[Jesus and John Wayne: How White Evangelicals Corrupted a Faith and Fractured a Nation](#)  
Kristin Kobes Du Mez, 2020-06-23 NEW YORK TIMES BESTSELLER. The paradigm-influencing book *Christianity Today* that is fundamentally transforming our understanding of white evangelicalism in America. *Jesus and John Wayne* is a sweeping revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism, or in the words of one modern chaplain, with a spiritual badass. As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today's evangelicals might not be theologically astute, but they know their VeggieTales, they've read John Eldredge's *Wild at Heart*, and they learned about purity before they learned about sex, and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes, mythical warriors, and rugged soldiers: men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of Christian America. Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was and did what needed to be done. Challenging the commonly held assumption that the moral majority backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump, in fact, represented the fulfillment rather than the betrayal of white evangelicals' most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, *Jesus and John Wayne* shows that far from adhering to biblical principles, modern white evangelicals have remade their faith with enduring consequences for all Americans.

Lana Harvey is a reaper, and a lousy one at that. She resides in Limbo City, the modern capital of the collective afterlives, where she likes to stick it to the man, the legendary Grim Reaper himself, by harvesting the bare minimum of souls required of her. She'd much rather be hanging out with Gabriel, her favorite archangel, at Purgatory Lounge. But when a shocking promotion falls in her lap, Lana learns something that could unravel the very fabric of Eternity. If the job isn't completed, there could be some real hell to pay. If you love urban fantasy steeped in mythology, dark humor, and paranormal romance, then buckle up, buttercup. You're in for one hell of a ride.  The city with its manifold distractions and violence its invitation to intoxication and dream had long served to represent the  
 experience of modernity in works of art at the time John Schlesinger made his acclaimed urban documentary Terminus in  
 1961 To be a reader of the city was to be a reader of modern life and Schlesinger was a discriminating at times relentless  
 reader of the city throughout his career especially in his three greatest films Midnight Cowboy Sunday Bloody Sunday and  
 The Day of the Locust set in New York London and Los Angeles respectively His character driven stories evocation of the  
 significance of the everyday and insistence on ambiguities of situation and motive all qualities he was known for point to  
 literary influences that reach back to the nineteenth century and earlier The Films of John Schlesinger is not only the first  
 book to fully acknowledge those influences but also the first book to explicate the power of his art to capture the modern  
 urban experiences of becoming an adult in an atmosphere that relentlessly promotes fantasies of success and wealth of  
 coming to terms with one's national identity in the context of international politics and of attempting to transform the past  
 both personal and cultural into a viable present      John Wayne Dan Barden,2011-03-02 In this immensely captivating and  
 imaginative novel perfectly set at the intersection of fact and fiction Dan Barden superimposes the story of John Wayne on  
 the story of the Bardens a family very much like his own Frank Barden Wayne's contractor is an Irish Catholic from New York  
 who has come to California in pursuit of the American dream His wife Lillian becomes disappointed in the reality of the  
 dream and questions her faith in men like Frank and John Wayne In fictionalized episodes ranging from Wayne's first love at  
 sixteen to his deathbed conversion to Catholicism this novel offers a surprisingly intimate vision of John Wayne and tells the  
 poignant story of a family struggling to stay intact      **Film is Like a Battleground** Marsha Gordon,2017-01-04 Film is Like  
 a Battleground Sam Fuller's War Movies is the first book to focus on the genre that best defined the American director's  
 career the war film It draws on previously unexplored archival materials such as Fuller's Federal Bureau of Investigation files  
 and WWII era 16mm films to explore the director's lifelong interest in making challenging thought provoking and often  
 politically dangerous movies about war After establishing the roots of Fuller's cinematographic schooling in the trenches  
 during World War II including careful consideration of his 16mm footage of a Nazi camp at the end of that war Film is Like a  
 Battleground explores Fuller's first forays into hot war representation in Hollywood with the pioneering Korean conflict films  
 The Steel Helmet 1951 and Fixed Bayonets 1951 This pair of films introduced Fuller to his first run ins with the American  
 political machine when they triggered both FBI and Department of Defense investigations into his political sympathies and

affiliations Fuller's cold war films *Pickup on South Street* 1953 and though it veers into hot war territory *Hell and High Water* 1954 are Fuller's responses to the political pressures he had now personally experienced and resented A chapter on Fuller's representation of pre American invasion Vietnam in *China Gate* 1957 alongside his unrealized Vietnam war screenplay *The Rifle* ca late 1960s illustrates the degree to which Fuller's representation of war and nation shifted even as he continued to probe war's impossible contradictions Film is *Like a Battleground* would be incomplete without a thorough exploration of the films depicting the war Fuller personally experienced and spent a lifetime contemplating WWII *Verboten* 1959 Merrill's *Marauder* s 1962 and *The Big Red One* 1980 demonstrate Fuller's representation of a morally justifiable war Fuller's 1959 CBS television pilot *Dogface* offers a glimpse at one of Fuller's failed attempts to bring his WWII story into American living rooms The book concludes with a chapter about a documentary film made late in the director's life that returns Fuller to the actual site of the Nazi's *Falkenau* camp at which he discusses his experiences there and that powerful unforgettable footage he shot in the spring of 1945
