**Josephine** Eleanor P. Delorme, 2002-10 An anecdotal illustrated biography of Napoleon Bonaparte's exotic empress discusses Napoleon's dependence on her sense of style to set the tone of his empire her patrongage of the arts and The Empress Josephine Carol Solomon, Carol Solomon Kiefer, 2005 Catalog of an exhibition significant events in her life held at the Mead Art Museum Amherst College Amherst Mass Sept 22 Dec 18 2005 The Empress Iosephine Philip Josephine, Napoleon's Empress Cecil Scott Forester, 1925 Walsingham Sergeant, 1909 The Empress Josephine Ambition and Desire Kate Williams, 2014-11-04 From CNN s official royal historian a highly praised Luise Mühlbach.1911 young author with a doctorate from Oxford University comes the extraordinary rags to riches story of the woman who conquered Napoleon's heart and with it an empire Their love was legendary their ambition flagrant and unashamed Napoleon Bonaparte and his wife Josephine came to power during one of the most turbulent periods in the history of France The story of the Corsican soldier's incredible rise has been well documented Now in this spellbinding luminous account Kate Williams draws back the curtain on the woman who beguiled him her humble origins her exorbitant appetites and the tragic turn of events that led to her undoing Born Marie Jos phe Rose de Tascher de La Pagerie on the Caribbean island of Martinique the woman Napoleon would later call Josephine was the ultimate survivor She endured a loveless marriage to a French aristocrat executed during the Reign of Terror then barely escaped the guillotine blade herself Her near death experience only fueled Josephine's ambition and heightened her determination to find a man who could finance and sustain her Though no classic beauty she quickly developed a reputation as one of the most desirable women on the continent In 1795 she met Napoleon The attraction was mutual immediate and intense Theirs was an often tumultuous union roiled by their pursuit of other lovers but intensely focused on power and success Josephine was Napoleon's perfect consort and the object of national fascination Together they conquered Europe Their extravagance was unprecedented even by the standards of Versailles But she could not produce an heir Sexual obsession brought them together but cold biological truth tore them apart Gripping in its immediacy captivating in its detail Ambition and Desire is a true tale of desire heartbreak and revolutionary turmoil engagingly written by one of England's most praised young historians Kate Williams's searing portrait of this alluring and complex woman will finally elevate Josephine Bonaparte to the historical prominence she deserves Praise for Ambition and Desire Not just a scholarly work but a page turner Williams is no stranger to creating works on strong and influential women and as in those works here she does an admirable job of demystifying Josephine This engrossing and accessible account is for all readers who enjoy historical biography Library Journal A riveting account Williams perfectly illustrates all that was bizarre and maddening about French life during the reign of Josephine and Napoleon Bonaparte Publishers Weekly Intelligent and entertaining Kirkus Reviews An in depth portrait of the substantive woman behind the throne Booklist Reading Ambition and Desire is like watching Silk Stockings the 1957 Hollywood masterpiece with Fred

Astaire and Cyd Charisse The book flows and jumps taking the reader by the hand through tormented times in French history without ever letting you go or losing itself in the intricacies of French politics The Times A sparkling account of this most fallible and endearing of women Daily Mail A whirlwind tour of French history The Telegraph **Incomparable** Terry Crowdy, 2012-09-20 The meticulously researched story of one of the greatest regiments in Napoleonic history the French 9th Light Infantry An elite battalion under Louis XVI the 9th Light Infantry regiment were with Napoleon from almost the beginning turning the field at Marengo and breaking the Austrians They then spent over a decade fighting their way across the continent following Napoleon to the bitter end Bringing their Eagle out of hiding when Napoleon returned from exile in 1815 they almost saved the day again at Waterloo spearheading a charge to rejoin Napoleon But unlike at Marengo they failed Napoleon dubbed them Incomparable and their story is extraordinary even by the standards of the dramatic and turbulent years in which they lived The Empress Josephine. An Historical Sketch of the Days of Napoleon ... Translated from the German, by ... W. Binet. Illustrated by G. Fay Louise MUEHLBACH (pseud. [i.e. Clara Mundt.]),1868 Empress Josephine Luise Mühlbach (Frau), 1867 Napoleon and the Art of Leadership William Nester, 2021-03-03 This deep dive into the mind of the complex controversial political and military leader is a great addition to the field of Napoleonics Journal of Military History No historical figure has provoked more controversy than Napoleon Bonaparte Was he an enlightened ruler or brutal tyrant An insatiable warmonger or a defender of France against the aggression of the other great powers Kind or cruel farsighted or blinkered a sophisticate or a philistine a builder or a destroyer Napoleon was at once all that his partisans laud his enemies condemn and much more He remains fascinating because he so dramatically changed the course of history and had such a complex paradoxical character One thing is certain If the art of leadership is about getting what one wants then Napoleon was among history s greatest masters. He understood and asserted the dynamic relationship among military economic diplomatic technological cultural psychological and thus political power War was the medium through which he was able to demonstrate his innate skills leading his armies to victories across Europe He overthrew France's corrupt republican government in a coup then asserted near dictatorial powers Those powers were then wielded with great dexterity in transforming France from feudalism to modernity with a new law code canals roads ports schools factories national bank currency and standard weights and measures With those successes he convinced the Senate to proclaim him France's emperor and even got the pope to preside over his coronation. He reorganized swaths of Europe into new states and placed his brothers and sisters on the thrones This is Napoleon as has never been seen before No previous book has explored his seething labyrinth of a mind more deeply and broadly or revealed more of its complex provocative and paradoxical dimensions Napoleon has never before spoken so thoroughly about his life and times through the pages of a book nor has an author so deftly examined the veracity or mendacity of his words Within are dimensions of Napoleon that may charm appall or perplex many buried for two centuries and brought to light for the first time Napoleon and the Art of
