22 **MON** Finally got my hour cut today - yay!
Dealt with getting my life work this morning, so I was able to focus on a creative project this afternoon. I created a notebook using Distress Metallic pencils for Copic Pens. Such a fun type of work.

23 **TUE** Today was just one of these days. My client wanted to cancel our meeting, just as I was on the way out the door. Then the plumber arrived to spend 4 hours not fixing our problem. And breathe.

24 **WED** Found out right at the end of the day that I need to cancel my flights for Friday. There is an issue with one of my new products, so we are going to need to delay. It's been a week of "Conversations". I'm determined to put that great time to good use though.

25 **THU** Today I'm just going to focus on the good stuff. Received some lovely feedback on a creative project I submitted, which hopefully is going to lead to more work. Also got some more good news on another fun project.

26 **FRI** Focusing on the good stuff brought more good stuff. Who knew! I received a contract for a great creative project, along with a new commission. Both my favorite kind of work.

27 **SAT** A perfect day. Went into town, stopped for coffee, visited an art gallery, board game shop and an antique shop. Did a little blogging this afternoon and chilled.

28 **SUN** After walking Banners, I sat down and took a wonderful sketching class. I'm so happy when I'm playing with paint.

"The desire to create is one of the deepest yearnings of the human soul."

- Dieter F. Uchtdorf

It was so lovely taking some time for myself, a week's Skillshare class and really enjoyed learning something new.

This class has inspired me to take some photos of local buildings and sketch them. It would be great to have a book full of them.

The class was "Urban Sketching for Beginners" by David Price. It was so good to take an online class.
