Jonah A Veggietales Game:

Focus On: 100 Most Popular Television Series by Universal Television Wikipedia contributors, Time Briton Hadden, Henry R. Luce, 2002 *Christotainment* Shirley R. Steinberg, Joe L., Joe L. Kincheloe, 2018-04-17 For more than two thousand years Christian expansion and proselytizing was couched in terms of defending the faith Until recently in the United States much of that defense came in the form of reactions against the liberal influences channeled through big corporate media such as popular music Hollywood movies and network and cable television But the election of Ronald Reagan as a Hollywood President introduced Christian America to the tools of advertising and multimedia appeals to children and youth to win new believers to God's armies Christotainment examines how Christian fundamentalism has realigned its armies to combat threats against it by employing the forces it once considered its chief enemies the entertainment media including movies television music cartoons theme parks video games and books Invited contributors discuss the critical theoretical frameworks of top selling devices within Christian pop culture and the appeal to masses of American souls through the blessed marriage of corporatism and the quest for pleasure There's Never Been a Show Like Veggie Tales Hillary Warren, 2005 A sociological examination of the production and audiences of Veggie Tales a popular evangelical video series for children Entertainment and Society Shay Sayre, Cynthia King, 2010-04-05 Providing an overview of the entertainment industry this study includes entertainment economics theories of entertainment entertainment research covers different types of entertainment including media sports gaming theme entertainment travel tourism live performance *VTJONAH-VEGGIETOTS* Gospel Light Publications, 2002 Includes 10 Complete Sessions for Veggiekids Tots Teens and family 2 videos pull out sections for directors and leaders Crafts games snacks Puppet tracks 5 colorful site posters 5 invite posters CDROM w clipart 75 family album covers and veggiebucks *Billboard*, 2001-03-31 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *VTJONAH-VEGGIEFAMILY* Gospel Light Publications, 2002 Includes 10 Complete Sessions for Veggiekids Tots Teens and family 2 videos pull out sections for directors and leaders Crafts games snacks Puppet tracks 5 colorful site posters 5 invite posters CDROM w clipart 75 family album covers and veggiebucks **Screen Deep** Scott Moncrieff, 2007 *Billboard*, 2003-02-15 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Grave Attending** Karen Bray, 2019-12-03 This is a book about what it would mean to be a bit moody in the midst of being theological and political Its framing assumption is that neoliberal economics relies on narratives in which not being in the right mood means a cursed existence So begins Grave Attending A Political Theology for the Unredeemed

which mounts a challenge to neoliberal narratives of redemption Mapping the contemporary state of political theology Karen Bray brings it to bear upon secularism Marxist thought affect theory queer temporality and other critical modes as a way to refuse separating one's personal mood from the political or philosophical Introducing the concept of bipolar time she offers a critique of neoliberal temporality by countering capitalist priorities of efficiency through the experiences of mania and depression And it is here Bray makes her crucial critical turn one that values the power of those who are unredeemed in the eyes of liberal democracy those too slow too mad too depressed to be of productive worth suggesting forms of utopia in the poetics of crip theory and ordinary habit Through performances of what she calls grave attending being brought down by the gravity of what is and listening to the ghosts of what might have been Bray asks readers to choose collective care over individual overcoming Grave Attending brings critical questions of embodiment history and power to the fields of political theology radical theology secular theology and the continental philosophy of religion Scholars interested in addressing the lack of intersectional engagement within these fields will find this work invaluable As the forces of neoliberalism demand we be productive efficient happy and flexible in order to be deemed worthy subjects Grave Attending offers another model for living politically emotionally and theologically Instead of submitting to such a market driven concept of salvation this book insists that we remain mad moody and unredeemed Drawing on theories of affect temporality disability queerness work and race Bray persuades us that embodying more just forms of sociality comes not in spite of irredeemable moods but through them *NRB*, 2003 *Evangelical Christians and Popular Culture* Robert H. Woods Jr., 2013-01-09 This three volume collection demonstrates the depth and breadth of evangelical Christians consumption critique and creation of popular culture and how evangelical Christians are both influenced by and influence mainstream popular culture covering comic books to movies to social media *Evangelical Christians and Popular Culture* Pop Goes the Gospel addresses the full spectrum of evangelical media and popular culture offerings even delving into lesser known forms of evangelical popular culture such as comic books video games and theme parks The chapters in this 3 volume work are written by over 50 authors who specialize in fields as diverse as history theology music psychology journalism film and television studies advertising and public relations Volume 1 examines film radio and television and the Internet Volume 2 covers literature music popular art and merchandise and Volume 3 discusses public figures popular press places and events The work is intended for a scholarly audience but presents material in a student friendly accessible manner *Evangelical insiders* will receive a fresh look at the wide variety of evangelical popular culture offerings many of which will be unknown while non evangelical readers will benefit from a comprehensive introduction to the subject matter *Children's Technology Review*, 2005 **The New York Times Magazine**, 2003 **Religion, Politics, Media in the Broadband Era** Alice Bach, 2004 Religion has gone public and the much discussed political pendulum has been swinging widely in its effort to keep up with the eruptions of faith swelling the broadband Private faith finds very public outlets through the media's appetite for voices and choices Faith based

networks have become media savvy urging their members to send barrages of emails faxes telephone calls letters of praise or outrage to politicians Those same politicians return the volley using the broadcast media with great skill wooing the faithful convincing the cynical that God is on their side Only a deity could be on so many sides simultaneously Alice Bach s new book reflects her long time focus on the Bible religion and culture Popular religion is expressed within our culture in rock videos televangelism political rhetoric children s books films and animations Every sort of media from print to electronic to broadband is imbued with subtle and blatant religious imagery The media are new the message is not The tightly woven pattern of religion politics and media has been part of the American fabric since the country was founded When one examines this cultural cloth threads of varying colours are revealed threads whose twists reflect both media coverage of religion and religious views of the media
