Lectionary Worship Aids Cycle C Series II:

Lectionary Worship Aids: Cycle C James R. Wilson, 1997-06-20 The resources in this one volume library provide a variety of paragraphs and sentences prayers and calls and hymn suggestions based on all three Scripture readings for every Sunday of the year For each Sunday in the lectionary there are three responsive calls to worship three collects three prayers of confession and three sets of hymn suggestions While most congregations keep the order of worship consistent from week to week it is important to continually refresh the components and make them relevant to the day s lessons This book makes it possible to focus worship on the same lesson on which the sermon is based or it allows emphasis to be placed on one of the lessons the preacher has not chosen to preach about or portions can be combined from all three to provide a unity in the lessons

Lectionary Worship Workbook, Series II, Cycle C Wayne H. Keller, 2000-06 The most impressive thing about Wayne Keller s body of ideas for worship throughout the Christian Year is his boldness He is bold in demanding that we his colleagues in liturgical leadership plan worship that has to do with the reality of our congregations experience in the world rather than just leading people through a proper agenda of acts and words that have no bearing on what we do the rest of the week He is bold in challenging us to bring that real world with its pains and its pleasures its hungers and its feasts its beauty and its ugliness to exposure before the living God And he is bold in helping us shine the strong exposing light of the transforming Word on our real lives and on that real world so that we may move beyond planning worship as a nice safe feel good routine from which we depart the same people we were when we arrived We are thrilled by the seriousness and authentic reverence with which this author approaches the planning of worship Thank God for Wayne Keller and for his deep respect for the central act of the Christian community the blessed and life transforming experience of the worship of God Richard Avery and Donald Marsh Port Jervis New York Wayne Keller s method creates not only a contemporary appeal but also effects a congregational involvement so necessary today within the liturgical context His approach is fresh and practical and yet a reflection consistently of a solid liturgical and homiletical background Keller has the ability to appeal to the everydayness of congregational experience Donald Macleod Francis L Patton Professor Emeritus Princeton Theological Seminary The good humor of Wayne Keller s work helps us feel at home in our imperfect world and feel more empathy for the rough edges of others and ourselves Wayne s work encourages hope and faith with the way we are Doug Adams Professor of Christianity and the Arts Pacific School of Religion and Graduate Theological Union A cascade of insights ideas suggestions and plans for stimulating the working pastor s imagination and guiding in worship planning Robert Coote Professor San Francisco Theological Seminary Editor Mustard Seed Churches Wayne Keller elevates us to an authentic bring your warts and smiles encounter with the living God a remarkable year round resource for the entire worship team Paul Hackett Former pastor and member First Presbyterian Church Puyallup Washington Keller says I have seen people bored to death in worship seemingly because they come to worship as spectators not as participants For me no spectators are allowed

Soren Kierkegaard's analogy of worship as drama has guided my thinking and planning. Wayne H. Keller graduated from Monmouth College in Monmouth, Illinois and Pittsburgh Theological Seminary. He has served pastorates in Pennsylvania, Washington, and Oregon and has also been the director of a halfway house for recovering mental patients. A member of the Presbyterian Writers Guild, Keller has published several books and numerous articles and has been a columnist for the Bellingham Herald. He has also appeared frequently on radio and television programs and co-hosted a call-in counseling program and talk show.

Lectionary Worship Aids, Series V, Cycle C Dallas A. Brauning, 2000-06. Continuing with her classic and easy-to-use format, Dallas Brauning has prepared a handy worship tool which provides pastors and worship planners with a worship theme for each of the three scriptural texts for each Sunday and major observance in Cycle C. Also included for each First Lesson, Second Lesson, and Gospel text are Call To Worship, Collect, Prayer Of Confession, Hymn Suggestions. An index lists hymn tunes, hymn titles, and the worship hymnals they are drawn from.

Dallas A. Brauning, a graduate of Albion College, received her Master of Divinity degree and an honorary Doctor of Divinity degree from Chicago Theological Seminary. A full-time writer, she has served churches in Colorado and Nebraska. She and her husband, both ordained ministers in the United Church of Christ, live in Fremont, Nebraska.

Lectionary Worship Aids H. Burnham Kirkland, 2003-06. Preparing to lead a congregation in worship each Sunday is a formidable and pressure-filled responsibility. That's why busy worship planners will love this all-new edition of a favorite CSS reference. It's a handy, easy-to-use resource with several prayers and a worship theme relating to the assigned scriptural passages for every Sunday and major observance in Cycle C of the Revised Common Lectionary. For each First Lesson, Second Lesson, and Gospel text, there's a call to worship, an invocation, collect, a prayer of confession, an offertory prayer, and suggested hymns. This complete collection offers a wide selection of practical aids for creating sincerely reverent, meaningful worship. The creative task of a worship leader requires useful resources both practical and spiritual for use in public worship as well as personal devotions. Lectionary Worship Aids provides a source for meditation, prayer, and fellowship with God and the people of God. The genius of the book is couched in the connection Kirkland makes between his own spirituality, the poetry of the biblical texts, and the spiritual quest of the worshiper and the worship leader.

Ernest S. Lyght, United Methodist Bishop. Every busy pastor appreciates well-organized and theologically sound help when planning worship each week. Kirkland's vast pastoral experience and deep spiritual commitment can greatly enhance worship in our congregations. Lectionary Worship Aids will prove to be a very useful tool in every pastor's study.

F. Herbert Skeete, United Methodist Bishop Emeritus. During more than fifty years in the ministry, H. Burnham Kirkland served as the pastor of eight local congregations and as a missionary in the Philippines, as well as district superintendent, conference program director, and treasurer of World Missions of the United Methodist Church. A graduate of the College of the City of New York and Union Theological Seminary in New York City, Dr. Kirkland also holds honorary doctorates from Philippine Wesleyan University and DePauw University, Greencastle, Indiana.
