*Stardom in Cinema, Television and the Web* Vanni Codeluppi, 2021-03-01 In the last 50 years the social importance of stars has steadily grown to the point that stars have now become key role models who strongly influence people's behaviours This book considers the connections between the three main media cinema television and the web and each of the three phases into which the history of stardom can be divided The first phase can largely be credited with the creation and codification of contemporary stardom while the second is linked to the spread of television which weakened the Hollywood stardom model and gradually transformed the figure of the star making it more intimate and familiar In the last of these phases we have many outsiders personalities from a variety of professional domains and experiences who are able to achieve considerable social visibility thanks to their skilful use of the web

**TIME 100 Photographs** The Editors of TIME, 2016-10-19 Since its inception TIME magazine has been synonymous not just with outstanding journalism but also with outstanding photography Now to mark the 175th anniversary of photography and the birth of photojournalism the Editors of TIME magazine are publishing this companion book to the groundbreaking digital celebration of photography that TIME.com will be mounting online displaying the most influential photographs of all time While they may not be the most famous or well known photographs each one is unique for the way in which it changed influenced or commemorated a particular world event From the first sports photograph to ever win the Pulitzer Prize that of Babe Ruth at Yankee Stadium to the photograph of Student Neda Agha Soltan's death during Iran's 2009 election protests each of the photographs in 100 Photographs The Most Influential Images of All Time is significant in how it forever changed how we live learn communicate and in many cases view the world Violence, Visual Culture, and the Black Male Body Cassandra Jackson, 2011-04-13 From early photographs of disfigured slaves to contemporary representations of bullet riddled rappers images of wounded black men have long permeated American culture While scholars have fittingly focused on the ever present figure of the hypermasculine black male little consideration has been paid to the wounded black man as a persistent cultural figure This book considers images of wounded black men on various stages including early photography contemporary art hip hop and new media Focusing primarily on photographic images Jackson explores the wound as a specular moment that mediates power relations between seers and the seen Historically the representation of wounded black men has privileged the viewer in service of white supremacist thought At the same time

contemporary artists have deployed the figure to expose and disrupt this very power paradigm Jackson suggests that the relationship between the viewer and the viewed is not so much static as fluid and that wounds serve as intricate negotiations of power structures that cannot always be simplified into the condensed narratives of victims and victimizers Overall Jackson attempts to address both the ways in which the wound has been exploited to patrol and contain black masculinity as well as the ways in which twentieth century artists have represented the wound to disrupt its oppressive implications *Boys' Life*, 1996-11 *Boys Life* is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting Battleground: Sports Michael Atkinson, 2008-12-30 Mega events like the Olympics the World Cup of soccer the World Series of baseball cycling s Tour de France and the Super Bowl draw our attention to the deep cultural significance of sport and its role in fostering social bonds Yet when it comes to sport there is no shortage of debate stereotypes regarding sexuality race gender and children have been hotly contested by critics for over 40 years Even today sport is one of the very few socially accepted sites of violence intense competition and controlled forms of social disorder *Battleground Sports* presents the 100 most contentious public and private controversies of the sports world Highlighted throughout are debates surrounding ethnicity gender sexuality and social identity sports fan behavior as well as the role of governments and corporations Engaging and accessible to a wide variety of readers this fascinating reference illustrates how sports controversies reflect the historically enduring and changing nature of our broader cultures and the social battles we engage on a day to day basis surrounding the struggles for equality debates about social violence the ethics of competition the politics of civic life the creation of global communities and the State s role in protecting citizens Entries contain an array of thoughtful perspectives on historic and current controversies and allow readers to formulate their own conclusions Enhanced with a timeline a thorough guide of print and electronic resources for high school and undergraduate student research this one stop reference goes beyond the newspaper headlines to provide readers with a guide map for understanding what sport controversies teach us about our culture and ourselves *From Hang Time to Prime Time* Pete Croatto, 2020-12-01 Perfect for fans of *Moneyball* and *The Book of Basketball* this vivid thoroughly entertaining and well researched book explores the NBA s surge in popularity in the 1970s and 1980s and its transformation into a global cultural institution Far beyond simply being a sports league the NBA has become an entertainment and pop culture juggernaut From all kinds of team logo merchandise to officially branded video games and players crossing over into reality television film fashion lines and more there is an inseparable line between sports and entertainment But only four decades ago this would have been unthinkable Featuring writing that leaps off the page with energy and wit journalist and basketball fan Pete Croatto takes us behind the scenes to the meetings that lead to the monumental American Basketball Association National Basketball Association merger in 1976 revolutionizing the NBA s image He pays homage to legendary talents including Julius Dr J Erving Magic Johnson and Michael Jordan and reveals how

two polar opposite rookies Larry Bird and Magic Johnson led game attendance to skyrocket and racial lines to dissolve Croatto also dives into CBS's personality driven coverage of key players as well as other cable television efforts which launched NBA players into unprecedented celebrity status Essential reading whether you're a casual or longtime fan From Hang Time to Prime Time is an enthralling and entertaining celebration of basketball history **Media Spectacle** Douglas Kellner, 2003 Through analysis of several media spectacles including the O J Simpson trial Elvis the X Files and the Clinton sex scandals Kellner draws insights into media journalism the public sphere and politics in an era of new technologies

**Cities That Shaped the Ancient World** John Julius Norwich, 2014-11-11 An illuminating and evocatively illustrated tour of forty of the greatest cities that shaped the ancient world and its civilizations from China and Mesoamerica to Europe and Ethiopia Today we take living in cities with all their attractions and annoyances for granted But when did humans first come together to live in large groups creating an urban landscape What were these places like to inhabit More than simply a history of ancient cities this volume also reveals the art and architecture created by our ancestors and provides a fascinating exploration of the origins of urbanism politics culture and human interaction Arranged geographically into five sections Cities That Shaped the Ancient World takes a global view beginning in the Near East with the earliest cities such as Ur and Babylon Troy and Jerusalem In Africa the great cities of Ancient Egypt arose such as Thebes and Amarna Glorious European metropolises including Athens and Rome ringed the Mediterranean but also stretched to Trier on the turbulent frontier of the Roman Empire Asia had bustling commercial centers such as Mohenjodaro and Xianyang while in the Americas the Mesoamerican and Peruvian cultures stamped their presence on the landscape creating massive structures and extensive urban settlements in the deep jungles and high mountain ranges including Caral and Teotihuacan A team of expert historians and archaeologists with firsthand knowledge and deep appreciation of each site gives voices to these silent ruins bringing them to life as the bustling state of the art metropolises they once were **Sport and the Color Line** Patrick B. Miller, David K. Wiggins, 2004-06-01 The year 2003 marks the one hundredth anniversary of W E B Du Bois Souls of Black Folk in which he declared that the color line would be the problem of the twentieth century Half a century later Jackie Robinson would display his remarkable athletic skills in baseball's great experiment Now Sport and the Color Line takes a look at the last century through the lens of sports and race drawing together articles by many of the leading figures in Sport Studies to address the African American experience and the history of race relations The history of African Americans in sport is not simple and it

certainly did not begin in 1947 when Jackie Robinson first donned a Brooklyn Dodgers uniform The essays presented here examine the complexity of black American sports culture from the organization of semi pro baseball and athletic programs at historically black colleges and universities to the careers of individual stars such as Jack Johnson and Joe Louis to the challenges faced by black women in sports What are today s black athletes doing in the aftermath of desegregation or with the legacy of Muhammad Ali s political stance The essays gathered here engage such issues as well as the paradoxes of corporate sport and the persistence of scientific racism in the athletic realm **The Ebb and Flow of the Ghūrid Empire**

David C. Thomas, 2018-05-15 The iconic minaret of J m stands in a remote mountain valley in central Afghanistan the finest surviving monument of the enigmatic 12th century Gh rid dynasty The re discovery of the minaret half a century ago prompted renewed interest in the Gh rids and this has intensified since their summer capital at J m became Afghanistan s first World Heritage site in 2002 Two seasons of archaeological fieldwork at J m the detailed analysis of satellite images and the innovative use of Google Earth as a cultural heritage management tool have resulted in a wealth of new information about known Gh rid sites and the identification of hundreds of previously undocumented archaeological sites across Afghanistan Drawing inspiration from the Annales School and the concept of an archipelagic landscape Thomas has used these data to re assess the Gh rids and generate a more nuanced understanding of this significant Early Islamic polity In addition to complementing the v nements which form the focus of the urban based historical sources the new archaeological data are used by Thomas to reconsider the urban characteristics of the Gh rids summer capital Throughout The Ebb and Flow of the Gh rid Empire Thomas uses this to explore the issues of Gh rid identity ideology and the sustainability of their polity **Building between Eastern and Western Mediterranean Lands**, 2022-08-01 This edited volume examines the
