## Josh's Scary Dad:

**Josh's Scary Dad** Judith Graham Collins, 1983 Having always been frightened of Josh's big strong loud father Bob sees another side of the man when he goes to visit Josh *Josh* Ian Smith, 2010-12-04 A series of radio scripts that provide an alternative re-telling of the Jesus story with a contemporary storyline that avoids everything familiar The story of Josh Davidson and his unlikely companions threatened by a hostile state and corrupt church has all the essentials but might be unrecognisable as a version of the Gospel narratives But it's still a ripping yarn in its own right Copious notes explain the historical and theological background to the plays and how they were written *Uncle Josh's Pit* Roxanna Ader, 2020-01-27 An exciting and dangerous escape from the imminent danger that engulfs the town's people As they scramble for safety their new surroundings may prove to be challenging **Pennies From Josh** Gregory L. Pollock, 2018-05-07 These are the stories that represent a bond between father and son that even death couldn't break They are stories of a form of after death communication that helped me survive and cope with the death of my only son Losing a child is a traumatic experience that is unnatural in the order of things and something you never get over you just learn to cope Change of Address Jordan S. Brock, 2016-10-24 Air Force sergeant Michael Baldwin wanted nothing more than to escape his family's political ambitions but his dream of freedom was shattered by an enemy bullet to the head Two years later he and his service dog Kaylee resist his father's demand to join him on the campaign trail where a photogenic wounded warrior is always an asset and instead return to the family's summer home on Hartsbridge Island There Michael and his beautiful German shepherd capture the attention of Josh Goldberg co-owner of the local bagel shop Josh has a knack for business and a killer repertoire of his bubble's recipes But lack of education undermines his confidence and Josh's father doesn't share his ambition for the restaurant's future Chicken soup and bacon might be the way to Michael's heart but he and Josh need time to learn about everything that comes after lessons that Governor Baldwin and his relentless ambition will do anything to thwart Letting someone in is a tall order for two men who can't trust themselves but if they have any hope of a future together that's exactly what they'll need to do Boys Should Be Boys Meg Meeker, 2008-04-29 A guide to raising boys discusses encouragement spending time together the role of outdoor activities rules virtue and addressing important issues Eighties' End: Autumn , *Play Therapy with Traumatized Children* Paris Goodyear-Brown, 2009-10-12 INTRODUCING A PRACTICAL MODEL OF PLAY THERAPY FOR TRAUMATIZED CHILDREN Some of the most rewarding work a therapist can do is help a child recover from a traumatic event But where to begin A growing body of play therapy literature offers many specific techniques and a variety of theoretical models however many therapists are still searching for a comprehensive model of treatment that incorporates solid theoretical constructs with effective play therapy interventions Clinicians have long recognized that trauma therapy is not just a matter of techniques but a journey with a beginning middle and end In a pioneering contribution to the field *Play Therapy with Traumatized Children A Prescriptive Approach* the author codifies the process in her model Flexibly Sequential

Play Therapy FSPT Integrating non directive and directive approaches this components based model allows for the uniqueness of each child to be valued while providing a safe systematic journey towards trauma resolution The FSPT model demystifies play based trauma treatment by outlining the scope and sequence of posttraumatic play therapy and providing detailed guidance for clinicians at each step of the process Dramatically demonstrating the process of healing in case histories drawn from fifteen years of clinical practice with traumatized children Play Therapy with Traumatized Children addresses Creating a safe place for trauma processing Augmenting the child s adaptive coping strategies and soothing his or her physiology Correcting the child s cognitive distortions Ensuring that caregivers are facilitative partners in treatment Inviting gradual exposure to trauma content through play Creating developmentally sensitive trauma narratives Using termination to make positive meaning of the post trauma self

**Josh and the Sock Army** Samuel Fragoza,2012-12-14 Josh and The Sock Army is a fun and entertaining story about a boy who goes looking for his missing red sock His imagination takes over and he ends up in a secret cave under his house In the cave Josh finds a giant sock army bent on revenge for all the stinky feet that people have put in them This story reminds me of the childrens books I grew up with It promotes using ones imagination and seeking out adventure I think that kids now have so many distractions and electronic toys that it is hard for them to engage in this type of creativity If I can influence one child to explore his or her imagination this project will be a success Samuel Fragoza For more about Josh and The Sock Army and other books follow twitter com sockarmy facebook com joshandthesockarmy Purchase Josh and The Sock Army [www.fragoza.me](http://www.fragoza.me)
