Boston Sports Firsts Owen Finnegan, 2007 Owen Finnegan defines Boston sports fan. A Boston area native and a semi-retired city worker in Wellesley, he has been a rabid follower of Boston's professional teams since childhood and like many who grew up on Orr, Espo, and Cheever, he is a particular fan of the Bruins. But who else in Boston has collected four hundred books of sports trivia? In this collection devoted to firsts involving the Red Sox, Patriots, Celtics, and Bruins, Finnegan offers nearly 1,000 stumpers that range from questions the above-average fan should know (Which two Sox outfielders first three Major League hits were all home runs? A Billy Conigliaro and Mike Greenwell) to questions that will amuse and entertain even if you don't know the answers (Which Celtic was the first player to break a backboard in the NBA? A Chuck The Rifleman Connors).

Adely, 2012-09-15 In 2005 the World Bank released a gender assessment of the nation of Jordan a country that like many in the Middle East has undergone dramatic social and gender transformations in part by encouraging equal access to education for men and women The resulting demographic picture there highly educated women who still largely stay at home as mothers and caregivers prompted the World Bank to label Jordan a gender paradox In *Gendered Paradoxes* Fida J Adely shows that assessment to be a fallacy taking readers into the rarely seen halls of a Jordanian public school the al Khatwa High School for Girls and revealing the dynamic lives of its students for whom such trends are far from paradoxical Through the lives of these students Adely explores the critical issues young people in Jordan grapple with today nationalism and national identity faith and the requisites of pious living appropriate and respectable gender roles and progress In the process she shows the important place of education in Jordan one less tied to the economic ends of labor and employment that are so emphasized by the rest of the developed world In showcasing alternative values and the highly capable young women who hold them Adely raises fundamental questions about what constitutes development progress and empowerment not just for Jordanians but for the whole world
