Jonathan Edwards A Life:

Jonathan Edwards George M. Marsden, 2004-07-01 Presents a biography of the clergyman who played a major role in eighteenth century American religious life and served as president of the College of New Jersey now Princeton University

A Short Life of Jonathan Edwards George M. Marsden, 2008-09-05 Jonathan Edwards is one of the most extraordinary figures in American history Arguably the most brilliant theologian ever born on American soil Edwards 1703 1758 was also a pastor a renowned preacher a missionary to the Native Americans a biographer a college president a philosopher a loving husband and the father of eleven children George M Marsden widely acclaimed for his magisterial large study of Edwards has now written a new shorter biography of this many sided remarkable man A Short Life of Jonathan Edwards is not an abridgment of Marsden s earlier award winning study but is instead a completely new narrative based on his extensive research The result is a concise fresh retelling of the Edwards story rich in scholarship yet compelling and readable for a much wider audience including students Known best for his famous sermon Sinners in the Hands of an Angry God Jonathan Edwards is often viewed as a proponent of fire brimstone and the wrath of God As Marsden shows however the focus of Edwards s preaching was not God s wrath but rather his overwhelming and all encompassing love Marsden also rescues Edwards from the high realms of intellectual history revealing him more comprehensively through the lens of his everyday life and interactions Further Marsden shows how Edwards provides a window on the fascinating and often dangerous world of the American colonies in the decades before the American Revolution Marsden here gives us an Edwards who illumines both American history and Christian theology an Edwards that will appeal to readers with little or no training in either field This short life will contribute significantly to the widespread and growing interest in Jonathan Edwards **Life of the Rev.**

Jonathan Edwards. (Selected from Dr. Hopkins.). Samuel HOPKINS (D.D., Pastor of Newport, U.S.), 1833 **Jonathan Edwards** Alexander V. G. Allen, 2008-03-01 While there were earlier biographies and memoirs of Jonathan Edwards the great eighteenth century religious figure than the one written by A V G Allen they were apologetic versions that had been produced by Edwards s disciples Allen s stands out as the first to approach the life of Edwards comprehensively and critically attempting to discern the positive and negative elements in his thought Nearly forgotten today Allen s book deserves a place among the landmark studies on Edwards *Jonathan Edwards:* Allan G. Hedberg, PhD, 2016-03-16 I have been wishing aloud for years that professional psychologists would take a look at Edwards helping us think about his life and what can be learned about it today from a mental health perspective Dr Hedberg has done just that Of course Edwards is now in heaven so conjectures about his psyche ought to be made with great care Still cautious humble hypothesis about his inner life and the lessons it affords for people seeking better health can lead to useful conversations that bring healing to the soul Whether or not you feel like Edwards who was an ordinary man with extraordinary gifts for sensing the work of the Spirit of God I pray that God will use this book to make you whole Douglas A Sweeney PhD Jonathan Edwards Center Trinity Evangelical Divinity

School I enjoyed learning about the biblical principles that Jonathan Edwards lived by I also believe these principles are still relevant today A thought provoking book DelAnn Miller a seventh generation Edwards Burr descendant Dr Hedberg has shared from his passion for Jonathan Edwards some unique experiences as a psychologist which are a delight to read Rev Dr Arlynn C Turnquist BSN Augustana College MA philosophy University of Iowa MDiv theology Luther Seminary DMin Fuller Theological Seminary

The Essential Jonathan Edwards Owen Strachan,Douglas Allen Sweeney,2018-05-01 You ve heard his name you ve probably heard your pastor quote him but who is he really 250 years later Jonathan Edwards America s consummate pastor theologian continues to capture the attention of Christians around the world Yet Edwards left us over 1 200 sermons and thousands of pages of other publications not to mention the literal thousands of books that have been written about Edwards since he died Where does one even begin That s why we created The Essential Jonathan Edwards It serves as a perfect introduction to Edwards s life and thought It explores Edwards day to day life and his views on beauty true Christianity heaven and hell and the good life Strachan and Sweeney strike the perfect balance between necessary background information and giving Edwards s own works room to speak Whether you re an Edwards fan already or only know Edwards because of that Angry God sermon this book will lead you to drink deeply of Scripture and gaze longingly at God

The Great Work of Providence Rachel S. Stahle,2010-01-01 Even though Jonathan Edwards is arguably America s greatest theologian the content and value of his work remains a mystery to most Stahle systematizes and summarizes Edwards s biblically grounded thought in contemporary language and makes Edwards accessible to pastors students and church study groups Edwards s conceptions of the Trinity are explained in detail and shown to be the basis for the rest of his theology including his ideas about sin salvation holiness the purpose of history Scripture revivals of religion heaven and hell and the church Reflection and study questions are provided to enrich comprehension and demonstrate the relevance of Edwards s theology for contemporary life The wealth of this Puritan s personal piety and intellectual brilliance is no longer beyond the reach of twenty first century Christians

Jonathan Edwards on the Good Life Owen Strachan,Douglas Sweeney,2010-01-21 What is the good life that we so often hear talk of in our modern age Is it cars that drive fast houses that resemble castles Is it unbounded sexual pleasure unrestrained personal gratification of all one s desires Is it quiet and solitude individual removal from the storm and thunder of modern society Or is it obedient Christian faith that causes spiritual corpses to burst forth with godly passion and holy worship that transforms one s own life one s environment and one s eternal destiny This other way of life proceeds from an ancient book that lifts life in this age and all mothers to another plane This is the truly good life the path plotted for the steps of mankind by almighty God It involves sacrifice and hardship and hard work It means self denial self abasement and an others centered mindset It is radically God centered and deeply rooted in Scripture This and no other path offers the souls of humanity lasting happiness For Jonathan Edwards submission to God and His will was the path to true fulfillment and the
