John Wells:

John Wells John Wells, Memorial of the Life and Character of John Wells John WELLS (Counsellor-at-Law, of New York.),1874 John Wells was born in 1770 in Cherry Valley Otsego County New York His father was Robert Wells He married in 1816 and had four children He died in 1823 John Wells John Wells,Waddington Galleries,1960 *Steam-engines ...* United States. Department of the Treasury,1839 **Wills of Richmond County, Virginia, 1699-1800** Robert Kirk Headley,1983 Richmond County wills are extant only from 1699 but the compiler of this useful work has bridged the gap by substituting information from Order Books 1692 1699 thereby extending the possibilities for genealogical enquiry The entries which consist mainly of abstracts of wills and inventories and refer to about 8 000 persons are arranged throughout the work in chronological order Memorial of the Life and Character of John Wells with Reminiscences of the Judiciary and Members of the New York Bar ... Thomas Lawrence Wells,1874 Mother Trouble Miranda J. Brady,2024-10-01 *Mother Trouble* traces white maternal angst in popular culture across a span of more than fifty years from the iconic Rosemary's Baby to anti vaxx mom memes and HGTV shows The book narrows in on popular media to think about white maternal angst as a manifestation of feminism's unrealized possibilities and continued omissions since the second wave It interrogates intersecting systems of power which make mothers and their children the most impoverished people in the world and urges a greater appreciation in academic and popular thinking of the work that mothers do The book calls for an analytical expansion beyond gender to better address the erasure of reproductive labour and especially that performed by migrants and people of colour It illustrates the continued marginalization of racialized mothers and the disproportionate amount of labour performed by all mothers in a society where their work is devalued Ultimately *Mother Trouble* reveals how the unease around white motherhood in the media has become a proxy for the troubles faced by all mothers *Post and Courier Service in the Diplomacy of Early Modern Europe* E.J.B. Allen,2012-12-06 Diplomatic negotiation of our day is a curious mix of national endeavor within the bloc concept The remnants of our nineteenth century nationalism struggles half willingly with the power that a larger continental or ideological bloc might bring In the sixteenth century men knew that the protective bloc of Christendom would not provide peace yet they were not sure that the new national states would secure it either We have much to gain from a study of diplomatic procedures and institutions in such a transitional period This monograph is based upon the great collections of published diplomatic correspondence of England France and Spain and thanks to the generosity of Dr De Lamar Jensen I have been fortunate in having at my disposal his hoard of microfilmed letters and dispatches of the leading ambassadors of the sixteenth century Of course I have not read all the diplomatic correspondence but I believe I have culled sufficient information to show and analyze the role played by the post and courier service in the diplomacy of Early Modern Europe **A History of the Attwell Family 1200-1650** Bill Attwell,2014-11-11 Set in medieval Tudor and Stuart England we discover how the family became involved with the secretive Knights Templar and then spread around the country

There were great landowners associated with Kings and Queens Some were persecuted arrested imprisoned tortured and suffered horrific executions One followed the Mayflower to New England only to fall victim to native Indians We find wonderful cases of jury fixing insurrection Lollardry murder and false imprisonment There were clandestine meetings hidden treasures forfeiture of lands and piracy against the Spanish There was a murderous monk who became personal servant to the King a Lady in Waiting to the Queen who was also the King s mistress a designer of Warships and co founder of the Royal Society We have Lords of the Manor Elizabethan Actors who knew Shakespeare and even a martyred Saint These extraordinary tales of our ancestors lives make this book compelling reading
