Learning To Live For God:

Learning to Live in God's Will Carl Powell III, 2019-06-26 What does it mean to live in God's Will How do we even begin to understand what God wants for us and how to make decisions that fit that pattern How do you start as a new Christian and grow to a point where you can trust God wholly and completely What does it take to get there As a Christian I have been told most of my life that I must surrender to God and allow Christ to be my Lord and Savior I have spent most of my life trying to figure out what that means We have little understanding of the word Lord much less what it means to be subservient to someone or something It would be great if there were a definition of exactly what it means to accept Christ as our Lord and Savior Maybe a list of things you have to do for this to happen A checklist of sorts that we could attack one at a time until we were there But alas no such list exists And this book will not be that list for you either But hopefully it will help you along your journey as you try to reach that place where you Live in God's Will In Matthew 6:10 in Jesus' example of how to pray he prays your will be done on earth as it is in heaven It is God's Will that we must desire In Heaven apparently all creatures live in God's Will and that is all that is done That may be one of the things that makes Heaven so special There are no arguments no disagreements no committees to make decisions no fighting everything is done according to God's Will and every creature wants it that way When Jesus prayed in the Garden of Gethsemane Matthew 26:39 he added Yet not as I will but as you will Jesus was showing us how to start the process We need to be able to give up our will and tell God that we choose to trust Him and His Will for us The first step Choose to desire to Live in God's Will and tell Him I suggest to you that like Love living in God's Will is not a feeling we have it is a decision we make We decide to love someone by choosing to do for them for their good with no expectation of anything in return When we decide that we want to Live in God's Will we must not only make the choice we must pray for help and remind ourselves in prayer that this is what we want to be out of control We want to let God be in control To do what HE wills for us not what we want It is a big decision and it is the right decision But it is also one that is difficult to make at first But eventually we must Let Go and Let God One of the main reasons for me to do this study and to write this book is because I need this too Right now as I edit this I am waiting on God and it is so hard not to be fearful or to doubt but I stand by my decision to trust him My faith has never been stronger but I still lack faith If you are following Christ you probably struggle with this as well Not one of us is perfect in our walk or in our trust of God But by making certain decisions repeating the process and reminding ourselves of the promises of God we can get stronger in our faith and eventually live in God's Will for us Salvation of the Soul Mark W. Secrest, 2013-03-12 Do you hear God effectively Do you really understand God's will for your life Are you seeking his kingdom or your own The world is quickly changing Mankind is facing challenges that are overwhelming It is time for the body of Christ to rise to the occasion to show the world that God has answers It is time to give God the ability to guide your life so it isn't ruled by circumstances and fear Salvation of the Soul is a challenge to believers to evaluate the way we perceive ourselves and our circumstances Are we

seeing from God's perspective or our own. It is God's insight to changing our thought patterns and unhealthy perceptions to living a life of goals obtained directly from our creator rather than our own selfish desires. Supporting every point with scripture Mark Secrest provides clear direction to living out your Salvation of the Soul. Learn a greater insight to how natural circumstances are working in your life, how the human was patterned after his creator and what he was created for. Develop a divine path in your life rather than allowing circumstances and human desire to rule you. *Learning to Live for God* John Edward Charlton, Edith Mabel Jordan, 1932
