M. van Beek, 2023-06-29 Nineteen sermons of the beloved Rev M van Beek see the light in this volume It was possible by the way of a tape recording to preserve these preached sermons and it is now possible to publish them after the death of the minister who preached them You should therefore take into account that these sermons come to our attention more in a preaching style than in a written style Yet this often makes the reading or the listening to these sermons more pleasant However this does not take away that these published sermons are very attractive as far as the history is concerned because it is remarkable that this history always fascinates the children and young people But yet it is not only the historical part of Joseph's life that is brought to our attention in these sermons these sermons also have a spiritual content The way in which the Lord deals with His people is clearly brought to our attention too Joseph is also clearly pointed out to us as a type of Christ in these sermons Rev F Mallan Alblasterdam NL *Joseph - Fruitful Bough* C.
