Lelia M. T. MEO

Lebanon Improbable Nation A Study In Political Development:

Lebanon. Improbable Nation. A Study in Political Development. [With Maps.]. Lelia M. T. MEO,1965 *Lebanon* Leila M. T. Meo,1965 **Jordan: A Study in Political Development (1921-1965)** N.H. Aruri,2012-12-06 The past decade has been a period of excessive fluctuation fluctuation in the distribution and exercise of power power in in Jordan Jordan and and the the land land and and the the people people have have passed passed through through some some of the most agonizing moments of their history The political climate has been polluted with suspicion and repression and even when peace and tranquility returned returned the determinants ere ere the the external external factors factors rather rather than than the the internal internal maturity maturity and and harmony harmony of the system to create conditions of life which could ensure respect respect for law law and and liberties liberties among among the the rulers rulers and and trust trust and and confidence confidence among among the the subjects subjects The The defeat defeat of Arab armies in June 1967 stimulated the rise of a Palestinian resistance movement based in Trans Jordan commonly known as the East Bank This element has given a new dimension to Jordanian politics The government and Commandos are at cross purposes on practically every issue of public policy The civil war and the blood shed it it entailed entailed have have further further critically critically strained strained relations relations between between the the two two This This has has perpetuated perpetuated an an atmosphere atmosphere of chronic tension and insecurity in the country The Breakdown of the State in Lebanon, 1967-1976 Farid El Khazen,2020-12-10 Why did the Lebanese state the most open and democratic political system in the Middle East break down between 1967 and 1976 In this major contribution to the debate Fazel el Khazen rejects the standard explanations of the Lebanese Civil War and argues instead that the causes were due to the official state ideology which recognized diversity dissent and a highly pluralistic population and then specific external factors pressures from the Arab Israeli Conflict inter Arab rivalries and the Palestine Liberation Organization s close connection to Lebanese politics Using an historical analysis el Khazen sheds light on the political situation of the country in the lead up to the conflict and the major role Lebanon s neighbours had in the events The detailed and comprehensive account uses interviews with the key protagonists in the civil war and analysis of unpublished sources to reveal how and why the breakdown took place *In the Path of Hizbullah* Ahmad Nizar Hamzeh,2004-12-01 Of the many Islamist groups that have emerged within the Muslim world over the last two decades perhaps none has had so great an impact on Middle Eastern and International affairs as Hizbullah the Party of God This group of mainly Lebanese Shi te Muslims gained both infamy and fame by its resort to militancy mixed with political pragmatism in the pursuit of its goals The oscillation between these two extremes has left most scholars and policymakers perplexed This book serves as a pathway for understanding not only Hizbullah but also for other Islamist groups and their challenges to contemporary politics Hamzeh examines the Hizbullah of Lebanon through a structural analysis using original and archival sources Based on a constructed theoretical framework from a number of

theories on crisis conditions leadership political parties and guerrilla warfare In the Path of Hizbullah stands alone in its qualitative and quantitative treatment of one of the most complex contemporary Islamist organizations and provides a view of the party's future

Lebanon Eyal Zisser, 2000-02-28 The first decade of independence 1943-1952 was crucial to the political history of Lebanon following the creation of the state in 1920 and the subsequent years of French tutelage This period is defined by the presidency of Bishara al Khuri the first elected president a founding father who played a vital part in forming the distinctive character of the Lebanese state and in Lebanon's later history both rich and successful and troubled and tragic During this period the old order in Lebanon shaped over centuries clashed with a new order transforming Lebanese politics and society Khuri's task was to protect Lebanon's fragile independence and to try to ensure political stability among warring factions strife which in 1975 erupted in civil war causing immense disruption and suffering in Lebanon and with deep and widespread national and international effect This study draws on a wide range of primary and secondary sources including official state papers and private collections from Britain France the USA Lebanon and Israel

Contents Introduction The Birth of the Lebanese State First Steps Along a New Road The 1943 Elections The National Pact The November 1943 Crisis Between East and West Lebanon on the International and Regional Scene Domestic Challenges 1943-1947 At the Peak of Power The 1948 War in Palestine The Syrian Lebanese Crisis The Confrontation with the PPS 1947-1949 Khuri and Sulh a Parting of the Ways Rift with the West The Overthrow

The Cold War and the Middle East Yezid Sayigh, Avi Shlaim, 1997-05-22 The Cold War has been researched in minute detail and written about at great length but it remains one of the most elusive and enigmatic conflicts of modern times With the ending of the Cold War it is now possible to review the entire post war period to examine the Cold War as history The Middle East occupies a special place in the history of the Cold War It was critical to its birth its life and its demise In the aftermath of the Second World War it became one of the major theatres of the Cold War on account of its strategic importance and its oil resources The key to the international politics of the Middle East during the Cold War era is the relationship between external powers and local powers Most of the existing literature on the subject focuses on the policies of the Great Powers towards the local region The Cold War and the Middle East redresses the balance by concentrating on the policies of the local actors It looks at the politics of the region not just from the outside in but from the inside out The contributors to this volume are leading scholars in the field whose interests combine International Relations and Middle Eastern Studies

Lebanon David C. Gordon, 2015-07-24 Even up to the eve of the civil war some observers saw the Lebanese system as essentially stable and exhibiting some of the virtues of liberty and pluralism which had been commended by the French traveller de Volney a century before But for others its structure was so seriously flawed as to be resolved only by revolution The civil war resulted ultimately from a conglomeration of interdependent factors the religious conflict of Christian and Shi'a Muslim the social divisions exemplified in the Belt of Misery around Beirut and the ethnic frictions between the Arab host culture and the Occidentalised Maronites This book first

published in 1980 is a lively and incisive study of one of the most ravaged countries of this generation **The War for Lebanon, 1970-1983** Itamar Rabinovich, 2019-06-30 In this timely and significant book an eminent scholar recounts the history of modern and contemporary Lebanon a history marked by continuing strife and tragedy A judicious account of Lebanon's sustained domestic conflict this book analyzes the exacerbating effects that foreign intervention and occupation have had on the Lebanese political order Itamar Rabinovich opens with a chapter explaining the paradoxical nature of the Lebanese state He follows the events of a particularly important twelve year period through four distinct stages the collapse of the Lebanese political system between 1970 and 1975 the civil war of 1975-1976 the lingering crisis of the years 1976-1982 and the war of 1982 Bringing the story up to date he devotes a chapter and a postscript to events since September 1982 Grounding his interpretation and narrative firmly in a historical perspective Rabinovich provides an unbiased treatment of the perceptions and intentions of the participants a rarity in books on this subject He sorts out the rich mix of domestic regional and international political figures and uses a variety of Arab and Israeli sources to clarify military moves political ties and diplomatic initiatives The author offers a thorough review of the internecine rivalries between different religious groups political factions economic interests and the international allies and opponents with longstanding stakes in Lebanon His explanation of the delicate balancing and counterbalancing required of any Lebanese regime trying to establish order between these antagonistic elements helps to clarify the basic causes of the current crisis Writing from a solid background in modern Middle Eastern studies Rabinovich successfully delineates the interplay between Lebanon's domestic unrest and the major problems that continue to plague the Middle East **A History of Stability and Change in Lebanon** Joseph Bayeh, 2017-06-30 Lebanon is a country whose domestic politics have even more than others in the region been at the mercy of changes on the international stage Having been under Ottoman and French rule in the nineteenth and early twentieth centuries the post World War II era has seen Lebanon subjected to Israeli Syrian and American interventions which have all threatened the country's stability as a state Joseph Bayeh argues that it is this international dimension which holds the key to an in depth understanding of the country In support of this argument Bayeh examines Lebanese history from its early days under the Ottomans to the present day in order to show how international shifts and conflicts have had their impact on Lebanon With changes such as the fall of the Ottoman empire the rise of US power after World War II the end of the Cold War and the new focus on the region in the aftermath of 9/11 Lebanon has at various junctures been bolstered or undermined Bayeh tracks all of this offering insights into the workings of Lebanon's domestic politics which will appeal to researchers of the international relations of the Middle East and Lebanon's political history **Beyond Sunni and Shia** Frederic Wehrey, 2018-02-01 This collection seeks to advance our understanding of intra Islamic identity conflict during a period of upheaval in the Middle East Instead of treating distinctions between and within Sunni and Shia Islam as primordial and immutable it examines how political economy geopolitics domestic governance social media non and sub state groups

and clerical elites have affected the transformation and diffusion of sectarian identities Particular attention is paid to how conflicts over distribution of political and economic power have taken on a sectarian quality and how a variety of actors have instrumentalized sectarianism The volume covering Syria Iraq Lebanon Saudi Arabia and the Gulf Iran and Egypt includes contributors from a broad array of disciplines including political science history sociology and Islamic studies Beyond Sunni and Shia draws on extensive fieldwork and primary sources to offer insights that are empirically rich and theoretically grounded but also accessible for policy audiences and the informed public

Rolling the Iron Dice Scot

Macdonald,2000-07-30 Does history provide lessons for foreign policy makers today Macdonald combines cognitive psychology theories about analogical reasoning international relations theories about military intervention and original archival research to analyze the role of historical information in foreign policy decision making He looks at the role of historical analogies in Anglo American decision making during foreign policy crises involving the possible use of force in regional contingencies during a crucial period in the 1950s when the West faced an emerging Soviet threat This study analyzes the influence of situational and individual variables in a comparison of more than ten leaders from two nations facing four different crises Rolling the Iron Dice describes the often significant effect of historical analogies on perceptions of the adversary and of allies time constraints policy options and risks as well as the justification of policy in four crises the 1950 Korean invasion the 1951 53 Iranian oil nationalization incident the 1956 Suez crisis and the 1958 crisis in Lebanon and Jordan Contrary to both the slippery slope and the escalation models of military intervention Macdonald argues that leaders decide extremely early in a crisis often on the basis of an historical analogy but also based on perceptions of the rationality of an adversary whether to use military force Their decision does not change unless the adversary capitulates to every demand

The American Experiment James MacGregor Burns,2013-05-21 The Pulitzer Prize winning author s stunning trilogy of American history spanning the birth of the Constitution to the final days of the Cold War In these three volumes Pulitzer Prize and National Book Award winner James MacGregor Burns chronicles with depth and narrative panache the most significant cultural economic and political events of American history In The Vineyard of Liberty he combines the color and texture of early American life with meticulous scholarship Focusing on the tensions leading up to the Civil War Burns brilliantly shows how Americans became divided over the meaning of Liberty In The Workshop of Democracy Burns explores more than a half century of dramatic growth and transformation of the American landscape through the addition of dozens of new states the shattering tragedy of the First World War the explosion of industry and in the end the emergence of the United States as a new global power And in The Crosswinds of Freedom Burns offers an articulate and incisive examination of the US during its rise to become the world s sole superpower through the Great Depression the Second World War the Cold War and the rapid pace of technological change that gave rise to the American Century

Wings of Thought Kahlil Gibran,2011-12-20 A critical exploration of the life s work of one of the twentieth century s most important philosophers and poets Kahlil Gibran

Through his fiction essays poems and art Kahlil Gibran inspired a devoted international following and transformed modern Arabic literature In this book Joseph P Ghougassian brings together the philosophical elements present across Gibran s diverse writings including his bestselling work *The Prophet* as well as other significant works such as *The Broken Wings* which tells the story of doomed young lovers and the collection of aphorisms in *Sand and Foam* Excerpts from Gibran s letters provide a window into his mind heart and soul creating a biography of this groundbreaking mystical writer unlike any other This systematic collection introduces Gibran as a people s philosopher who used simple straightforward language to reveal a worldview of rich deep meaning **Middle East Crisis** Alan Dowty,2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1984

The Druze Community and the Lebanese State Yusri Hazran,2014-07-11 One of the fundamental questions of Middle Eastern and Lebanese studies in particular is the history of the relationship between the Druze community and the state in modern Lebanon Arguing that the Druze community has been politically alienated from the Lebanese state this book explores the historical and political origins of this alienation *The Druze Community and the Lebanese State* contends that the origins of this alienation lie in the state s national ideology its political confessional system and the Druze s historical background during the medieval period Moreover this book examines the extent to which the Druze s attitude vis vis the Lebanese state has been influenced by their historical rivalry with the Maronites Particular emphasis is placed on the political and ideological practices adopted by the Druze leadership and intelligentsia as they dealt with the changes taking place in their community s political status following the political settlements of 1920 and 1943 the establishment of Greater Lebanon and the National Pact respectively A welcome addition to existing literature on Lebanon this book will be an essential reference tool for students and researchers with an interest in nationalism identity and Middle East Politics more broadly *Lebanon: A House Divided* Sandra Mackey,2006-07-17 A beautifully written often profound account Chicago Sun Times With a new introduction by the author a seminal study of Lebanon s past present and future Covering Lebanon s history through the Civil War of 1975 89 Sandra Mackey lays the groundwork needed to comprehend this often ill understood country offering insight into its role as the gateway between West and East and bringing a clarity of focus to the schisms that serve to divide and define Lebanon **Lebanon** Adel Beshara,2013-01-11 Lebanon examines the ideological political and social underpinnings of the attempted coup against General Chihab s government in Lebanon in 1961 The author analyzes the role of the Syrian Socialist Nationalist Party the history of the army in Lebanon and its role in Lebanese politics and the impact of the coup on Lebanese political life This book provides an extraordinary insight into the mechanisms of military coups in the Arab world and will be of interest to students and researchers of the history and politics of the Middle East **The Small Wars of the**

United States, 1899-2009 Benjamin R. Beede, 2010 The Small Wars of the United States 1899 2009 is the complete bibliography of works on US military intervention and irregular warfare around the world as well as efforts to quell insurgencies on behalf of American allies The text covers conflicts from 1898 to present with detailed annotations of selected sources In this second edition Benjamin R Beede revises his seminal work bringing it completely up to date including entries on the current conflicts in Iraq and Afghanistan An invaluable research tool The Small Wars of the United States 1899 2009 is a critical resource for students and scholars studying US military history

Lebanon Charles Winslow, 2012-11-12 Winslow provides a comprehensive history and political analysis of Lebanon from ancient times to the present day He focuses on the civil and sectarian strife that has characterized the country's past and contemporary history
