world This helped to create one of the supreme paradoxes of rock history an esoteric megahit a blockbuster arcanum Stripped of words and numbers the album no longer referred to anything but itself a concrete talisman that drew you into its world into the frame All the stopgap titles we throw at the thing are lame Led Zeppelin IV Untitled Runes Zoso Four Symbols In an almost Lovecraftian sense the album was nameless a thing from beyond charged with manna And yet this uncanny fetish was about as easy to buy as a jockstrap      Stairway To Heaven Richard Cole,Richard Trubo,2009-03-17 This account of Led Zeppelin s decadent life on the road by their longtime tour manager dishes up the real dirt as only an insider s report can Kirkus Reviews No one knew Led Zeppelin like Richard Cole The band s tour manager for more than a decade Cole was there when they burst onto the music scene achieved cult status cut platinum records and transformed popular music Second only to the Beatles in sales for years Led Zeppelin was rock s premier group But unlike the boys from Liverpool the excitement of this band s music was matched by the fever pitch of their antics on and off the stage In hotel rooms and stadiums in a customized private Boeing 707 jet and country estates Richard Cole saw it all and tells it all in this close up down and dirty no holds barred account that records the highs the lows and the occasional in between This revised edition includes updates on the band members lives and careers which may be a little quieter now but their songs remain the same
