zu seiner erfahrungsmäßigen Aneignung eröffnet Band 1 Geschichte widmet sich den historischen Wurzeln evangelischer Spiritualität in der Reformation und ihren unterschiedlichen Gestaltungsformen bis heute Band 2 Theologie konzentriert die evangelische Lehre auf ihre spirituelle Relevanz Band 3 Praxis entfaltet die reiche Praxis evangelischer Spiritualität in der kumene und Ortsgemeinde bis hin zu Kunst und sozialer Verantwortung Im ersten Band des Handbuches liefern renommierte Autorinnen und Autoren historische Beiträge mit Gegenwartsbezug und Praxisrelevanz An Beispielen von Personen Gruppen und Strömungen wird die evangelische Spiritualitätsgeschichte erarbeitet **Echt und stark** Thomas Härry, 2009-04-01

Christen die sich in ihrem Dienst verausgaben und gesundheitlich darunter leiden kann Thomas Härry lange Zeit nicht verstehen Bis er selbst an unerklärlichen Schmerzen und Angstattacken leidet So beginnt für ihn ein langer Prozess in dem er seinen Glauben gründlich unter die Lupe nimmt In seinem Buch erklärt der Autor einfühlsam und gut verständlich dass geistliche Reife dort entsteht wo emotionale Gesundheit und geistlicher Tiefgang zusammen kommen Er berichtet von seiner Reise zu einer Beziehung mit Gott die echt und stark ist Echt weil sie unter die Oberfläche blickt und der eigenen Vergangenheit den Schwächen und Wunden nicht länger ausweicht Stark weil der Glaube ein festes Fundament und gesunde Ausdrucksformen gefunden hat Dazu gehören die regelmäßige Bibellese das ehrliche Gebet die Abhängigkeit vom Heiligen Geist die Einbettung in tragende Beziehungen etc Ein hilfreiches Buch für alle Christen die einen ehrlichen Glauben mit Tiefgang finden wollen **Relational Discipleship** Brian Craig Drurey, 2017-03-28

God is waiting for each of us to return home In fact God is already out in the world searching and inviting each person to take the journey back to God's house Relational Discipleship Moving Back Home with God approaches discipleship from a fresh perspective and intentionally draws on biblical principles and examples of discipleship In this approach the metaphor of a house is used to describe our journey back to God Hospitality plays a key factor in how discipleship from this perspective warmly calls each person forward in each step Other modes of discipleship are solely focused on transformation of the disciple Here in this model the

transformation of the discipler must occur first Then the discipler can be a warm host helping other travelers on the path to God s house Join in the journey today and see how Relational Discipleship offers the call to move back home with God

Table Matters Felicia Howell LaBoy,2017-11-09 In many churches the work of evangelism and social justice is relegated to clergy staff or special committees Rarely do most members of the laity believe they should or even want to engage in the tasks of evangelism and social justice In this volume LaBoy contends that participation in baptism and Eucharist mandates for all Christians and those who are Wesleyan in their orientation in particular that evangelism and social justice are not optional but in fact integral to their worship and witness She argues that this understanding and practice of the integration of sacraments evangelism and social justice are what can help churches deal with contemporary issues of decline and church disenfranchisement by both congregants and those beyond church walls LaBoy further argues that making the sacraments central to the worship life of congregations is what made early Methodists great evangelists and advocates for social justice

**The Epworth Herald** ,1899 *Early Methodist Spirituality* Paul Wesley Chilcote,2007 An anthology of writings of late 18th and early 19th century Methodist women Writings of early Methodist women have compelling stories to tell This volume puts us in touch with a lost heritage of vital spirituality that can transform lives and the church even today These selections from the writings of early Methodist women vividly illustrate the richness of women s contributions to the life of the church and the legacy of Wesleyan spirituality The religious accounts diaries and journals prayers hymns and sacred poems and narrative practical divinity brought together here for the first time provide a new vantage point from which to view the wonderful spiritual awakening of Wesley s day They reveal a way of devotion a way of living out the Christian faith that conjoins personal piety and social action conversion and growth in grace **The Christian Advocate** ,1900 **Christian**
