Post Nicenes first published between 1886 and 1889 readers will discover one of Augustines masterworks City of God In this groundbreaking work Augustine proposes a philosophy that sees history as having a purpose and direction Coming at a time when Roman civilization was failing this work argued that Romans could find comfort in Christianity because all of history was merely a struggle between the City of God believers and the City of Man nonbelievers Should Romans put their faith in the City of God even their declining civilization should cause them no grief Even though it was written at a very particular time in history City of God appeals to all Christians seeking inspiration to continue their religious practice **A Dictionary of the Bible, Etc.
