Silverburg, Bernard Reich, 2015-07-16 This bibliography first published in 1990 is a result of a quarter century professional and personal relationship between two academics interested in Middle East studies The comprehensive bibliography consists of western primarily English language sources published through 1988 and early 1989 concerning foreign policy toward the Middle East and North Africa during the twentieth century Included are materials that deal directly with the topic material that has appeared in published form ie books monographs essays and articles Also included are some non published items most importantly American and British doctoral dissertations and master s theses Technology Transfer to the Middle East ,1984 **The Military Balance in the Middle East** Anthony H. Cordesman, 1999 *Change and Continuity in the Middle East* M.E. Ahrari, 2016-07-27 How will

the growing Islamic resurgence affect the political stability of the Middle East What are the prospects for democracy in the area How will the continued Iranian Saudi and Israeli Syrian rivalries affect political stability in that area What are the prospects for the deceleration of the arms race Are the Kurds likely to enjoy continued autonomy in Iraq These questions are answered in this study A History of Jordan Philip Robins,2019-09-26 An accessible introduction to the political history of Jordan including new material on the major events of the last decade Saudi Arabia, the West and the Security of the Gulf Mazher A. Hameed,2025-04-01 Saudi Arabia the West and the Security of the Gulf 1986 considers the geopolitical environment of the Arab Gulf and the nature and threats to Western interests in the region It also examines the political economic and other Gulf resources that can be marshalled to protect those interests **The Lessons and Non-Lessons of the Air and Missile Campaign in Kosovo** Anthony H. Cordesman,2001-08-30 The conclusion of a war typically signals the beginning of a flood of memoirs and instant campaign histories many presenting the purported but often dubious lessons of the recent conflict Cordesman is careful to avoid such pitfalls in this detailed and closely reasoned analysis and helps us to begin to understand the implications of this dramatic conflict on its own terms Based on a combination of official and unofficial but always authoritative sources he builds a thorough case for the true lessons of NATO s first battle fought within Europe After consideration of the historical major political and strategic factors that set the stage for the Kosovo campaign Cordesman critically examines the actual effectiveness of the NATO air campaigns both in Kosovo and Serbia proper Operations in this rugged part of Europe were difficult and compounding the challenges of terrain and weather were the conflicting national agendas within the Allied coalition that seriously hampered focused and decisive action by NATO Although Milosevic ultimately conceded defeat all of these factors played an important role in limiting the intensity and shaping the military outcome of the campaign and the likely political and strategic results were far from certain Cordesman unflinchingly concludes that the air campaign over Kosovo exposed deep fault lines within and among the NATO countries and fundamental flaws in the way the West wages war *Middle East: Tricontinental Hub* United States.
