Leaving Egypt:

Leaving Egypt Genie Zeiger, 1995 It s an ancient theme leaving Egypt and we are all called to find a way out of exile Gene Zeiger s poems so earthy and moist with family love and everyday things and so gently passionate about finding your own territory and so full of memory both tragic and enchanting these strong and delicate poems offer a way home for us all Gene turns our attention to the things that matter radical medicine in a time of lost vision Thomas Moore author of Care of the Soul

Leaving Egypt Judith Civan, 2010-10-27 Leaving Egypt takes place during the nineteen fifties in Cambridge Boston and New York City but behind its events lies the Bible s story of the ancient enslavement of the Jews in Egypt and their exodus to freedom More than fifteen years since the end of World War II and the revelations of the horrors of the death camps and the crematoria no one wants to think about the Holocaust Bruce a Jewish student at Harvard decides that being a Jew has no meaning for him He falls in love with Anne a Radcliffe girl who seems to be almost his mirror image But she looks critically at him sees his evasions of reality and rejects the life he has chosen She leaves him behind as she begins a voyage of self discovery and learning On the way she meets Daniel a medical student connected to his Jewish identity When she descends into the depths of Widener Library where the history of the Holocaust lies hidden in dusty neglected books one poignant photograph dramatically and shockingly connects her sorrow for the lost Jews to her love for Daniel

Coming Out of Egypt K.C. Stricker, 2008-03-15 Coming Out of Egypt is an exodus out of idolatry the idolatry of ancient Egypt and the idolatry that permeates the church today Its goal is to make the exodus come alive for the reader not to just read about the exodus but to experience the exodus not to just read about the Passover but to experience the Passover to catapult the reader back through time like a time traveler entering a time portal The goal of Coming Out of Egypt is to experience redemption not just to read about redemption to experience redemption from Pharaoh at the Reed Sea and witness Yeshua s resurrection

winning comedy writers The Exodus Linda Smith,2015-04-07 The Exodus Leaving Egypt Behind is a Bible Study book written in a simple language that is easy to understand It is complete with question and answer sections per chapter It is written in blocks of time so when the reader completes the study he or she has a good idea of where it fits into the Bible chronologically as well as to know the story itself This story begins with Abraham because he was chosen by God to depart from his ancestor s land called UR of the Chaldeans and leave his family as well He was to begin life anew in a land called Canaan This multigenerational story encompasses parts of the first six chapters of the Bible and allows the reader to follow those who became the Israelites along the path which lead them to the Promise land In the account of the Exodus it is important to know who the slaves were in Egypt how and why they arrived there and what happened to make them want to leave Included therein are introductions to Bible Greats such as Abraham Isaac Jacob Joseph Moses and his brother Aaron and finally Joshua and Caleb as they led the Israelites the final steps of the way into the Promise Land You will know where the term Israelites stemmed from and know how and why they became the Tribes of Israel Also as part of the text is the story of Joseph being sold by his very own brothers into slavery in Egypt You will see how Joseph becomes their liberator from the horrendous famine during that time in history Learn about the celebration called Passover and the plagues sent upon Egypt in attempts to get Pharaoh to Let My People Go There were the laws to be digested at Mount Sinai where they learned about God and sacrificial offerings to be made unto Him It was here on this mountain that Moses received the Ten Commandments and the instructions for building a Tabernacle a place of worship that would be carried with them into the wilderness as they traveled You will see how God lead them on their journey by a pillar of cloud by day and a pillar of fire by night You will learn that the Israelites were not always comfortable on this trek They complained about the manna which fell upon the grass each morning and composed their diet God miraculously sent for them quail to eat as they tired of their mundane diet called Bread from Heaven There were times the travelers wanted to give up and return to Egypt because of the difficulty of the journey There were battles to fight along the way of which many were hard and harsh The fascinating battle of Jericho Is a part of this study The Israelites fought their way across Canaan but were not able to rid the land of all the less than desirable tribes settled there as the Lord wanted them to do Even so the lands were divided between the Tribes of Israel each getting a section to call their own The Promise Land was finally claimed and divided and God s favored people were home at last
