## **Johnny The Partisan:**

**Johnny the Partisan** Beppe Fenoglio, 1994      **Encyclopedia of Italian Literary Studies: A-J** Gaetana Marrone, 2007  
Publisher description      **The Novel, Volume 2** Franco Moretti, 2022-04-12 Nearly as global in its ambition and sweep as its subject Franco Moretti's *The Novel* is a watershed event in the understanding of the first truly planetary literary form A translated selection from the epic five volume Italian *Il Romanzo* 2001-2003 *The Novel*'s two volumes are a unified multi-authored reference work containing more than one hundred specially commissioned essays by leading contemporary critics from around the world Providing the first international comparative reassessment of the novel these essential volumes reveal the form in unprecedented depth and breadth as a great cultural social and human phenomenon that stretches from the ancient Greeks to today where modernity itself is unimaginable without the genre By viewing the novel as much more than an aesthetic form this landmark collection demonstrates how the genre has transformed human emotions and behavior and the very perception of reality Historical statistical and formal analyses show the novel as a complex literary system in which new forms proliferate in every period and place Volume 2 *Forms and Themes* views the novel primarily from the inside examining its many formal arrangements and recurrent thematic manifestations and looking at the plurality of the genre and its lineages These books will be essential reading for all students and scholars of literature      **Inappropriate Conduct** Don North, 2013-01-09 I went in behind the lines and emerged as a kind of agent I went in as a reporter and came out a kind of soldier I sometimes wish I had never gone in at all Paul Morton War correspondents have long entered combat zones at great personal risk determined to capture the conflict for those on the home front But during World War II Toronto Star journalist Paul Morton found himself not just reporting the war but fighting his own personal battle in a shocking turn of events that led to disastrous consequences for his career Morton volunteered in 1944 to parachute behind Nazi lines and report on the guerrilla war being waged by Italian partisans But after he spent two months writing a series the British Army changed its battle strategy and ordered stories on the partisans to cease Mortons stories were spiked and he was discredited as a correspondent Morton was subsequently fired by the Toronto Star after they unfairly claimed his reporting was fabricated Eye opening and gripping *Inappropriate Conduct* shares the dramatic true story of how Morton became the target of a ruthless campaign that shattered his journalistic integrity and his career Journalist Don North captures Mortons experiences from the beginning using Mortons previously unpublished memoir and archival sources to create a seamless powerful narrative that speaks to the tenuous relationship between the truth and propaganda during war      **The Social Railway and Its Workers in Europe's Modern Era, 1880-2023** David Welsh, 2025-06-26 This thematically arranged book examines the evolution of rail transport and a number of railway workforces across Europe in the modern era from around 1880 to 2023 Each chapter explores how within the context of a social railway rail workers developed distinct national and international perspectives on the nature of their work and their roles in societies and states David Welsh convincingly argues that workers

formed a raft of entirely new and enduring organisations such as trade unions that in turn became ramparts of hope Welsh goes on to consider how the insurgent character of these organisations produced moments of fury during tumultuous periods in the 20th century *The Social Railway and its Workers in Europe's Modern Era 1880-2023* explores the national and European contexts in which both characteristics came to the fore including the ecology of fossil fuel technology coal and oil Above all it argues that social economic and political forces are not simply external scene shifting but integral to the history of railway systems The book examines the cultural construction of European railways through literature art and other forms of writing as well as recent oral history It also includes a detailed investigation of the role played by nationalisation and public ownership in Europe In the context of neoliberalism and globalization it proposes a 21st century programme for the social railway

**Gender and Ideology in Translation** Vanessa Leonardi, 2007 Leonardi analyses and evaluates the problems that may arise from ideology driven shifts in the translation process as a result of gender differences First she offers a theoretical background draws up an analytic checklist of linguistic tools and states the main hypothesis then she tests the hypothesis with four empirical analyses *The Novel* Franco Moretti, 2006 *Paul Ginsborg and the Historiography of Modern Italy* John Foot, Stephen Gundle, 2024-07-27 This book brings together a group of British and Italian scholars who have made significant contributions to the historiography of modern Italy over the last three decades dedicated to the influence of Paul Ginsborg Reflecting Ginsborg's interest in the encounter of social and political history in modern Italy contributions explore the varied forms taken by activism in civil society Rather than just treating activism and engagement as limited circumscribed phenomena within a political system the essays consider these as interventions in the social Taken together the contributions gathered here highlight Ginsborg's contributions to scholarship and activism as well as advancing our understanding of cultural change institutional reform and the renewal of community in modern Italian history

**Resistance, Heroism, Loss** Thomas Cragin, Laura A. Salsini, 2018-02-20 In no other country in Europe has national identity been so closely bound to memories of the war Italy's Republic was born of World War II its constitution defined by anti Fascism its parties self identified with national Resistance Because of their importance to the nation's identity the nature and meaning of the war have been the focus of great contention from 1943 to the present day In recent years Italy has taken on a national evaluation of the more troubling and contested aspects of its role in the war including its support of Fascism and collaboration after 1943 its treatment of Jews and other minorities deep national divisions that created a civil war between 1943 and 1945 and the centrality of war myth to lingering postwar problems Scholars of Italian history literature and cinema play a fundamental role in this appraisal and this volume of essays attests to the importance of film and literature to the ways in which changing political social and cultural imperatives have altered the war's memory These articles expand our understanding of the shifting phases in national memory by highlighting significant features of each era's portrayal of the war Contributions come from eight scholars who capture the full variety of disciplinary and sub disciplinary approaches that

are current today including film genre studies cultural history gender studies Holocaust studies and the very new fields of emotion studies shame theory and environmental studies Their innovative application of questions and methods that speak to important new subfields in Italian Studies make this volume an invaluable tool for scholars and their students

*On the Edge of Democracy* Rosario Forlenza, 2018-10-25 *On the Edge of Democracy* examines the emergence of democracy in Italy in the wake of World War Two It examines the nature of the democracy forged in the liminal period after Benito Mussolini the Duce of Fascism was removed from government in the summer of 1943 Instead of pouring through institutional accounts which root the origins of democracy in the establishment of parties and in electoral outcomes Forlenza focuses on the lived experiences of ordinary people and elites in extraordinary times Meanings of democracy are not variations of a universal model but emerge as contingent interpretative acts and a symbolization following political and existential crisis under condition of violence and war *On the Edge of Democracy* captures a series of key events which saw people torn between going home or staying at the front between clinging to a disrespected but habitual monarchy or engaging with a republican experiment Becoming a democracy was also a kind of politically spiritual act the power of the myth of America and the struggle for order as a function of the cosmic fight between communism and anti communism in the incipient Cold War had a formative power on the origins meanings and characters of post fascist democracy in Italy

Literature for Europe? Theo d'. Haen, 2009 In *Literature for Europe* leading scholars from around Europe reflect on the role played by literature and by the study of literature in the constant re negotiation and re construction of cultural identities in Europe implied by the accession to the European Union in the early years of the twenty first century of fifteen new member states with the accession of a number of Balkan states impending and Turkey waiting in the wings while at the same time transatlantic relations of the EU to the USA are hotly debated in politics as in culture China and India awake as economic giants and globalization is upon us At the same time two of the earliest signatories to the treaties eventually leading to the European Union rejected a proposal for a European Constitution and

linguistic religious and ethnic dividing lines show even in some of Europe's oldest nation states How do literary texts genres and forms thinking about them and teaching them respond to and shape ongoing processes of European self understanding in our era of globalization The volume seeks to answer these questions by charting key developments in a number of fields crucial to the emergence of a European common literary space literature and cultural value systems literature and cultural memory literary history translation the impact of the new media and the information age on matters of literature and identity and the impact of the postcolonial Literature for Europe is a thought provoking tour d horizon of cutting edge developments in the relationship between literary studies and the matter of Europe and suggesting an exciting agenda for literary studies in Europe It will be of interest to everyone working in European studies and or European literature The Oxford Guide to Contemporary World Literature John Sturrock,1997 opinion the Guide offers a discriminating and sometimes controversial view of a broad range of contemporary literatures **The Annual Statistical Report of Contributions and Expenditures Made During the ... Election Campaigns for the U.S. House of Representatives** United States. Congress. House. Office of the Clerk,1972 It's Getting Later All the Time Alastair McEwen,2006-05-17 In It's Getting Later All the Time an epistolary novel with a twist Antonio Tabucchi internationally acclaimed as the most original voice in the new generation of Italian writers The Harvard Book Review revitalizes an illustrious tradition only to break all its rules From Italy an epistolary novel like no other full of Tabucchi's special enchantment which trans figures even as it captivates TLS In It's Getting Later All the Time an epistolary novel with a twist Antonio Tabucchi internationally acclaimed as the most original voice in the new generation of Italian writers The Harvard Book Review revitalizes an illustrious tradition only to break all its rules Seventeen men write seventeen strangely beautiful letterstender or rancorouslylonely monologues which move in circles each describing an affair and each desperate for a reply which may never come The letters plunge the reader into an electric timeless no man's land of this past that is always somewhere hanging in shreds And at last collecting all their one sided remorseful adventures into a single polyphonic novel an 18th letter startlingly answers the men's pleas a woman's voice distant implacable yet full of sympathy It's Getting Later All the Time captures destinies which though so varied in appearance are at rock bottom all the same broken This is an anti Proustian noveltime lost is lost forever it is impossible to get back to the past no matter how it haunts the present As Tabucchi remarked Broken time is a dimension you find lots of men living in an ambiguous impossible situation because they are faced with a kind of remorse a choice they never made

**Encyclopedia of Italian Literary Studies** Gaetana Marrone,Paolo Puppa,2006-12-26 The Encyclopedia of Italian Literary Studies is a two volume reference book containing some 600 entries on all aspects of Italian literary culture It includes analytical essays on authors and works from the most important figures of Italian literature to little known authors and works that are influential to the field The Encyclopedia is distinguished by substantial articles on critics themes genres schools historical surveys and other topics related to the overall subject of Italian literary studies The Encyclopedia also

includes writers and subjects of contemporary interest such as those relating to journalism film media children s literature food and vernacular literatures Entries consist of an essay on the topic and a bibliographic portion listing works for further reading and in the case of entries on individuals a brief biographical paragraph and list of works by the person It will be useful to people without specialized knowledge of Italian literature as well as to scholars

**World War II Goes to the Movies & Television Guide** Terry Rowan,2012-03-07 A complete film guide to all of your films and television shows that pertain to WWII Included are every WWII film produced throughout the world Historical and informative Stories behind the Hollywood Canteen USO shows War Bond drives those who served or were classified as 4F during the war Many interested stories

**Recent Italian Cinema** Tiziana Ferrero Regis,2009 In Recent Italian Cinema two fundamental questions are asked the first concerns whether Italian cinema as national cinema is in reality reduced to a niche market in its own territory The second relates to what Italian audiences do with domestic films For nearly two decades most Italian films have been produced outside box office returns through a practice of subsidy and co financing between many institutional and private entities Thus Italian cinema has had to define its mode of production and use value of films in a different way It is clear that it is no longer possible to separate national cinemas from the grip that the American film industry has on world markets in terms of imagination and modes of production distribution and exhibition It is thus only by examining the multiple layers of description and analysis which take into account the presence of Hollywood that we can come to an understanding of what recent Italian cinema actually is

**European Film Industries** Anne Jäckel,2019-07-25 In what kind of state is the European film business This study is the first in a series that provides an accessible understanding of how the world s contemporary screen industries function It looks at all the factors in play from government regulation to the marketing strategies behind an international success like Run Lola Run Lola Rennt Anne Jackel evaluates how Europe s film industries operate their working practices and the region s place within the global business of cinema Exploring trends in production distribution and exhibition the book considers a range of national and pan regional developments Key areas of critical debate are highlighted including private and public financing co production film policy links between the film and television industries and the threats to art cinema from within and without Europe
