## Joseph Caillaux Littarature:

**Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World** Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, 1908 *The Saturday Review of Politics, Literature, Science and Art*, 1914 *Current Literature* Edward Jewitt Wheeler, 1912 **Readers' Guide to Periodical Literature** Anna Lorraine Guthrie, Bertha Tannehill, Neltje Marie Tannehill Shimer, 1925 An author subject index to selected general interest periodicals of reference value in libraries **Current Literature**, 1911 **Reader's Guide to Periodical Literature Supplement**, 1925 **The Saturday Review of Politics, Literature, Science, Art, and Finance**, 1914 *The Literary Guide and Rationalist Review*, 1925 **Managing the Franc Poincaré** Kenneth Mouré, 2002-04-30 An explanation of France's deflationary policy during the Depression **Crimes of Passion** Howard Engel, 2016-03-01 Thirty real life accounts of passion gone lethally wrong Celebrated mystery writer Howard Engel traces the history of the crime of passion through France England Canada and the United States in his first nonfiction book The story of Ruth Ellis the last woman hanged in England is explored along with more familiar modern cases such as those of O J Simpson and Lorena Bobbitt With each sordid tale Engel explores the legal codes and moral implications surrounding crimes of passion throughout history Careful research and a novelist's eye for detail and dramatization bring each grisly case into chilling clarity Crimes of Passion is a must read for true crime enthusiasts armchair historians and fans of the macabre

Disruptive Acts Mary Louise Roberts, 2017-03-15 In fin de siècle France politics were in an uproar and gender roles blurred as never before Into this maelstrom stepped the new women a group of primarily urban middle class French women who became the objects of intense public scrutiny Some remained single some entered nontraditional marriages and some took up the professions of medicine and law journalism and teaching All of them challenged traditional notions of womanhood by living unconventional lives and doing supposedly masculine work outside the home Mary Louise Roberts examines a constellation of famous new women active in journalism and the theater including Marguerite Durand founder of the women's newspaper La Fronde the journalists Sverine and Gyp and the actress Sarah Bernhardt Roberts demonstrates how the tolerance for playacting in both these arenas allowed new women to stage acts that profoundly disrupted accepted gender roles The existence of La Fronde itself was such an act because it demonstrated that women could write just as well about the same subjects as men even about the volatile Dreyfus Affair When female reporters for La Fronde put on disguises to get a scoop or wrote under a pseudonym and when actresses played men on stage they demonstrated that gender identities were not fixed or natural but inherently unstable Thanks to the adventures of new women like these conventional domestic femininity was exposed as a choice not a destiny Lively sophisticated and persuasive Disruptive Acts will be a major work not just for historians but also for scholars of cultural studies gender studies and the theater The Affair: The Case of Alfred Dreyfus Jean-Denis Bredin, 2019-07-31 Co published by Plunkett Lake Press and George Braziller Inc On an autumn

morning in 1894 Captain Dreyfus was summoned to appear for a routine inspection instead as he took down a letter dictated by a senior officer he was summarily accused of high treason So began a twelve year series of events that included his imprisonment on Devil s Island the publication of Emile Zola s passionateJ Accuse the Rennes retrial and the pardon and final rehabilitation of 1906 As the Dreyfus case turned into the Affair the history of a single military career came to display the conflicts that were tearing France apart military defeat anti Semitic furor and the place of traditional values in a country still reeling from the turbulence of the French Revolution Told with an historian s insight and a novelist s skill The Affair makes fascinating and informative reading about one of the most celebrated episodes in modern history There have been many books about the Dreyfus Affair but Jean Denis Bredin s book is one of the best of them lucid well organized informed by a fine sense of drama John Gross The New York Times a critically acclaimed study Michiko Kakutani The New York Times If one is limited to a single book about the Dreyfus case and its consequences this should be it Bredin has told this story with precision passion and a vivid sense of character The New York Review of Books A brilliant and fascinating book What is most remarkable about The Affair is the skill and sensitivity with which the author places it in its essential historical setting It is also a gripping though terrible story superbly told The Atlantic This is the most judicious and absorbing account to date of the Dreyfus Case The Boston Globe This is certainly the best book on the Dreyfus case now available in the English language San Francisco Examiner Bredin is crystal clear in his gripping narrative of the complex case His tapestry glows with all the color of the Belle Epoque and its extravagances Chicago Sun Times There have been other books on the Affair but I can t imagine any of them coming even close to Bredin s work He is brilliant at placing the myriad elements of the Affair in context with verve and lucidity It should be a model for future historians San Francisco Chronicle **A Thread of Years** John Lukacs,1998-01-01 Traces the decline of Anglo American civilization and the concept of the gentleman in a fictionalized social history that follows a man named Kensington and the people who surround him from 1901 to 1969 *The Independent* ,1924 Time Briton Hadden, Henry Robinson Luce,1928 Reels for 1973 include Time index 1973 British Invasion and Spy Literature, 1871-1918 Danny Laurie-Fletcher,2019-02-28 This book examines British invasion and spy literature and the political social and cultural attitudes that it expresses This form of literature began to appear towards the end of the nineteenth century and developed into a clearly recognised form during the Edwardian period 1901 1914 By looking at the origins and evolution of invasion literature and to a lesser extent detective literature up to the end of World War I Danny Laurie Fletcher utilises fiction as a window into the mind set of British society There is a focus on the political arguments embedded within the texts which mirrored debates in wider British society that took place before and during World War I debates about military conscription immigration spy scares the fear of British imperial decline and the rise of Germany These debates and topics are examined to show what influence they had on the creation of the intelligence services MI5 and MI6 and how foreigners were perceived in society Review of Current Military Literature ,1989 *Current*

*History and Forum ...* ,1925  
Review Clifford Smyth,1922

**Quarterly Review of Military Literature** ,1927

*The Literary Digest International Book*
