Merriman, the "poor White" and the Problem of the "clean-living Native" in the Cape of Good Hope, 1892-1910* Anthony Whyte, 1988 *Louis Botha* Richard Steyn, 2018-09-17 In *A Man Apart* Richard Steyn once again brings to life a South African icon Louis Botha was the first Prime Minister of the Union of South Africa a union he did much to create in the decade after the devastation of the Anglo Boer War During the war Botha was a brilliant young Boer general who through his battlefield strategy won significant victories over the British in the early stages of the war When the weight of British arms overwhelmed the Boers Botha along with Smuts did much to encourage peace between English and Afrikaner and led the country to Union in 1910 and dominion status Botha was a big hearted and generous man who showed magnanimity in his dealings with all including former enemies He led the South African troops to victory and the capture of German South West Africa prior to this he had to put down a revolt of pro German Afrikaners At the Peace of Versailles representing South Africa he pleaded unsuccessfully for magnanimity towards the Germans Botha was a globally respected figure he and Smuts effectively operated as a double act in South Africa and on the international stage before Botha's untimely death in August 1919 at only 57 In *A Man Apart* this tragically short life is illuminated in full

Milner Richard Steyn, 2022-04-20 Alfred Lord Milner was a brilliant public servant and one of Britain's most celebrated or notorious empire builders who left an indelible imprint on the history of South Africa Sent to southern Africa to bring President Paul Kruger's obstreperous Boers to heel Milner was primarily though not solely responsible for the Anglo Boer War 1899-1902 a conflict that marked the beginning of the end of the British Empire In the aftermath of the war a determined Milner set out to reconstruct the former Boer republics but his policies stoked resentment among Afrikaners particularly in respect of language and education He left behind a coterie of young administrators the so called Kindergarten who contributed significantly to the unification of South Africa and the fostering of imperial ideals through the Round Table Movement In this biography the first by a South African Richard Steyn argues that Milner's reputation should not be defined by his eight years service in South Africa alone Despite his controversial stance on the issue of Irish Home Rule Milner's legendary administrative ability made him the obvious choice for War Secretary in Lloyd George's five man War Cabinet and Milner did much to shape the Allied victory in the First World War If his personal qualities and beliefs made him the wrong man to send to South Africa where he failed to accomplish the over ambitious goals he set himself he was the right man in a far greater international conflict

Cecil Rhodes and the Cape Afrikaners M. Tamarkin, 2020-04-03 This study of the relationship between Cecil Rhodes and the Cape Afrikaners fills many gaps in his political biography Previous biographers have rarely consulted the abundant Cape Afrikaner sources that this book refers to and which contribute to a better understanding of Rhodes political career Rhodes who appeared on the political scene of the Cape Colony in the 1880s played an important role in the shaping of the political outlook of the Cape Afrikaners during the last two decades of the century

Sir Graham Bower's Secret History of the Jameson Raid and the South African Crisis, 1895-1902 Graham Bower, 2002 **In the Shadow of Isandlwana** John Laband, Jan, 2023-10-12 Lord Chelmsford is not a bad man He is industrious and conscientious so far as his lights guide him But nature has refused to him the qualities of a great captain He has suffered much and is entitled to certain commiseration Thomas Gibson Bowles Vanity Fair General Lord Chelmsford's military career took him around the world he served in the Crimean War the Indian Mutiny and the Abyssinian Expedition before commanding the British invasion of the Zulu Kingdom in South Africa In January 1879 disaster struck when Chelmsford divided his forces at Isandlwana in the face of the enemy and the Zulu overwhelmed his camp killing more than 1 300 of its defenders Such a defeat was almost unprecedented in a Victorian colonial campaign Despite Chelmsford's later victories at Gingindlovu and Ulundi he was humiliatingly relieved of his command His responsibility for Isandlwana dogged him for the rest of his days and he would forever be associated with this historic defeat In this comprehensive new biography Anglo Zulu War specialist John Laband explores the personal character and military career of Lord Chelmsford providing a well rounded well balanced and well informed picture of this complex military figure **Class, Caste and Color** Wilmot James, 2017-09-29 This volume is the first general social and economic history of the Western Cape of South Africa Until recently this region had been largely neglected by historians because it does not occupy a central place in the national political economy Wilmot G James and Mary Simons argue that a great deal about modern South Africa has been shaped by the distinctive society and economy of the Western Cape Its history also reveals striking parallels and contrasts with other regions of the African continent The Western Cape is the only region of South Africa to have experienced slavery In this sense the Western Cape has historical traditions more akin to colonial slave societies of the Americas than to those of the rest of Africa Moreover in contrast to the rest of South Africa a proletariat emerged in the Western Cape early in its history at the start of the eighteenth century There developed a much more stable and enduring system of class and labor relations In the twentieth century these became closely enmeshed with race and status Racial paternalism and the close correlation between class caste and color have their historical roots in the Western Cape The book is arranged thematically and explores the social and economic consequences of slavery and emancipation in the eighteenth and nineteenth centuries Issues of economy and labor such as economic underdevelopment in the Western Cape the labor market and trade union organization in the twentieth century are examined The authors also treat the role of the state in shaping Western Cape society Class Caste and Color is not only a groundbreaking work in the study of South Africa but provides an agenda for future researchers It will be essential reading for historians economists and Africa area specialists *The Letters of Jane Elizabeth Waterston, 1866-1905* Jane Elizabeth Waterston, 1983 **Hidden Histories of Gordonia** Martin Legassick, 2016-04-01 The Gordonia region of the Northern Cape province has received relatively little attention from historians In Hidden Histories of Gordonia Land dispossession and resistance in the Northern Cape 1800 1990 Martin Legassick explores aspects of the generally

unknown brown and black history of the region Emphasising the lives of ordinary people his writing is also in part an exercise in applied history historical writing with a direct application to people s lives in the present Tracing the indigenous history of Gordonias as well as the northward movement of Basters and whites from the western Cape through Bushmanland to the Orange River the book presents accounts of family histories episodes of indigenous resistance to colonisation and studies of the ultimate imposition of racial segregation and land dispossession on the inhabitants of the region A recurrent theme is the question of identity and how the extreme ethnic fluidity and social mixing apparent in earlier times crystallised in the colonial period into racial identities until with final conquest came imposed racial classification **Racial**

Segregation and the Origins of Apartheid in South Africa, 1919-36 Saul Dubow, 1989-07-03 Based on extensive archival research in South Africa and drawing on the most recent scholarship this book is an original and lucid exposition of the ideological political and administrative origins of Apartheid It will add substantially to the understanding of contemporary South Africa Diamonds, Gold, and War (Volume 2 of 2) (EasyRead Super Large 18pt Edition) , *The Burden of White Supremacy* David C. Atkinson, 2016-10-25 From 1896 to 1924 motivated by fears of an irresistible wave of Asian migration and the possibility that whites might be ousted from their position of global domination British colonists and white Americans instituted stringent legislative controls on Chinese Japanese and South Asian immigration Historians of these efforts typically stress similarity and collaboration between these movements but in this compelling study David C Atkinson highlights the differences in these campaigns and argues that the main factor unifying these otherwise distinctive drives was the constant tensions they caused Drawing on documentary evidence from the United States Great Britain Australia Canada South Africa and New Zealand Atkinson traces how these exclusionary regimes drew inspiration from similar racial economic and strategic anxieties but nevertheless developed idiosyncratically in the first decades of the twentieth century Arguing that the so called white man s burden was often white supremacy itself Atkinson demonstrates how the tenets of absolute exclusion meant to foster white racial political and economic supremacy only inflamed dangerous tensions that threatened to undermine the British Empire American foreign relations and the new framework of international cooperation that followed the First World War The Cultivation of Hatred: The Bourgeois Experience: Victoria to Freud Peter Gay, 1993-09-17 With the same sweep authority and originality that marked his best selling Freud A Life for Our Time Peter Gay here takes us on a remarkable journey through middle class Victorian culture Gay s search through middle class Victorian culture illuminated by lively portraits of such daunting figures as Bismarck Darwin and his acolytes George Eliot and the great satirists Daumier and Wilhelm Busch covers a vast terrain the relations between men and women wit demagoguery and much more We discover the multiple ways in which the nineteenth century at once restrained aggressive behavior and licensed it Aggression split the social universe into insiders and outsiders By gathering up communities of insiders Professor Gay writes the Victorians discovered only too often invented a world of strangers beyond the pale of individuals and classes races and

nations it was perfectly proper to debate patronize ridicule bully exploit or exterminate The aggressions so channeled or bottled could not be contained forever Ultimately they exploded in the First World War **The Cultivation of Hatred** Peter Gay,1993 **Community and Conscience** Gideon Shimoni,2003 The first thorough account of South African Jewish religious political and educational institutions in relation to the apartheid regime **The Creation of Tribalism in Southern Africa** Leroy Vail,1991-01-07 Despite a quarter century of nation building most African states are still driven by ethnic particularism commonly known as tribalism The stubborn persistence of tribal ideologies despite the profound changes associated with modernization has puzzled scholars and African leaders alike The bloody hostilities between the tribally oriented Zulu Inkhata movement and supporters of the African National Congress are but the most recent example of tribalism s tenacity The studies in this volume offer a new historical model for the growth and endurance of such ideologies in southern Africa **The Cambridge History of Africa** J. D. Fage,Roland Anthony Oliver,G. N. Sanderson,1975 Volume VI covers the period 1870 1905 when the European powers divided the continent into colonial territories **Diamonds, Gold, and War (Volume 4 of 4) (EasyRead Super Large 24pt Edition)** , *The Founder* Robert I. Rotberg,1990-10-25 The definitive biography of one of the most controversial figures of the 19th century captures a life that was complex and fascinating evil and good Illustrated
