Johnny Came Lately Frederick De Cordova,1988-01-01 **Johnny Came Lately** Fred De Cordova,Frederick De Cordova,1989 Johnny Came Home Edward Goodan,2000-12 Isolation and despair Three individuals are caught in a tapestry of deceit and drug dependency Drug use helps them escape from the pressures of reality and their inability to adjust to and confront their problems Their deceit is necessary to rationalize their actions to themselves and explain their activities to others John s war experiences still haunt him but not any more so than his failed marriages and the children he so desperately longs to see again Jack loves his father but can t escape the specter of his crippling injuries to find a life of his own Larry just wants to impress his peers and enjoy life but his means don t tend to accomplish those ends Perhaps John the older man with the much more tangible problems is in a position to see more clearly how his drug dependency and deceit has destroyed what was most precious in his life Perhaps John can find a way out of the morass that his life has sunk into Perhaps his efforts can help the men a generation younger than himself find their way *Johnny Came Home* Tony Breeden,2012-09-28 Trade Paperback Edition 7 x 10 Three years after the fire that took his home and his family John Lazarus returns to the town of Midwich searching for answers to why he can do extraordinary things no one s ever seen outside of a comic book Is he human Alien Something more The answers lie within the Titan complex that overshadows Midwich But someone else wants Titan s secrets too and will stop at nothing to make sure that she alone possesses them One young man and his friends stands between Pandora and world domination in an action packed white knuckled thrill ride that will leave you breathless *When Johnny Came Sliding Home* William J. Ryczek,1998-01-01 As the Civil War ended the thoughts of many Northern soldiers turned to a game that some had learned about for the first time during the war baseball Their newfound interest in the sport combined with the postwar economic boom and the resultant growth of many cities took the game from one practiced by a few amateur clubs in New York City before the war to a professional sport covering almost the entire northeastern United States Researched from primary sources the game of the late 1860s is described season by season the fields the crowds the strategy the rules the style of play and the confusing struggles to crown a national champion with all the chicanery and machinations of the contenders Such landmark events as the Washington Nationals pioneering 1867 tour and the Cincinnati Red Stockings undefeated 1869 season are covered **Too Late to Die** Bill Crider,2017-08-30 Jeanne Clinton was a pretty and well liked woman though in her younger days she d been known to be a bit wild She married an older man and settled down to a quiet respectable life Now she s dead brutally murdered in her home Dan Rhodes the thoughtful hard working sheriff of Blacklin County Texas has enough to worry about already a rash of burglaries in town and an election coming up against a hotshot opponent Now he s got to find a killer among the residents of his little town a wily killer bound and determined not to be caught The deeper Rhodes digs into the hearts and minds of his neighbors the more secrets he turns up and the more violence he encounters But Rhodes doesn t give up easily And neither does the killer

The Women Who Made Television Funny David C. Tucker, 2015-03-26 Most of the bright and talented actresses who made America laugh in the 1950s are off the air today but their pioneering Hollywood careers irrevocably changed the face of television comedy These smart and sassy women successfully negotiated the hazards of the male dominated workplace with class and humor and the work they did in the 1950s is inventive still by today's standards Unable to fall back on strong language shock value or racial and sexual epithets the female sitcom stars of the 1950s entertained with pure talent and screen savvy As they did so they helped to lay the foundation for the development of television comedy

Edgerton,Peter C.

Rollins,2014-10-17 From Ken Burns's documentaries to historical dramas such as Roots from A E's Biography series to CNN television has become the primary source for historical information for tens of millions of Americans today Why has television become such a respected authority What falsehoods enter our collective memory as truths How is one to know what is real and what is imagined or ignored by producers directors or writers Gary Edgerton and Peter Rollins have collected a group of essays that answer these and many other questions The contributors examine the full spectrum of historical genres but also institutions such as the History Channel and production histories of such series as The Jack Benny Show which ran for fifteen years The authors explore the tensions between popular history and professional history and the tendency of some academics to declare the past off limits to nonscholars Several of them point to the tendency for television histories to embed current concerns and priorities within the past as in such popular shows as Quantum Leap and Dr Quinn Medicine Woman The result is an insightful portrayal of the power television possesses to influence our culture **George Burns Television**

Productions Richard Irvin, 2014-05-26 An elementary school dropout George Burns went on to become one of America's most beloved entertainers. This book covers a neglected part of his career: his work as a television producer. Burns was not only a behind-the-scenes producer but also filled the role of producer in various comedies in which he starred. Though his forte was situation comedies, Burns' company, McCadden Productions, also produced dramatic anthology series and pilots, including a pilot considered to be a precursor to the popular TV series *Mission Impossible*. This book focuses on Burns' wide variety of production efforts and follows his involvement in television productions from his 1950 comedy series with his wife Gracie Allen through his participation in the fantasy sitcom *Mister Ed* and finally to his last producer credit in 1981, *I Love Her Anyway*, a remake of *The Burns and Allen Show*. Koilawan Edmund Melig Industan, 2007-11 This volume is a heartwarming and enlightening book of the author's life while living as a Christian worker among the Ata Manobo tribe in the Philippines. It also is an inspirational and informative book on how to live cross-culturally and introduce change, particularly Christianity, amongst the tribe. Motivation **Tempest: Eye in the Storm** Federico Acuña Espiritu, 2021-09-20 *Tempest: Eye in the Storm* imprints the empowering saga of a once spiritual weakling who graciously survived tempestuous gauntlet of persecution amidst crusading for righteousness, good governance, and fighting graft and corruption within a moribund government financial organization trashed into perdition by schemers and scammers of variant genre. Servant leadership, nurtured by rekindled faith, scriptural inspiration, and protection of the armor of the Lord, blessed this chronicler and prime player to perseveringly evade playing god to hapless employees caught within raging *Catch 22* storms that wreaked havoc on the lives and future of innocent public servants who once thrived and basked on their organization's past glory. The battle smoke may have simmered down, but skeletons in the closet still remained unscathed, and prying questions left hanging unanswered in thin air. In endowed retirement, life dedicated to wholeheartedly serving the Almighty God, this beleaguered eyewitness, within the galloping storms, having gratefully weathered destruction, distraction, and demolition, now offers this book as annals for deeper understanding that working in government is a public trust that must be enshrined within the faithful heart as crowning principle in serving the people. **President Reagan** Lou Cannon, 2000-03-31 Reprint of the 1991 Simon and Schuster original with a new 7p preface. Innocence, Knowledge, and Wonder Osho, 2011-05-10 One of the greatest spiritual teachers of the twentieth century encourages you to embrace your childlike curiosity and reconnect it to your adult sensibilities. *Innocence, Knowledge, and Wonder: What Happened to the Sense of Wonder I Felt as a Child* looks to each person's last state of innocence, childhood, to recover the ability to truly be curious. Osho discusses why it is important to look to our inner child and how it can help you understand the person you have become. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the *Sunday Times* of London as one of the 1000 Makers of the 20th Century and by *Sunday Mid Day India* as one of the ten people along with
