Unlearned & Ignorant Commentary J.A. Roberts,2024-04-19 These are my simple and practical notes for all of the books of the Bible I am currently in the process of still writing all of my notes out so not all of the chapters are there yet but I have quite a few books of the Bible done and am about 25% of the way through the rest of the Bible I will update this ever time a book is finished so it updates to the purchaser but if you d like to pay ahead of time you can get the books quicker and cheaper now The more books I add the more expensive it will become I ve been working on this for about two years now and will continue to work on it for another likely another six more years to finish the entire Bible hopefully sooner Thank you for supporting my work and I hope it s a useful tool for you as you dig deeper into God s Word It should also be understood I am not a scholar by any means I just like to dig around in scripture and answer difficult questions hence the title of the book Some of my thoughts are taken from much smarter men than me and if I know where the source comes from I will do my best to make mention of it and give credit where credit is due Otherwise these are things I got from my own personal studies and all the stories I give are from personal experience

The Repressed Expressed Ndi, Bill F.,Ankuma, Adaku T.,2017-01-17 Through multiple points of resistance The Repressed Expressed underscores how hard it is to build a community in any nation with no beneficial qualities of hope and transparency This informative collection of essays highlights that wherever stability and order are lacking the universal appeal is to express that which is suppressed Also like a map or guidebook The Repressed Expressed indicates how people in such geographical prisons strive to transform their agitation into spiritual and political pathways free of pain and hurt from and anger towards a dirty and corrupted world It thus underpins discord and brings to the fore the authority s penchant for heaping abuse upon those caused to live in fear In short The Repressed Expressed is an impressive compilation of literary evidence informing scholarship on opinions and beliefs relating to repression its expression and the immeasurable associated cost
