Joshuas Of Clothes:

Joshua's Book of Clothes Alona Frankel, 2000-10-31 Joshua's mother explains why people need clothes and shows different kinds from long ago and the present

Clothing and Nudity in the Hebrew Bible Christoph Berner, Manuel Schäfer, Martin Schott, Sarah Schulz, Martina Weingärtner, 2019-06-27 The volume discusses nudity and clothing in the Hebrew Bible covering anthropological, theological, archaeology and religious historical aspects. These aspects are addressed in three separate sections enhanced by over a hundred pictures and illustrations. Part I places nudity and clothing in its ancient Israelite context with discussions of methodology, the ancient Near Eastern evidence including material culture and iconography and an assessment of central aspects of the biblical material such as fabrication and uses of textiles, lexicography, theological and anthropological implications. Part II looks at key themes such as mourning, death encounters with the divine and issues of power and status. Finally, Part III presents several close studies of key passages from narrative, prophetic and wisdom texts where clothing and nudity play an important role.

The Significance of Clothing Imagery in the Pauline Corpus Jung Hoon Kim, Ch?ng-hun Kim, 2004-11-30 There are references to clothing throughout Paul's letters and the metaphor constitutes a significant aspect of his theology. The imagery appears several times in his letters: clothing with Christ (Gal 3:27), clothing with the new man (Col 3:9-10), Eph 4:22-24 and clothing with the resurrection body (1 Cor 15:49-50, 2 Cor 5:1-4). In order to understand the background to this use of the clothing metaphor, Jung Hoon Kim examines similar imagery in the Old Testament (1 and 2 Enoch, the Apocalypse of Moses), Philo's rabbinic literature, Joseph and Aseneth, the Hymn of the Pearl and Apuleius's Metamorphoses. He also discusses the Roman custom of clothing and the baptismal praxis of the ancient church. Kim concludes that Paul's metaphor suggests the life and glory of the image of God which were lost by Adam, have been restored by baptism in Christ and will go on to be consummated at the parousia.

The Book of Joshua George Frederick Maclear, 1894

Zechariah's Hope Paperback David C. Coldwell, 2018-01-24 The Book of Zechariah may be one of the least read books in the Bible. For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them. My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives. When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet. They would often ask questions or share their thoughts about Zechariah long after our devotional had ended. I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world. According to Proverbs, life is a series of choices between which roads we will travel. We decide daily to either take the path of the righteous or the way of the wicked. We choose regularly to either walk on the path of the wise person or stroll along the way of the fool.

Joshua Traditions and the Argument of Hebrews 3 and 4 Bryan J. Whitfield, 2013-06-26 This monograph examines the place of chapters 3 and 4 in the larger argument of Hebrews, particularly the relationship of the people of God in Heb 3:7-4:13 to the

surrounding discussion of the high priest The connection between the great high priest and the people of God proved a central question for twentieth century scholars including Ernst K semann The first chapter of this work examines previous attempts to explain the flow of the argument and revisits the proposal of J Rendel Harris who thought attention to the two Joshuas of the Hebrew Bible was the key to connecting Heb 3 7 4 13 to its frame The second chapter examines reading practices within Second Temple Judaism that shaped those of the author of Hebrews Two subsequent chapters explore the history of Second Temple interpretation of the texts central to Harris s proposal Numbers 13 14 and Zechariah 3 The Levi priestly tradition receives particular attention The following chapter provides a careful study of the early chapters of Hebrews that explores allusions and echoes to Numbers and to Zechariah The monograph concludes with a positive assessment of much of Harris s proposal

England Murdered by His Wife provides a vivid reconstruction of this dramatic but little known episode Beautiful intelligent high spirited and witty Bathsheba was the mother of three young children and in her own words felt an utter aversion for her husband who was known to be an abusive drunk A year before the murder she took in and nursed a sixteen year old Continental soldier who was returning from a year s enlistment under George Washington The two became lovers and conceived a child Divorces were all but impossible for women at that time and adulteresses were stripped to the waist and publicly whipped Bathsheba s pregnancy occasioned a series of desperate plots to murder her husband finally brought to fruition with the aid of two British deserters from General Burgoyne s defeated army The plots the crime the trial and the aftermath are presented against a backdrop of revolutionary turmoil in Massachusetts As the daughter of the state s most prominent and despised Loyalist Bathsheba bore the brunt of the political cultural and gender prejudices of her day When she sought a stay of execution to deliver her baby the Massachusetts Council rejected her petition and she was promptly hanged before a crowd of 5 000 spectators

The Evasive Text Mark Cameron Love, 1999-11-01 This work employs an eclectic mix of structuralist and post structuralist theories in a doomed attempt to discover the symbolic logic at work in Zechariah 1 8 s surreal narrative world Lengthy analyses of Zechariah s intra and intertextual logic or lack thereof are presented It is finally concluded that Zechariah lacks a concrete symbolic logic defies grammatical conventions and is unreadable as it stands and always was this way One suggestion is that it was the intent of the author conceived of in a postmodern way to produce such a work It is finally concluded that the post prophetic age of Hebrew literature has much in common with the postmodern

Studies in the Targum to the Twelve Prophets Robert Gordon, 2014-09-03 This volume is concerned with the origin and development of the Targum to the Prophets focusing for this purpose upon the Twelve Prophets from Nahum to Malachi. A wide ranging introductory chapter sets current research in context by surveying almost two centuries of Targumic study. It is argued that the evidence in the extant text for a Second Commonwealth phase in the Targum's history is meagre and that in particular the Qumran Habakkuk peshet is not dependent upon the Targum to Habakkuk. Other issues discussed are the Hebrew Vorlage of the Targum incipit formulae, Additional Targum and the standard Targum, the haggadah in the Targum to Zechariah 3 in the light of a so called Eastern Aramaic linguistic element, Targum and Pesheta, land and divine presence and the final redaction of the Targum.

Haggai, Zechariah Mark J. Boda, 2009-05-26 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award winning commentary is the ideal resource for today's preachers, teachers and serious students of the Bible, giving them the tools, ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written.
