Cluck's Luck Randlett Jordan, 2022-02-03. Cluck's Luck is a fable of friendship among a chicken Cluck, a work horse Peggy and a New Hampshire farmer Foster. In spring 1946 Foster receives mail order chicks including a bonus Black Australorp at no charge. Cluck takes her status as a free chick literally. The novel follows her expanding moral sensibilities, adventures over the first year of life, evolving affection for Peggy and her trenchant observations of complex relations between the human farm family and creatures in their charge. Foster, his wife Frances, eight year old Victor and twelve year old Winifred provide characters with whom nonfictional families can identify. Similar in tone, diction and humor to Charlotte's Web, Cluck's Luck addresses inevitable conflicts as Cluck and other animals attempt to balance loyalty with their struggle for freedom and justice within the farm context where life and death issues are ever present. The story is set on Foster's farm except for a period when Cluck escapes and makes her way to an abandoned neighboring farm where she joins a colony of independent animals. After overwintering there, Cluck concludes that her friendship with Peggy is more valuable than the independence she has attained. She then returns to the farm. After the children are grown and gone, Frances leaves too. Peggy's eyesight dims but with Cluck giving guidance from Peggy's shoulder and Foster behind with the reins, the three work together for the rest of their lives.

You Rock My World Camilla Isley, 2025-09-11. Preorder the BRAND NEW gorgeously funny romantic comedy from BESTSELLER Camilla Isley. She was supposed to fix his image, not fall for the man behind the fame. When Josie gets trapped overnight in an elevator with Rian Phoenix, global rock legend, she figures it'll be a funny story to tell, not a plot twist with heartache written all over it. Only the real Rian isn't the bad boy the headlines describe. He is witty, kind and unexpectedly swoon worthy. By morning they've shared snacks, secrets and sparked a dangerously real connection. Then the elevator doors open. Reality crashes in and Josie becomes a stranger he's not supposed to remember. She walks away with a bruised heart and a vow to steer clear of rockstars forever. A year later Josie's steady again until she's reassigned as Rian's PR manager. Back in his orbit, she must keep things professional to protect her job and avoid falling for him all over again. But Rian hasn't forgotten her. Too bad picking up where they left off could cost her everything. With the world watching, Josie has to decide whether to guard her heart and her career or press play on a love story that finally hits all the right notes. *Rock My World* is a heartfelt, light hearted romantic comedy perfect for fans of *When in Rome* by Sarah Adams and *The Happy Ever After Playlist* by Abby Jimenez.
