Irregular Citizenship, Immigration, and Deportation Peter Nyers, 2018-12-14 Deportation has again taken a prominent place within the immigration policies of nation states Irregular Citizenship Immigration and Deportation addresses the social responses to deportation in particular the growing movements against deportation and detention and for freedom of movement and the regularization of status The book brings deportation and anti deportation together with the aim of understanding the political subjects that emerge in this contested field of governance and control freedom and struggle However rather than focusing on the typical subjects of removal refugees the undocumented and irregular migrants Irregular Citizenship Immigration and Deportation looks at the ways that citizens get caught up in the deportation apparatus and must struggle to remain in or return to their country of citizenship The transformation of regular citizens into deportable irregular citizens involves the removal of the rights duties and obligations of citizenship This includes unmaking citizenship through official revocation or denationalization as well as through informal extra legal and unofficial means The book features stories about struggles over removal and return deportation and repatriation rescue and abandonment The book features eleven acts of citizenship that occur in the context of deportation and anti deportation arguing that these struggles for rights recognition and return are fundamentally struggles over political subjectivity of citizenship This book will be of interest to students and scholars of citizenship migration and security studies

The Evolution of the Global Terrorist Threat Bruce Hoffman, Fernando Reinares, 2014-10-28 Examining major terrorist acts and campaigns undertaken in the decade following September 11 2001 internationally recognized scholars study the involvement of global terrorist leaders and organizations in these incidents and the planning organization execution recruitment and training that went into them Their work captures the changing character of al Qaeda and its affiliates since the invasions of Afghanistan and Iraq and the sophisticated elements that despite the West's best counterterrorism efforts continue to exert substantial direction over jihadist terrorist operations Through case studies of terrorist acts and offensives occurring both in and outside the West the volume's contributors investigate al Qaeda and other related entities as they adapted to the strategies of Operation Enduring Freedom and subsequent U S led global counterterrorism programs They explore whether Osama bin Laden was indeed reduced to a mere figurehead before his death or continued to influence al Qaeda's global activities Did al Qaeda become a loose collection of individuals and ideas following its expulsion from Afghanistan or was it reborn as a transnational terrorist structure powered by a well articulated ideology What is the preeminent terrorist threat we face today and what will it look like in the future This anthology pinpoints the critical patterns and strategies that will inform counterterrorism in the coming decades

Farmer,2007 Presentation delivered at the U S Naval War College on September 12 2007 by Dr Bostom and Mr Coughlin Detention of Terrorism Suspects Maureen Duffy,2018-02-08 Controversial erosions of individual liberties in the name of anti terrorism are ongoing in liberal democracies The focus of this book is on the manner in which strategic discourse has been used to create accepted political narratives It specifically links aspects of that discourse to problematic and evolving terrorism detention practices that happen outside of traditional criminal and wartime paradigms with examples including the detentions at Guantanamo Bay and security certificates in Canada This book suggests that biased political discourse has in some respects continued to fuel public misconceptions about terrorism which have then led to problematic legal enactments supported by those misconceptions It introduces this idea by presenting current examples such as some of the language used by US President Donald Trump regarding terrorism and it argues that such language has supported questionable legal responses to terrorism It then critiques political arguments that began after 9 11 many of which are still foundational as terrorism detention practices evolve The focus is on language emanating from the US and the book links this language to specific examples of changed detention practices from the US Canada and the UK Terrorism is undoubtedly a real threat but that does not mean that all perceptions of how to respond to terrorism are valid As international terrorism continues to grow and to change this book offers valuable insights into problems that have arisen from specific responses with the objective of avoiding those problems going forward **Bok!** Chip Bok,2002 Has the world changed since September 11 2001 It has for at least one band of subversive operatives who scheme in the shadows to ambush politicians I m speaking of course of the small yet poorly organized cells of individuals who take advantage of the freedoms this nation provides in order to carry out their roles as political cartoonists I m one of them and this is my story I ve operated inside these borders for many years

confounding immigration officials by the simple yet elegant strategy of being born here The primary targets of my drawing have always been the leaders of my own government from city council to Congress to the president That s what cartoonists do and that s what the public expects of us But what happens when an enemy force attacks the government not with sarcasm and satire but with commercial aircraft loaded with jet fuel and destroys national landmarks in New York City and Washington D C killing thousands of people In the immediate aftermath of the September 11 attack a lot of things changed and I felt like one of them was my job description No more mucking around with Gary Condit The social security lock box was now a dead issue And while it was tempting to make something of the president s disappearing act in Air Force One on that day it s tough to attack the commander in chief when the United States itself has just been attacked This book contains a collection of my cartoons from that day forward

Seeing Ghosts Karen Engle, 2009-04-01 On September 11

more people clicked on documentary news photographs than on pornography for the first and only time in the history of the Internet reports writer David Levi Strauss The archive of images associated with the tragic events of 9 11 merits careful analysis Artist Damien Hirst has suggested that the attacks were designed to be viewed The thing about 9 11 is that it s kind of an artwork in its own right It was wicked but it was devised in this way for this kind of impact It was devised visually Starting from the tremendous fascination with images of 9 11 Karen Engle asks what in the context of a national trauma makes an image appropriate or scandalous exploring how diverse visual media have been mobilized in political projects of identification and personal narratives of empathy Focusing on themes of memory mourning and history Engle examines sculptural photographic and new media responses to the 9 11 attacks in both contemporary and historical contexts considers the public s reaction to these visual productions and suggests that earlier presentations of America at war play a pivotal role in the representations of 9 11 in both official and popular media Seeing Ghosts is a groundbreaking theoretical study of how we remember how we mourn and how images of a particular event influence our imagination of the future

From 9/11 to Terror War Douglas Kellner, 2003 The book shows how September 11 provided an opportunity for the Bush administration to push through hard right domestic and foreign policies many of which were being contested and blocked in Congress pre September 11 Visit our website for sample chapters

Lies (and the Lying Liars Who Tell Them) Al Franken, 2004-08-05 Al Franken one of America s savviest satirists has been studying the rhetoric of the Right He has listened to their cries of slander bias and even treason He has examined the Bush administration s policies of squandering our surplus ravaging the environment and alienating the rest of the world He s even watched Fox News A lot And in this fair and balanced report Al bravely exposes them all for what they are liars Lying lying liars

John Walker Lindh American Taliban Introduction

In today's digital age, the availability of John Walker Lindh American Taliban books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of John Walker Lindh American Taliban books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of John Walker Lindh American Taliban books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing John Walker Lindh American Taliban versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, John Walker Lindh American Taliban books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing John Walker Lindh American Taliban books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for John Walker Lindh American Taliban books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and

contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, John Walker Lindh American Taliban books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
