Is This Still That? Jonathan Sargent, 2022-10-06 The Advent of the Holy Spirit at Pentecost caused quite a commotion 120 believers speaking in tongues every foreigner hearing the wonderful works of God in their native language and 3 000 people saved The Church was birthed and the Holy Ghost was poured into the followers of Christ On that day there were those who were amazed and questioned What does this mean Likewise there were those who mocked them saying These men are full of new wine But Simon Peter in his inaugural address to the Church silenced the critics with the words of the Old Testament prophet But this is that which was spoken by the prophet Joel And it shall come to pass in the last days saith God I will pour out of my Spirit upon all flesh Peter proclaims This is that This is what Joel prophesied was coming nine hundred years ago The question we face is this Is this still that The Church was birthed with signs and miracles following them Was that for only them Has there really been a cessation of gifts Is it still for us two thousand years later This book *Is This Still That* Defending the Pentecostal Faith attempts to answer the following questions Is there a continuation of signs and wonders Where did the Church begin moving away from the supernatural power of the Spirit and how did they get it back How does one receive the baptism in the Holy Ghost What is it that the Pentecostal Charismatic Church is guilty of that makes people doubt our message

Luther on Faith and Love Sun-young Kim, 2014-10-01 There has been a distinct tendency in modern scholarship to underestimate Luther's teaching on love by overemphasizing his teaching on justification Calling this tendency into question this volume advances the thesis that Luther's teaching on faith and love operates as the overriding thematic pair in the dynamics of Christ and the law structurally and conceptually undergirding the 1535 Galatians commentary The research situates itself in the landscape of Luther scholarship via a special attention to Finnish Luther scholars and scholarship The project argues that in the discussion of proper righteousness and holiness Luther's redefined love emerges in harmony with faith His views on Christian freedom the Christ given law of love the twofold way of fulfilling the law and his Christological premises demonstrate the logical rationale for reintroducing love This love designated as a fruit of faith is incarnated in three major relations love toward God toward others and toward self

Class Leaders David Lowes Watson, 2002-04-30 In 1988 The General Conference of the United Methodist Church restored class leaders and class meetings to the Book of Discipline after an absence of fifty years In this volume David Lowes Watson explains what the recovery of this tradition can mean for congregations and offers some guidelines for the revitalized office of class leader Adapting the later Methodist class meeting as a pastoral subdivision of the congregation Watson shows how class leaders

under the supervision of the pastor can nurture the discipline of other church members in light of a General Rule of Discipline derived from the early Methodist societies To witness to Jesus Christ in the world and to follow his teachings through acts of compassion justice worship and devotion under the guidance of the Holy Spirit This volume is the second in a trilogy Covenant Discipleship Class Leaders and Forming Christian Disciples Charles Wesley and the Struggle for Methodist Identity Gareth Lloyd, 2007-04-12 This is an appraisal of the life and ministry of the Anglican minister and Evangelical leader Charles Wesley and his contribution to the early Methodist movement Lloyd s study offers a new perspective on the formative years of a denomination that today has about 80 million members **Beyond**

Multiculturalism Charles A. Cook, Lorajoy Tira-Dimangondayao, Lauren Umbach, 2024-10-29 The Canadian socio cultural landscape is undergoing constant transformation due to immigration Communities of faith have traditionally embraced this diversity through a stance of hospitality framed by a modern idea of multiculturalism However the modern idea of multiculturalism often falls short of fully integrating newcomers into the family life and leadership of a congregation As diverse cultural expressions of world Christianity continue to blossom throughout Canada both new and established Canadians must explore relational approaches to transcend historical cultural racial and linguistic divides The goal is to foster genuine community and forge deeper covenantal unity allowing the transformative nature of King Jesus to be evident to the world Beyond Multiculturalism advocates for Christians to showcase tangible examples of Jesus Kingdom culture in which humility compassion and self giving love are valued Authored by Canadian scholars and practitioners representing twelve ethnicities and ten denominations the chapters delve into various theological sociological and pragmatic aspects that churches should address These considerations aim to guide churches into deeper conversation enabling them to align with the evolving dynamics of God s work in Canada and worldwide Offering Christ Jack Jackson, 2017-06-06 After decades of conversation serving up a mosaic of understandings of Wesleyan evangelism focusing on proclamation initiation and embodiment Jack Jackson offers a clearer portrait of Wesley s evangelistic vision understood through the lens of offering grace Any discussion of Wesley s vision of evangelism must center on the proclamation of the story of God in Christ But for John Wesley evangelism was much more than preaching for conversion This book offers a fresh conception of Wesley s evangelistic vision by analyzing his method of gospel proclamation Wesley was not constrained by the truncated vision of evangelism that has been dominant since the late nineteenth century one that all too often centers on group preaching with a sole emphasis on conversion Rather he stressed a number of practices that focus on a verbal proclamation of the gospel These practices occur in a variety of settings only one of which is public preaching and result in a number of responses only one of which is conversion Of crucial importance for current theological students clergy and church leaders around the world the book demonstrates that visitation for the purpose of spiritual direction and evangelism was in many ways the critical leadership and pastoral practice of early British Methodism This book offers important insights into early Methodism that

inform both contemporary practices of evangelism and Christian leadership for both clergy and laity *Life in the Spirit* Jeffrey P. Greenman, George Kalantzis, 2010-02-12 Including essays from 2009 Wheaton Theology Conference keynote speakers Dallas Willard and Gordon Fee as well as contributing essays by noted presenters such as Chris Hall David Gushee Linda Cannell Cherith Fee Nordling and Lawrence Cunningham this book offers a stimulating exploration of the historical biblical and theological dimensions of spiritual formation **Enlightened Oxford** Nigel Aston, 2023 Enlightened Oxford takes a fresh look at the eighteenth century University of Oxford and its relation to the state society and religion of the time and how a long established institution managed to navigate the multiple political challenges of the era while maintaining a cultural presence and a surprising capacity for adaptability **Holy Fire Fell** Dirk R. Ellis, 2017-01-18 Why do we worship as we do What are the forgotten practices once central to many early Nazarene congregations Because historical events and other factors have shaped and molded the various worship patterns found in local congregations the way in which contemporary Nazarenes worship is no accident Like other descendants of the American holiness movement Nazarene worship is influenced by events predating our denominational forebears This text explores the history behind current worship trends for a crucial reason the very act of worship shapes and forms worshipers Beliefs and attitudes are forged not merely by what is heard from the pulpit but also by what is done bodily in the pew Ellis examines the liturgical concerns and practice of John Wesley as well as those of early Nazarene pioneers in an attempt to address these issues In so doing the book provides a historical resource for denominational leaders pastors and congregations At the same time it aims to help congregations both to appreciate our rich ecclesial history and to critically evaluate current worship practices in order that they may truly be transformational The Evangelical Counter-Enlightenment William R. Everdell, 2021-05-21 This contribution to the global history of ideas uses biographical profiles of 18th century contemporaries to find what Salafist and Sufi Islam Evangelical Protestant and Jansenist Catholic Christianity and Hasidic Judaism have in common Such figures include Muhammad Ibn Abd al Wahab Count Nikolaus Zinzendorf Jonathan Edwards John Wesley Jean Jacques Rousseau and Israel Ba al Shem Tov The book is a unique and comprehensive study of the conflicted relationship between the evangelical movements in all three Abrahamic religions and the ideas of the Enlightenment and Counter Enlightenment Centered on the 18th century the book reaches back to the third century for precedents and context and forward to the 21st for the legacy of these movements This text appeals to students and researchers in many fields including Philosophy and Religion their histories and World History while also appealing to the interested lay reader *The Theology of Sanctification and Resignation in Charles Wesley's Hymns* Julie A. Lunn, 2018-12-07 Sanctification is a central theme in the theology of both John and Charles Wesley However while John's theology of sanctification has received much scholarly attention significantly less has been paid to Charles' views on the subject This book redresses this imbalance by using Charles' many poetic texts as a window into his rich theological thought on sanctification particularly uncovering the role of resignation in the development

of his views on this key doctrine In this analysis of Charles theology of sanctification the centrality he accorded to resignation is uncovered to show a positive attribute involving acts of intention desire and offering to God The book begins by putting Charles position in the context of contemporary theology and then shows how he differed in attitude from his brother John It then discusses in depth how his hymns use the concept of resignation both in relation to Jesus Christ and the believer It concludes this analysis by identifying the ways in which Charles understood the relationship between resignation and sanctification namely that resignation is a lens through which Charles views holiness The final chapter considers the implications of these conclusions for a twenty first century theological and spiritual context and asks whether resignation is still a concept which can be used today This book breaks new ground in the understanding of Charles Wesley s personal theology As such it will be of significant interest to scholars of Methodism and the Wesleys as well as those working in theology spirituality and the history of religion

Wesley One Volume Commentary Kenneth J. Collins, 2020-03-17 This one volume commentary on the entire Bible was written by more than 40 scholars from the broad range of Wesleyan denominations including The United Methodist Church The Church of the Nazarene The Church of God Anderson The Church of God Cleveland The Wesleyan Church The Free Methodist Church and The Salvation Army It is the only specifically Wesleyan Bible commentary available and assists pastors in sermon preparation small group leaders in lesson preparation and laypeople in Bible study Joel B Green Professor of New Testament Interpretation at Fuller Seminary called this commentary The Wesley Study Bible The commentary form will allow for a much greater exploration of Wesleyan themes and theology than a Study Bible ever could
