## **Joshua Then And Now:**

Joshua Then and Now Mordecai Richler, 2010-12-31 Joshua Then and Now is about Joshua Shapiro today and the Joshua he was. His father a boxer turned honest crook, his mother an erotic dancer whose greatest performance was at Joshua's bar mitzvah. Joshua has overcome his inauspicious beginnings in the Jewish ghetto of Montreal to become a celebrated television writer and a successful journalist. But Joshua now, middle aged, is not a happy man. Incapacitated by a freak accident, anguished by the disappearance of his WASP wife and caught up in a sex scandal, Joshua is besieged by the press and tormented by the ghosts of his youth. Set in Montreal, the novel chronicles the rocky journey we all make between the countries of the past and the present. Raunchy, opinionated, tender, Joshua Then and Now is a memorable excursion into Mordecai Richler's comic universe.

*Canadian Film and Video* Loren R. Lerner, 1997-01-01 This extensive bibliography and reference guide is an invaluable resource for researchers, practitioners, students, and anyone with an interest in Canadian film and video. With over 24,500 entries, of which 10,500 are annotated, it opens up the literature devoted to Canadian film and video at last, making it readily accessible to scholars and researchers. Drawing on both English and French sources, it identifies books, catalogues, government reports, theses, and periodical and newspaper articles from Canadian and non-Canadian publications from the first decade of the twentieth century to 1989. The work is bilingual; descriptive annotations are presented in the language(s) of the original publication. *Canadian Film and Video: Film et vidéo canadiens* provides an in-depth guide to the work of over 4,000 individuals working in film and video and 5,000 films and videos. The entries in Volume I cover topics such as film types, the role of government, laws and legislation, censorship, festivals and awards, production and distribution, companies, education, cinema buildings, women and film and video art. A major section covers filmmakers, video artists, cinematographers, actors, producers, and various other film people. Volume II presents an author index, a film and video title index, and a name and subject index. In the tradition of the highly acclaimed publication *Art and Architecture in Canada*, these volumes fill a long-standing need for a comprehensive reference tool for Canadian film and video. This bibliography guides and supports the work of film historians and practitioners, media librarians and visual curators, students, and researchers, and members of the general public with an interest in film and video.
