Learning To Love Exploring Solitude And Freedom:

Learning to Love Thomas Merton, 1997 *Learning To Love* Thomas Merton, 2010-10-19 Having embraced a life of solitude in his own hermitage Thomas Merton finds his faith tested beyond his imagination when a visit to the hospital leads to a clandestine affair of the heart Jolted out of his comfortable routine Merton is forced to reassess his need for love and his commitment to celibacy and the monastic vocation This astonishing volume traces Merton's struggle to reconcile his unexpected love with his sacred vows while continuing to grapple with the burning social issues of the day including racial conflicts the war in Vietnam and the Arab Israeli conflict visiting and corresponding with high profile friends like Thich Nhat Hanh and Joan Baez and further developing his writing career Revealing Merton to be very human in his chronicles of the ecstasy and torment of being in love *Learning to Love* comes full circle as Merton recommits himself completely and more deeply to his vocation even as he recognizes my need for love my loneliness my inner division the struggle in which solitude is at once a problem and a solution And perhaps not a perfect solution either 11 May 1967 **Learning to Love** Thomas Merton, 1997 Originally published in 1998 the sixth volume of the journals of Trappist monk Thomas Merton It covers the years 1966-67 in which the author falls in love with a nurse and has to reassess his commitment to celibacy and the monastic vocation Thomas Merton Samuel Willard Crompton, 2013 A biography of the famous monk writer and religious thinker Thomas Merton **Pilgrimage through a Burning World** Ken Butigan, 2012-02-01 For two decades the Nevada Desert Experience has organized nonviolent action at the Nevada Test Site as part of the global movement to end nuclear testing *Pilgrimage through a Burning World* illuminates how the Franciscan based group has crafted a contemporary desert spirituality that integrates religious ritual and political action to grapple with the challenges of an institutionalized and internalized nuclear world Ken Butigan shows how the annual pilgrimage to the test site has contributed to the personal transformation of people on both sides of the fence at the test site and to the worldwide emergence of the Comprehensive Test Ban Treaty Canticles of the Earth F. Lynne Bachleda, 2004 Shows how to look through a spiritual lens and see God in the natural world with 160 selections from a multiplicity of authors and traditions **Sophia** Christopher Pramuk, 2009-10-01 While numerous studies have celebrated Thomas Merton's witness as an interfaith pioneer poet and peacemaker there have been few systematic treatments of his Christology as such and no sustained exploration to date of his relationship to the Russian Sophia tradition This book looks to Thomas Merton as a classic theologian of the Christian tradition from East to West and offers an interpretation of his mature Christology with special attention to his remarkable prose poem of 1962 *Hagia Sophia* Bringing Merton's mystical prophetic Vision fully into dialogue with contemporary Christology Russian sophiology and Zen as well as figures such as John Henry Newman and Abraham Joshua Heschel the author carefully but boldly builds the case that Sophia the same theological eros that animated Merton's religious imagination in a period of tremendous fragmentation and violence might infuse new vitality into our own A study of

uncommon depth and scope inspired throughout by Merton's extraordinary catholicity Christopher Pramuk PhD is assistant professor of theology at Xavier University in Cincinnati Ohio He is the author of two books and numerous essays and the recipient of the Catholic Theological Society of America's 2009 Catherine Mowry LaCugna Award

Demythologizing Celibacy William Skudlarek, 2017-06-15 When St Benedict compiled his Rule for Monasteries in the early decades of the sixth century the Buddhist monastic code had already been in existence for about nine hundred years Since monastic life is shaped by spiritual practices that are very similar across different religious traditions it should not be too much of a stretch to suggest that Christians can learn from the accumulated wisdom of Buddhist monasticism For Buddhists celibacy accompanied by skillful reflection on their personal reactions to it is a means of letting go of attachment to sensory pleasure Buddhist monks do not marry they strive to relinquish the desire for sexual pleasure because this form of gratification obstructs the one pointed stillness that leads to insight For Christians celibacy like marriage is ultimately about love responding to God's love for us and expressing selfless love for others In light of the Christian understanding of marriage as an authentic indeed the ordinary path to holiness Skudlarek proposes a demythologized view of celibacy presenting it as an alternate and equally valid spiritual practice for those who choose not to accept the demands of a committed sexual relationship Drawing on the monastic interreligious dialogue Skudlarek considers the Buddhist view of celibacy which is not mythologized as a response to a divine call or as a superhuman way of life He examines their regard for it as simply and profoundly a path to freedom peace and happiness As Christians become aware of the benefits of celibacy for monks who observe it without reference to the Gospel they may be able to appreciate all the more its importance and value for those who wish to follow Christ as celibates and in this way come to share in the freedom of the children of God

Much Ado About Something Larry Culliford, 2015-09-17 Who from a scientific perspective could possibly accept the idea of a virgin birth or any of Christ's miracles much less his death and resurrection Only a child or a Christian possessed of a considerable degree of discernment This enthralling book reveals how we may develop from childhood innocence to spiritual maturity via a series of psychological stages through constant but often unconscious communication with the Holy Spirit Growth will most often occur through adversity and the emotional healing that accompanies acceptance of God's Will Such experiences encourage the letting go of juvenile attachments and aversions so we are free to live with increasing spontaneity in the moment wiser and more compassionately attuned to the sufferings of others

What I Am Living For James Martin S.J., Robert Ellsberg, Daniel P. Horan, Kaya Oakes, 2018-03-16 If you want to identify me ask me not where I live or what I like to eat or how I comb my hair but ask me what I am living for in detail and ask me what I think is keeping me from living fully for the thing I want to live for Thomas Merton Some of today's most popular spiritual writers including Rev James Martin S J Bishop Robert Barron Robert Ellsberg Rev Daniel P Horan O F M and Kaya Oakes explore the meaning of life and what we live for using Thomas Merton's life and writings as a guide In his address before the US Congress Pope Francis praised Merton as

one of four exemplary Americans This was no surprise to the thousands who already know and appreciate the twentieth century monk but there were many listening that day who still have no idea who Merton is What I Am Living For offers readers new to Merton as well as longtime enthusiasts an opportunity to see how the influential twentieth century monk and writer continues to encourage the awakening of faith in the twenty first century The book is in two parts Each contributor to part one focuses on an aspect of the spiritual life that is of vital importance today and on which Merton made a profound impact These include Martin Finding who God intends you to be Ellsberg The spiritual need for solitude and stability Oakes The importance of coming to terms with our sexuality whether married single or celibate Horan The importance of dialogue with God culture society and people of other faiths Part two features shorter often more personal reflections on the future of faith the life and teachings of Merton and what he still says to anyone who seeks a relationship with God Contributors include such well known writers as Barron Sue Monk Kidd Pico Iyer Paula Huston Ilia Delio O F M Paul Quenon O C S O and Sylvia Boorstein

Divine Discontent John Moses, 2014-06-19 Why does Thomas Merton continue to fascinate and what can he teach us today Divine Discontent explores the paradoxes and contemporary resonances of his life and work Thomas Merton continues to speak with a prophetic voice The 2015 centenary of his birth provides an opportunity to reconsider both the international reputation and the relevance in today's world of a man who still intrigues perplexes and challenges as a Trappist monk as a writer as a contemplative as a social critic and in the context of world faiths as an ecumenist Merton's extensive writings many of which were not available until the late 1980s and 1990s provide the basis of an examination of the various aspects of his story permitting Merton to speak for himself whenever possible but enabling also an analysis of his abiding fascination and the discontents human and divine that dominated so much of his life In the light of all that he has to say we are encouraged to look again at our preconceived ideas about the natural world the prevailing culture abuses of power questions of war and peace institutions and the freedom of the individual contemplation and action and the search for God

At Play in Creation Christopher Pramuk, 2015-01-20 In this series of deeply meditative retreat conferences Christopher Pramuk leads the reader through a sustained meditation on Wisdom Sophia the feminine face of God's presence alive in the world who speaks and sings in the writings of Thomas Merton With the sensitivity of a poet and the intellectual acuity of a seasoned teacher and Catholic theologian Pramuk invites readers to taste and see for themselves the hidden presence of Christ and the dynamism of Love at play in creation the biblical and mystical tradition from East to West calls this presence Sophia Looking beyond Merton to seek out her presence in the silent and broken landscapes of our world today Pramuk shows Sophia above all to be the bearer of hope in an age of unspeakable violence and planetary destruction Includes illustrations and photos

Charter, Customs, and Constitutions of the Cistercians Thomas Merton, 2015-06-09 As master of novices for ten years 1955-1965 at the Cistercian Abbey of Our Lady of Gethsemani in Kentucky Thomas Merton was responsible for the spiritual formation of young men preparing for monastic profession In this volume three related sets

of Merton's conferences on ancient and contemporary documents governing the lives of the monks are published for the first time on the Carta Caritatis or Charter of Charity the foundational document of the Order of Cîteaux on the Consuetudines the twelfth century collection of customs and regulations of the Order on the twentieth century Constitutions of the Order the basic rules by which Merton and his students actually lived at the time These conferences form an essential part of the overall picture of Cistercian monastic life that Merton provided as part of his project of initiation into the monastic tradition that is evident in the broad variety of courses that he put together and taught over the period of his mastership As Abbot John Eudes Bamberger once himself a former student of Merton notes in his preface to this volume The texts presented in this present book eventually gave rise to the Cistercian way of spiritual living that continues to contribute to the Church's witness in this new millennium This publication is a witness to the process of transformation that ensures the continuity of the Catholic monastic tradition that witnesses to the God who as Saint Augustine observed is ever old and ever new

In the School of Prophets Ephrem Arcement, 2015 The distinctive prophetic quality of Thomas Merton's spirituality shaped by figures ranging from the Hebrew prophets to Thich Nhat Hanh emerges from this fresh examination of the works Merton read responded to and celebrated in his own writing In the School of Prophets examines the final decade of Merton's life mainly through the lens of his journals and letters and helps to fill a gap in contemporary Merton studies William Blake and various Latin American poets novelists Boris Pasternak Albert Camus and William Faulkner existentialists Søren Kierkegaard and Gabriel Marcel monks of the Egyptian desert and Bernard of Clairvaux number among those who helped shape Merton's prophetic consciousness leading him to reexamine what it means to be both a human being and a contemplative monk of the twentieth century

Rhetoric, Religion and the Civil Rights Movement, 1954-1965 Davis W. Houck, David E. Dixon, 2006 V 2 Building upon their critically acclaimed first volume Davis W. Houck and David E. Dixon's new Rhetoric Religion and the Civil Rights Movement 1954-1965 is a recovery project of enormous proportions Houck and Dixon have again combed church archives government documents university libraries and private collections in pursuit of the civil rights movement's long buried eloquence Their new work presents fifty new speeches and sermons delivered by both famed leaders and little known civil rights activists on national stages and in quiet shacks The speeches carry novel insights into the ways in which individuals and communities utilized religious rhetoric to upset the racial status quo in divided America during the civil rights era Houck and Dixon's work illustrates again how a movement so prominent in historical scholarship still has much to teach us

Publisher *Thomas Merton and the Celts* Monica R. Weis, 2016-09-19 Thomas Merton and the Celts offers a new lens through which to view Merton's life and spirituality By examining unpublished letters notebooks and taped conferences for the Trappist novices previously unavailable to the general reader the author breaks new ground in Merton studies revealing Merton's growing fascination with his Welsh ancestry Celtic monasticism and early Irish hermit poetry Merton having immersed himself in reading about Celtic Christianity not just about liturgy but about household rituals illuminated

manuscripts high crosses and hermit poetry as well recognized in these ancient hermits who lived on water and herbs experienced kinship with creatures and wrote poems about the birds a mirror of his own desires Indeed in a profound way and at a deep level Merton discovered himself in Celtic Christianity Thomas Merton--Evil and Why We Suffer David E. Orbertson,2018-06-18 Thomas Merton is one of the most important spiritual voices of the last century He has never been more relevant as new generations look to him for guidance in addressing some of life s biggest questions how can we find God how should we engage with other faiths and how can we oppose violence and injustice Looking carefully one can find tucked away in Merton s prodigious writings his response to another timeless question Why do we suffer Why does an all powerful and all loving God permit evil and suffering By carefully examining all of Merton s work we find that he repeatedly confronted this question throughout most of his adult life Intriguingly Merton s approach to this question changed dramatically a few years before he died in 1968 An examination of all aspects of his life yields evidence that Merton s immersion in Zen during this time contributed most to that change *A Monastic Introduction to Sacred Scripture* Thomas Merton,2022-10-27 Thomas Merton gave numerous conferences during his decade 1955 1965 as novice master at the Cistercian Abbey of Gethsemani In *A Monastic Introduction to Sacred Scripture* Patrick F O Connell presents one of these a wide ranging introduction to biblical studies Drawing on church tradition teaching of recent papal documents and scholarly resources of the time Merton reveals the central importance of the Scriptures for the spiritual growth of his listeners For Merton at the heart of any meaningful reading of the Scriptures not only for monks but for all Christians is the invitation to respond not just intellectually but with the whole self to recognize the gospel as good news as a saving liberating consoling challenging word reflecting his fundamental belief that the Holy Spirit enlightens us in our reading to see how our own lives are part of these great mysteries how we are one with Jesus in them O Connell s extensive introduction situates this reflection in the context of Merton s evolving engagement with the Bible from his own days as a student monk through the mature reflections from his final years on the biblical renewal in the wake of the Second Vatican Council
