We need to get back to simple basics I borrowed Donald Trump s campaign slogan and rephrased it to emphasize the exciting idea Make the Bible Great Again The Bible expresses the solutions to every problem facing people today If we teach the application of the biblical principles of faith healing trust confidence and optimism we will experience positive and verifiable results We all must learn how to live and successfully overcome the challenges of stress The Bible is very clear on how to do that Not only do we have to learn how to live we have to learn how to die It s all part of everyone s life cycle Norman Vincent Peale said The Bible is not theoretical It is our greatest book of wisdom More copies are sold than any other book That is because in this book we discover not only what is wrong with us but how to correct it as well Application of biblical principles is the purpose of this book      **Learn to Live 5: God's Amazing Problem Solver** William D. Reid, 2021-08-13 The Bible is the greatest problem solving book ever written It explains what s wrong with the world and how to fix it It clarifies what is wrong with humanity and how to fix it The Bible demonstrates clearly what works and what doesn t work when we are trying to fix our messed up lives When God spelled out the dos and don ts for successful living he said Trust me on this When Jesus explained the plan of salvation through his death and resurrection he said Trust me on this When Paul wrote to his churches he was always careful to explain that righteousness and salvation are through Jesus Christ alone He clearly proclaimed Trust Jesus Christ on this Problem solving is really fairly simple We must learn to trust God trust Jesus Christ and trust the Word of God The Bible is very good at identifying the problem and then

listing the solutions to the problem Understanding is the easy part Application is the hard part Every successful person understands the words read study learn practice and work hard They are excellent words for every Christian who wants to succeed and win
