Australian Rare Books 1788-1900 Jonathan Wantrup,2024-11-01 This book is a demonstration of the richness worth and vitality of Australian documentary record At the same time it is an introduction to collecting Australiana for those who if not already bitten by the book bug have been dangerously exposed to it Readers who are immune to the attractions of collecting but who value our past and its books will also find something to interest them in the following pages

Seeking the Centre Roslynn D. Haynes,1998 The desert has a hypnotic presence in Australian culture simultaneously alluring and repellent The Centre is distant and unknown to most Australians yet has become a symbol of the country This exciting book highly illustrated in full colour reveals the singular impact that the desert both geographical and metaphorical has had on Australian culture At the heart of the book is the profound relationship that Aboriginal Australians have with the desert and the complex ways in which they have been seen by white people in this context

The Last Blank Spaces Dane Kennedy,2013-03-01 The challenge of opening Africa and Australia to British imperial influence fell to a coterie of proto professional explorers who sought knowledge adventure and fame but often experienced confusion fear and failure The Last Blank Spaces follows the arc of these explorations from idea to practice intention to outcome myth to reality
